Price 10 cents. O.O. Box 100, St Marys 7215.

## A LIFE IS IN YOUR HANDS

After each holiday period it is distressing to see that the number of deaths on our roads is on the increase.

While genuine accidents do occur, most fatalities are caused by a general disregard for the other road users, as often those killed are the innocent victims of another driver's mistake.

As the behaviour of the road user is one of the major factors contributing to our road accidents, driver development should be seen as a sequential process from educating the very young in appropriate attitudes to general road use through to training in manipulative skills that culminates in the granting of a licence.

However, as shown in a study done by the New South Wales Accident Research Unit, although the driver may be aware of his responsibilities while on the road, it is the 'temporary aberration' that largely contributes to crashes. It may be the temporarily reduced concentration or judgement caused by worry about work or domestic problems, fatigue in the form of sleep deprivation or even a cold that affects the driver's capabilities, but it only takes a temporary lapse to take a life.

It has been recognised by researchers into road accidents that while road accidents are the direct consequence of driver behaviour, it is extremely difficult to change their driving habits.

Most drivers see the risk of losing their lives through a crash as minimal and fear apprehension by police and the loss of their licence more than the tragic result that often occurs from erratic driving.

However, last year over 3,000 Australians (111 in Tasmania) died as a result of someone's mistake, so it is up to everyone of us who uses the roads to exercise more care so that we do not become, or cause, a horrific statistic.

by Senator John Watson.

## FORESTRY AND FOREST PRODUCTS\*

Australia's productive & potentially productive forests occupy approximately 42 million hectares, or about 6% total land area. Control over this vast forest estate may be roughly divided between State forests 30%, other public forests 45%, National Parks 5% & private forests 20%.

The forest & forest product industries are crucial to Tasmania. The Tasmanian Government incentives include loans to private forestry, grants to research organisations & subsidies in the form of low royalties on timber removed from publicly owned forests. Tasmania has 2.8 million hectares of forest equal to 41% of the total land area of the State, of which 36% is privately owned.

The Committee found that in line with National trends Tasmanian per capita consumption of sawn timber has been declining since the early 1960's. This is a trend that is not likely to be reversed in the foreseeable future. The reduced availability of sawlogs for the 10 to 15 years will induce real price increases which will dampen the demand. The increasing capacity of Victoria & NSW to supply their own requirements from local sources will force much of the Tasmanian timber out of these markets. However, the outlook internationally is not as grim. In fact the Tasmanian Gov. in their submission to the Committee said that significant opportunities were available to Tasmanian forestry industries in the future by exporting to North America, Europe & the Asia-Pacific region.

Some of the recommendations from the Senate Report include:

1. the rate of new softwood plantation establishment be reduced to the extent that the average annual rate for the years 1976-1990 does not exceed 20,700 hectares, as recommended by Bureau of Agricultural Economics.
2. The royalties applying to rare & valuable tree species, eg. Huon pine red cedar, be increased to reflect their true cost of production & rarity on a national basis as compared with eucalypt species.

(continued on p. )

\*\*\*\*\*

## WHATS ON

Old Time Dance and Supper. Mangana Hall. Friday July 16th 8pm till midnight. No admission charge but donation at door to go towards Church restoration. (no alcohol).

### "Coming Events"

Parish of the Fingal Valley Anglican Annual Meetings.

Avoca. Friday July 23rd. C.W.A. Hall, 7pm.

Fingal. Sunday July 25th after the 9am Service.

St. Marys. Sunday July 25th after a 2.00pm Service.

A Cent Evening will be held on July 14th at 7pm at the home of Mrs. W. Nailer, Scamander for Womens R.S.L. Auxiliary. All welcome. Members a plate please.

V. Bradbury  
(hon Secretary)

ST. MARYS DISTRICT HIGH SCHOOL PARENTS & FRIENDS ASSOCIATION - Next meeting will be held on Tuesday 20th July at 8pm in the school library. Ladies a plate please.

### TASMANIAN PENSIONERS UNION.

A meeting of the Fingal/St. Marys Branch will be held in the Uniting Church Hall, Fingal on Wednesday 14th July at 2pm. All pensioners invited to attend.

