HOME SAVINGS GRANT SCHEME

By Senator John Watson

The Federal Government aims to encourage and help all Australians to buy their own home. One way of doing this is through the Home Savings Grant Scheme which was first introduced in 1964. This scheme enables many people to receive financial assistance from the Federal Government in buy their first home.

The grant is a tax free gift not a loan. Its aim is to increase the proportion of total savings available for housing by encouraging people to save with those institutions that provide the bulk of housing finance.

The Scheme is open to a wide variety of people to qualify for the grant, regardless of marital status. Those who are under 18 years of age are not eligible unless they are married or engaged to be married. There is no age limit.

A grant may be made towards buying an established home, or building one, whether it be a house, home unit, or flat, or other type of dwelling in the city or country. However, it must be the first home of the person applying for the grant who must intend to occupy it as a principal place of residence within a reasonable time. There is a qualifying value limit of \$60,000 - \$70,000 which applies to the home (including the land) acquired from 1 October 1980.

Those people who are eligible may receive a grant of up to \$2000 (or \$3000 including the Family Bonus). The grants are paid on a proportional basis to acceptable savings held at the contract date by the applicant/s. Savings held with savings banks, building societies, credit unions or fixed deposit with trading banks, and payments made in connection with the acquisition of the land or home, or construction of the home on or before the date of contract

to build or buy the home, are acceptable savings.

Applications should be lodged as soon as possible after the prescribed date, that is, the date you contract to buy or build your home or commence construction as an owner-builder.

Even if you have no plans now to build or buy a first home you should save in the acceptable forms so that you will be sure to qualify for the grant later on.

There is currently a 9 month waiting period between receipt of the application and payment of the Grant. Senator John Watson last week asked the Minister for Housing and Construction to reduce the time because it can cause financial concern and stress to people who find it difficult to find bridging finance between the time that the money has to be paid to complete the contract and the receipt of the Home Savings Grant.

Senator Watson will be pleased to give further information on this subject or assist with any queries people may have.

THE ROAD TOLL

Each year about 3500 people are killed on Australian roads and about 90,000 are injured.

This is equivalent to nearly 200 Australian Rules football, 240 rugby teams and 320 cricket or soccer teams having ALL their players killed in one year.

It is also equivalent to more than 25 times as many teams losing ALL their players through serious, perhaps permanent, injuries. Road accidents are the largest single cause of death for all people under 45 years of age.

'TIGER'S TAIL

The trip to the bay for the first game of the season resulted in a great team effort from the St. Mary's boys. St. Marys scored a 17 point win over St. Helens.

All the stories circulating about the St. Helen's side were certainly false as they proved to be a good solid team on the day and one to be reckoned with as other teams in the Fingal Association will soon find out, they will not be a 'pushover' this season.

Back to the Tigers, all that pre-season training under Coach, Terry Targett, & emphasis on team effort really proved that both combine to win games, now keep up the good work and turn up to training TUESDAY and THURSDAY nights.

New players who played their first game for the club on Saturday were Stephen Brown, Shane Freeman, Adrian Moylan & John Carpenter also Roger McDonald in the seconds.

SENIOR FINAL SCORE: St. Marys 14.6 to St. Helens 10.13.

The SECONDS scored a good win after a poor first half and ran out winners by 22 points.

The THIRDS battled hard all day to go down by 51 points but with such a small team it was a very good effort.

Black arm bands were worn on the day by the St. Marys club in honour of the late Kelly Birrell and Pop (Albert) Nailer who both contributed so much to the club over the years.

Next Saturday, being the first home game a one minute silence will be observed prior to the commencement of the senior game to honour the late Kelly Birrell who did such a wonderful job keeping the ground and amenities in order thus ensuring we have both the facilities at present.

Kelly gave over thirty years service to the club along with 'Pop' Nailer who also gave many years valuable service & their efforts are certainly worthy of appreciation.

There will be no football on April 25th, Anzac Day, so we must also remember all the ex-servicemen and women of our community who have helped the club in the past.

Last Thursday night saw the presentation of jumpers to the players by the club Patron, Mr. Gordon 'Spot' Salter, and it turned out to be a great night.

While presenting the players with their jumpers 'Spot' spoke about what it meant to wear 'Tiger' colours, carrying on with old traditions and following in the footsteps of some good community minded footballers of the past who have gone on to do well in both football and business.

That he along with the many players was very proud of the club especially as he and his family had been assoc-

iated with the St. Marys Football Club for many years, a record which one could be proud of. His son, Steven, played with and coached the club and his grandson, Roger, also plays with the club. It was unfortunate that Roger could not be present to receive his jumper from his grandfather but being on the 'injured' list meant he was unable to attend.

'Spot' went on to tell all present that to be a good clubman and team-man you must be unselfish and dedicate yourself to the game.

He stated "one can drink for 50 years but one cannot play football for 50 years", to applause and then wished the club well for the 1981 season.

Gus Richards responded on behalf of the players with a few words of wisdom and endorsing all that 'Spot' had to say.

The club President, Mr. Les Lavelle, then announced the team Captains for the season.

Seniors: Captain - Les Newman
Vice Captain - Robert Schier
Dp. Vice Captain - Stephen Cooke & also the players representative.

Seconds: Captain - Michael Brown
Vice Captain - Trevor Midson
Dp. Vice Captain - Tony Singline

Thirids: Captain - Stephen Jones
Vice Captain - John Miles

SOCIAL NOTES:

The club would like to thank Mr. Harry Luck & Mr. Chris Wardlaw for donations towards raffles run on Saturday night, which proved very successful. A thank-you also to Mr. Greg Tapp.