P. D. Llewellyn  
President.

An afternoon will be held on Thursday 15th July 1982 at the Senior Citizens Club rooms, Cecelia Street, St. Helens for Mr. & Mrs Eddie Binns, of Scamander who will be celebrating their Diamond Wedding Anniversary (60yrs). Eddie & Rose will be pleased to see their many friends and relatives who wish to help them celebrate this happy occasion. (No presents please).

## LBS STATE WIDE BANK

Established 1835.  
Statewide network of branches.  
Trustee savings bank. Community owned - no shareholders.. Operated locally under local direction.

People first philosophy, balanced byrup to date computer based accounting systems.

Have you considered the advantages for both yourself and Tasmania if you become an LBS satisfied customer.

### MULTICAP.

Many thanks to all our supporters on our Fun Day and Ball which were quite successful.

A special thank you from Tania & her committee to all those people too numerous to name, who volunteered their time and resources to make the day such a success. And another thank you to all the ladies who supplied such a delicious supper for the Ball.

An oil painting by a well known Tas. professional artist Leo Cook, valued at approx. \$400.00 has been donated to Multicap entrant Tania Streets to be raffled and drawn at Four Seasons Hotel, Scamander on August 29th. Future functions will be a disco at the Cornwall Hall on Friday 9th July. Bus will leave P.O. at 7.15pm.

A cabaret will be held at Silver Sands Motel on July 17th in aid of Multicap. Music by Hobart band Hardlines.

### ST. MARYS PLAYGROUP.

(Member of Playgroup Association of Tasmania)

All children aged 5 years and under are welcome to attend with an adult.

Venue - Supper Room, St. Marys Community Hall.

Time - 10.30 - 12noon every Thursday of school term.

Cost - 30 cents per family.

There is an organised activity every session as well as free play, painting and playdough.

Next meeting for playgroup mothers Wednesday 21st July at the home of Mrs Christine White, German Town Road, St. Marys.

Any ideas to improve playgroup for both children and mothers are welcomed.

## SPORTS

FINGAL VALLEY BADMINTON ASSOCIATION FOOTY NOTES CONT.

1982 has proved to be a most successful year for the Association. On Saturday, 26th June we won the Northern Tasmanian Country Assoc. Challenge Shield; the last successful team in this competition was in 1968.

The team was undefeated in all matches - winning by the following margins: East Tamar 75, Scottsdale 38, Flinders Island 97, West Tamar 49, North East 99, Wilmot 67, Deloraine 25.

The hardest team to defeat was West Tamar, even though scores may not seem to indicate this. Games were played in a very social, and yet competitive manner.

Players participating in the team were: Graeme Boon, Wayne Gillies, Leslie Rattray, Ashley Stone, Ivan Walker, Margaret Bean, Margaret Boon, Greta Harrison, Robyn Miller, Susan Rattray, Vicki Woods. Emergencies were - Berice Rattray, Eric Rattray, Pat Brown.

The above team will now play for the State Country Association Shield, which will be played in Launceston on Saturday 24th July against North West and Southern winners.

FOOTY NOTES

## 'Blind Freddy'

The third round of the season commenced on Saturday, July 3rd, under heavy conditions. St. Helens, Swansea and Campbelltown were the victors over St. Marys, Fingal and Avoca.

St. Helens now moves to third spot on the ladder followed by Fingal, St. Marys and Avoca. The battle continues amid these sides as the final four will not be decided until the last three games.

Football followers will have some great games ahead to watch and many an opportunity to urge their team players on.

The crowds at the games this season must make some G.N.F.L. teams envious of our Association.

While the standard of football in the Fingal Football Association improves every year the lack lustre approach by some players especially to the inter-association game at Winnaleah leaves a lot to be desired in a true 'sporting' attitude to the game in a team and community support. Maybe the word from the N.E.F.U. Coach will rub off in future games.

Congratulations must go however to all players (and coaches) who played in the three games at Winnaleah, as they had two wins out of three and were not disgraced in any way as the standard was good.

All the trainers, match managers and time keepers plus supporters who made the long trip over the mountain must be recognised for without them the games could not be possible. In the Reserves, St. Marys remains undefeated with Campbelltown being the big danger.

When both teams meet at Campbelltown on July 17th it will be the test.

Swansea and Avoca will fight out third and fourth places on the ladder but as footballers are not unlike race horses anything can happen especially with Fingal and St. Helens still having a big chance to make the finals.

Thirds: Swansea & Campbelltown are definitely a cut above the other four sides. The thirds competition is a breeding ground for future footballers and so the lower sides will go all out to beat the top teams and with support and proper guidance from those associated with thirds football should lead to an interesting and more even competition next year. The age of some of these players in the lower teams ranges between 10 and 12 years of age which means that should they continue in football they will have reached the 50 game milestone before they reach senior ranks.

All clubs I'm sure, would like to see more parents and supporters come to these earlier games to give the boys the encouragement they deserve.

Blind Freddy's next game selections are Campbelltown to defeat St. Helens and Avoca to go down to Swansea and Fingal to win over St. Marys on July 10th.

July 17th Swansea to beat St. Helens and Fingal to win from Avoca and Campbelltown to win from St. Marys.

TUESDAY JUNE 29 1982.

The Capital Works Program for the Housing Division in 1982/83 is still under consideration and firm decisions will not be possible until the final details of funding are received from the Federal Government.

Commitments made by the previous Government for elderly persons accommodation at Fingal and St. Marys will be met provided suitable land is obtained. It is unlikely that construction can commence in Fingal prior to November 1982 and May/June 1983 in St. Marys.

Ian Braid.

Forwarded to Valley Voice By

Mr George Shaw, M.L.C.

### ST. MARYS DISTRICT HIGH SCHOOL

#### ALTERNATIVE FUEL PROJECT.

At St. Marys District High School a research project has been attempted by Mr. Allen and a group of students. The project is aimed at producing high grade ethanol from quinces and turnips. Ethanol, an alcohol, can be used to dilute petrol and hence can help in future fuel shortages. It can also be used as a fuel by itself.

The funding for the project came from the Parents and Friends Association who donated \$ 260.00 and from a grant of \$ 1,000.00 from the Schools Commission Innovations scheme. The money was used to purchase equipment and solar panels. Eventually the project is aimed at developing a solar powered still.

So far we have concentrated on building and testing the still. The still is in 6 sections and measures 2550mm in height. The parts of the still include the cap, fractionating columns, temperature control sections and the heating section. Distillation of the ethanol occurs when temperature is at 85°C under reduced air pressure.

Results to date have been as high as 90% alcohol in the first distillation. We are now experimenting to prove whether or not the still can be run off solar panels. Results from preliminary trials indicate that such a still is possible.

In conclusion, our research project has proved to be a worthwhile one with the initial objectives attained.

Written by:

A. Mitchell,

A. Wright.

Thanks to Pupils for this contribution.

The Valley Voice wishes to thank Mr George Shaw for the first information in this column. It is nice to know that the Valley Voice IS read by M.P.'s as well as our local readers, and that they take the time and effort to contribute to our local paper.

A public meeting was held on Friday July 2, 1982 in the A.S.L. Institute at St. Marys, with the purpose of trying to form a St. Marys and district Chamber of Commerce.

It is felt by many in the area, that if a Chamber of Commerce was formed it would help the business people of the town and ultimately all who live in the district.

The meeting was attended by 38 interested people, covering a wide cross section of the community.

Among those present were: Mr Max Burr, M.R.R., Mr Stephen Salter, M.H.R., Mr Bruce Haley, President, St. Helens Chamber of Commerce, Mr R. Yates, Council Clerk, Fingal Municipality.

Mr Bruce Haley gave an interesting and informative talk about the activities of the St. Helens Chamber of Commerce, and endeavoured to show those present the benefits of forming a Chamber. After this, several of those present voiced their opinions.

It was agreed at the meeting to form a steering committee, to investigate the possibility of a Chamber of Commerce being formed.

Those nominated for the steering committee were:

Mr Peter Nicholson, Mr Dale Wright,  
Mr Michael Webb, Mr James Napier,  
and Mr Kevin Faulkner.

#### ST. MARYS FOOTBALL CLUB

An 8-ball Calcutta will be held at the St. Marys Hotel on 18th July, commencing at 1.30pm. \$ 3.00 per head for players.

Big Prizes. Watch footy on T.V.

A great day for all supporters and 8-ball players. Make the effort and come and support your club.