On FRIDAY, APRIL 17TH at 1.00PM a 'Keep Australia Beautiful' working bee will be held at the ground, this is prior to our first home game. Please turn up and do what you can, even for a little while, every little bit helps. Show that we in St. Marys are proud of our recreation centre.

Do bring some working equipment with you such as shears, paint brushes, rakes, shovels, spades - anything you feel may be of use.

'One Eye' is still recovering from a sore hand and is unable to write his column this week but gave me this weeks winners, St. Marys to win against Fingal, Campbell Town to beat St. Helens & Avoca to just win against Swansea. Do you agree? We'll See!

ANZAC DAY

Next Saturday will be the 66th anniversary of the landing on the Gallipoli Peninsular by men of the Australian and New Zealand Army Corps. By the 19th December those who survived were evacuated, leaving behind the graves of 9000 comrades of the combined British forces. Total killed or wounded from British forces was 115,000 and the French lost 47,000 while the Turkish enemy estimated their casualties at 350,000. The campaign was a military disaster with the only redeeming feature being the skill exercised during the evacuation.

The official history of World War I reads:- "Though the expeditionary forces of the two Dominions were only in their infancy, and afterwards fought with success in greater battles, no campaign was so identified with them as this. In no unreal sense, it was on 25th April 1915 that the consciousness of Australian manhood was born."

From this concept came the vision of an Anzac Commemoration Day. The present generation may find it difficult to understand just what this day means to ex-service-men and women. It is a day of remembrance and re-union. Throughout Australia and New Zealand, the presence of men and women at cenotaphs and war memorials represents a symbolic visit to the graves of the fallen, scattered across the lands and the oceans of the world.

It is a day which could and should be observed by people of all ages and not only those who, in some way, were involved. Today, we have in our community, citizens who are not Australian by birth,

who are invited to share the day with us. Many have their own memories of war and their own National days in which they can no longer take part.

As fewer old soldiers march, Anzac Day comes closer in the best sense, to being Australia's One Day of the Year, a day on which Australians can ponder on the awesome reality of a person sacrificing his or her life that many others may live. As time passes, the issue of the morality of the wars in which the sacrifices were made will dissipate even further, giving way, finally, to this, the essence of Anzac Day.

"None can speak more eloquently of peace than those who have known the tragedy of war." Those who have known war pass on this message to those who have not. Over 2000 years ago, the Greek writer, Pericles, wrote:-

"They gave their lives. For that public gift, they received a praise that never ages and a tomb more glorious - not so much the tomb in which they lie, but that in which their fame survives." Do not let us forget on this day of remembrance, the tomb in which our Anzacs lie.

TENNIS

The St. Marys Tennis Club completed a most successful season on Sunday April 12th.

In the morning eleven children participated in a singles tournament where some very good tennis was played. The club would like to thank all children for taking part and hopes that they enjoyed their day.

Congratulations go to David Nailer who won the tournament, and to Marcus Faulkner who was runner up. Score was 7-5 in a very high standard final.

The finals of the mens and ladies singles tournament were played in the afternoon. Shirley Blackman and Yvonne Salter battled for one & half hours before Shirley gained victory with the scores 7-5, 7-5. Onlookers were entertained with displays of brilliant tennis and very long rallies.

This was followed by the mens final played between club president Neil Stewart and Robert Schier. This was a more aggressive and tactical match with attacking play and hard volleys. Neil won the match with the scores 6-4, 6-3.

The mixed doubles tournament, held on Sunday March 29th was won by Maureen Bushing and Andrew Francis. Runners up were Deborah Salter and Brett Kelloway. Final score was 7-6. Eleven couples participated and a barbecue lunch, good weather and the day's play were enjoyed by all. Thanks to the Principal for the use of school facilities.

The annual dinner was held at the St. Marys Hotel and the club thanks Greg and Wendy for a delicious meal and enjoyable night.

Also thanks to Streets' Supermarket who donated some tennis clothing which was raffled. Prizes were won by Genevieve Faulkner of St. Marys and Julie Wicks of Tullochgorum.

We look forward to the 1981-82 season when St. Marys will host the Midlands Association pennant and thank all club members for their support this year.

SCHOOL SPORT

A very successful series of sports matches was conducted last week when St. Marys District High School hosted fifty students from the Cressy District High School. Sports matches were played on Tues. 7th and Wed. 8th April and included cricket, tennis, softball, baseball, volleyball and vigoro.

Both schools were evenly matched and displayed talent and sportsmanship in all matches. Due to hard practice and good coaching beforehand, St. Marys teams did very well, turning the tables on the usually dominant Cressy and winning four sports to Cressy's three. We won in softball, baseball, boys tennis and girls volleyball. Cressy won the boys volleyball, girls tennis and vigoro.

A highlight of the matches was the cricket where both sides scored 99 runs in 25 overs, producing an exciting draw, worthy of any World Series one-day match.

Cressy students were billeted in our district and were entertained with a social on Tuesday night and a barbecue on Wednesday before they left. Many thanks to parents who helped out with billets.

It was a very worthwhile two days for all concerned. St. Marys plans to visit Cressy later in the year to play winter sports.

these matters and the first responsibility is clearly that of the operators of the cycles and their parents.

If parents neglect their duty in this regard it then falls to the Police and the courts to assume that role.

The local "tip" is that this campaign could be well under-way in about two weeks.