8-ball calcutta, 8-ball calcutta, 8-ball cal..

#### STREET STALL

FRIDAY - 30th JULY.....MORNING

In front of St. Marys Hotel.

The ladies would like more support from players and supporters, with donations of cakes, etc. for sale.

Previous stalls have been left to a few to support, and as the ladies are the back-bone of any football club, they deserve better.

#### CRUTCHES.

The St. Marys District Hospital is running short of crutches. Maybe YOU borrowed a pair of crutches recently and have finished with them now, but have neglected to return them. If so, would you please return them as soon as possible.

Crutches are loaned by the hospital, free of charge, but they are quite expensive to buy. Have you looked through your garden shed, attic, garage, spare room, cellar etc. recently? Maybe you have a pair of crutches you would care to donate to the hospital? Donations would be kindly received and greatly appreciated by Matron and staff.

PLEASE RETURN BORROWED CRUTCHES AS SOON  
AS POSSIBLE!

PLEASE RETURN BORROWED CRUTCHES AS SOON  
AS POSSIBLE!

MEALS ON WHEELS

ANNUAL GENERAL MEETING, for FINGAL VALLEY group was held at the St. Marys District Hospital on 11th May 1982.

AGENDA COVERED:

- (1) Minutes of previous Annual-General Meeting.
- (2) Report from the Chairman, Mr Bob Yates.

"It is again my pleasure to give a short report on behalf of the Meals on Wheels-Fingal Valley group, covering its activities for the past year.

This service is now in its 11th year of operation and for the year ending february, a total of 3,649 meals were served in the St. Marys, Cornwall, Fingal and Mangana areas. This figure is some 774 less than the previous year.

We have a driver's roster numbering 93 at present, and we would welcome new drivers, if available, as we have lost a number of drivers during the year for various reasons.

One area of concern has been that on an increasingly number of occasions, drivers have failed to report for meal delivery. This causes consternation to the hospital staff who are not aware if the particular driver is merely late, or is not coming at all. A relief driver then has to be found and the result is a colder meal than we would like to deliver.

But rather than labour this point, I would prefer to thank the many drivers who regularly perform their task with reliability and interest, and I know that they consider themselves repaid, by the gratitude shown by the recipients who receive their meal with great anticipation and with appreciation.

Drivers should take some pride in the fact that they are performing a very worthwhile community service, for without their help the Meals on Wheels service would not exist.

The committee has had a good year in that the whole operation has run smoothly, and I would like to express my thanks to the Committee members for support and interest. I would particularly like to mention our hard working Secretary, Mr Jack Miller, who has been an active member of Meals on Wheels since its inception back in 1975.

The group is in a sound financial position and the cost of meals has remained at \$1.00. We have continued to make a donation of \$200.00 each year to the Tasmanian Meals on Wheels Association, that is used to assist non hospital based services, where the cost of meal preparation is much higher.

Special thanks to the St. Marys Hospital staff who under the superintendence of Matron Lavelle and cook Mr Paul Ashley, turn out appetising meals each day. Matron Lavelle is also a valued member of our committee. Also our thanks to Sr. Joan Refshaw for her work in the field and on the committee.

Con'd next column

Con'd from previous column

The committee would also like to record its thanks to the St. Marys Lions Club for providing cakes for distribution with meals at Christmas time.

Finally, may I thank all those who helped during the year in so many ways, and we trust that the service will continue to perform its function in the future.

\*\*\*\*\*

- (3) Financial Report from Mr Rubenach.
- (4) Election of Office Bearers for coming year --as follows:

President/Chairmen: Mr Bob Yates  
 Vice President : Mrs Ruth Saunders  
 Secretary : Mr Jack Miller  
 Treasurer : Mr Les Rubenach  
 Committee : Mrs H Lodge,  
 Mrs M Bullock, Mrs D Bullock,  
 Mr S Lowe, Mrs P Berwick and  
 Sr J Refshaw.

- (5) Minutes of last General Meeting
- (6) Treasurer's Statement
- (7) Donation of \$200.00 to the State Assoc.
- (8) Report of Annual-General meeting of Tasmanian Meals on Wheels Association.

Overall decrease in meals delivered in Tasmania for 1981 of 4,690, but the total meals delivered for the year was 303,193.

Mr Jack Miller (Fingal Valley) is a state committee member and has been for some time.

Next meeting Tuesday, August 10th-7pm at the St. Marys District Hospital.

\*\*\*\*\*

FINGAL VALLEY WELFARE COMMITTEE

The 1st General meeting for 1982 of the Fingal Valley Welfare Committee for Senior Citizens, was held at the St. Marys District Hospital on 11/5/82.

AGENDA:

- (1) Minutes of previous meeting, (112)
- (2) Election of office bearers  
 Chairman : Mrs Una Camplin  
 Secretary : Mr Jack Miller  
 Treasurer : Mr Les Rubenach  
 Committee : Rev. Peter Walker, Mrs K Cooper,  
 Mrs A Jarvis, Pastor C Purton,  
 Mr S. Lowe, Mr R McGee,  
 Mr N Bradbury,  
 Matron Lavelle (CO-OPTED MEMBER)
- (3) Discussion re home units in the Fingal Valley, and future outcome.
- (4) Report from a very successful seminar held by the Tasmanian Council of the Aging, in Hobart recently on 'Welfare available to the Elderly in Tasmania'.

Next meeting Tuesday 11th August at St. Marys District Hospital at 8pm.

\*\*\*\*\*

NOTICE

A meeting will be held in the Salvation Army Hall, this Sunday 11th July at 3.00pm.

Conducted by Major Jeffrey and songsters from Launceston.

Everyone welcome.

Transport needed - ring 722319 - A. Scales.

# LETTER TO THE EDITOR

Sir,

As an observer at the public meeting held Friday July 2, it seems to me that St.-Marys citizens are tired of being the 'forgotten township of the Valley', judging by the many who attended.

I have always felt that those who lived in St.Marys were content to live in a 'sleepy little village', oblivious of the fact that the little town could become a ghost town and they couldn't care less.

But after listening to comments made after last week's meeting, maybe I'm wrong. People do care, but they just don't know what to do about it.

I would like to say here and now: If you do care, speak up. Make your presence felt and heard and speak to someone who can help. Attend the next meeting proposed and show you are interested.

St.Marys has great possibilities if people are prepared to get off their butts and do something. Anything!

The tourist potential hasn't been tapped at all. There is no caravan park, no tourist information at all, not even a brochure to show all the interesting bush-walking areas. We have lovely scenic views for those who like hill climbing. We have an excellent golf course, a tennis club making improvements all the time, and with a little thought and action, the trout fishing could be made an international feature.

Another thing which needs attention is the non-existent sewerage system. If the sewerage system came about, more property which doesn't have adequate drainage could be utilized.

And what about a drive-in cinema? How about a museum featuring coal-mining from the past?

Maybe some enterprising person or persons, could come up with a country club. This would be ideal for the district.

We have to make tourists want to stay longer in St.Marys. Not just for 10 minutes to make use of the public conveniences, but for hours, or even days or weeks. Give them something to see. Feel ashamed to say when someone asks "What is there to see around St.Marys?, and you have to answer, "Not much around here,mate". Do something to change that fact.

All we need is for someone to make a move. I am sure if the ball started rolling, every citizen in St.Marys would do something to help in their own way.

Perhaps the way to start is by attending the next meeting called.

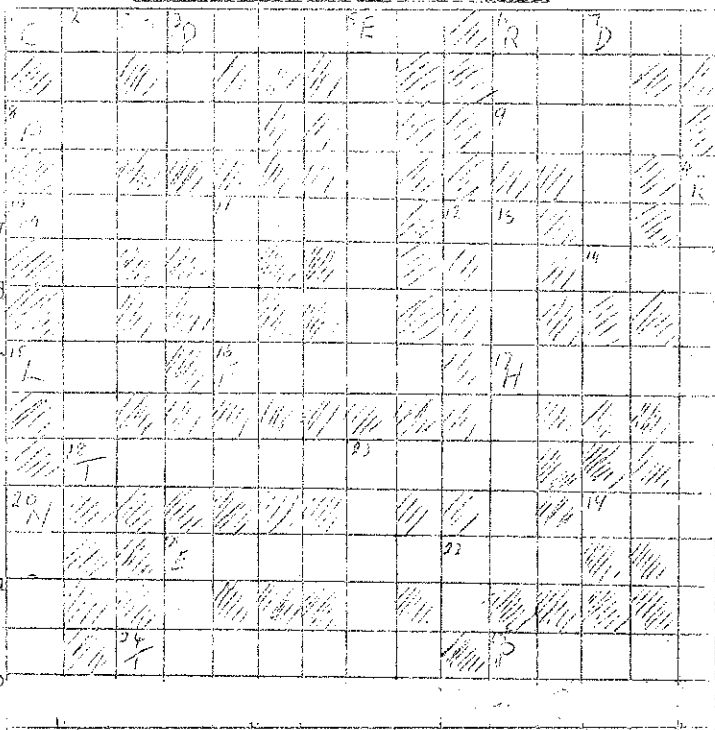

(Signed) Interested Citizen.

Editor's note

The Valley Voice agrees with the thoughts of 'Interested Citizen', and will make known the date of a meeting being called, to form a committee of members of the public who are interested in the development and betterment of the St.Marys district.

"GOOD JUICE".

# STARDUST

BY LADY LUCK.

FORTNIGHT BEGINNING JULY 9, 1982.

CANCER: June 22 - July 23

You may have difficulty thinking clearly in July, so don't be frightened to seek advice from others. If the problem is money, be wary about borrowing at this time. There may be an opportunity to travel within your job. LUCKY NUMBERS: 7, 15, 25, 31.

LEO: July 24 - August 23

An increase in pay packets may occur around your birthday-so don't waste it. A family member may leave home but it will be for the best. Children will bring joy to parents during July.

LUCKY NUMBERS: 9, 13, 22, 29.

VIRGO: August 24 - September 23

July is a good month romantically, and you could decide to put a relationship on a more permanent footing. If you are careful about money matters this month, the rest of the year will be easier to cope with. LUCKY NUMBERS: 5, 12, 24, 28.

LIBRA: September 24 - October 23

A second honeymoon could happen for many soon. A few tears could be shed as young ones leave the nest for the first time. A visit from the stork could surprise many within your circle of friends.

LUCKY NUMBERS: 8, 17, 22, 33.

SCORPIO: October 24 - November 22

A wedding in the family could cause mixed emotions. One member of the family who has been overseas recently is due home. Investments you have been contemplating should be deferred until later in the year. LUCKY NUMBERS: 3, 17, 19, 26.

SAGITTARIUS: November 23 - December 21

Although you thought present relationships were heading in the right direction, there will be a parting of the ways. Be tolerant of elders who come to stay in your home. Children will keep you fully occupied in July. LUCKY NUMBERS: 6, 14, 30, 39.

CAPRICORN: December 22 - January 20

If you are recovering from a broken romance, things will start improving soon. Recently retired senior citizens could soon go on a 'trip of a lifetime'. Get more involved in community projects, they could prove most rewarding. LUCKY NUMBERS: 5, 18, 24, 32.

AQUARIUS: January 21 - February 19

You should be able to relax and enjoy July, even if it isn't in the sunshine. Teachers could find transfers in the offing, to places they have always wanted to go, since they became teachers. Don't let jealousy devour you. LUCKY NUMBERS: 2, 3, 10, 39.

PISCES: February 20 - March 20

July could be a lucky month for those who enjoy a 'little flutter' on the gambling scene. It could also be a good month to begin a cruise. Romantic attachments could form because of holidays taken now. LUCKY NUMBERS: 8, 9, 26, 35.

ARIES: March 21 - April 20

You may find yourself spending more money than you are earning. Be careful to check any contracts you may be entering into, before you sign on the dotted line. A member of the family will set a wedding date. LUCKY NUMBERS: 9, 18, 20, 32.

TAURUS: April 21 - May 21

Now that June is over, you will find that your life settles into a more smoother routine. You may have to help a younger member of the family who has urgent financial problems. Remember to keep fit at all times. LUCKY NUMBERS: 16, 34, 35, 40.

GEMINI: May 22 - June 21

Although some partnerships will come to a 'parting of the ways', most will remain good friends. July could see long-lasting problems become settled. There should be happy times ahead with family members, especially those who haven't been home for a long time. LUCKY NUMBERS: 7, 20, 25, 35.
