A LOOP IN THE LINK

I'M SURE THERE ARE NOT TOO MANY PEOPLE ON THE EAST COAST AND THE FINGAL VALLEY, OR INDEED, ALL OVER TASMANIA, WHO HAVEN'T AT SOME TIME VISITED FOUR-MILE-CREEK, AND SAT LOOKING OUT TO SEA AND MARVELLED AT THE PEACE AND SERENITY OF THE AREA.

THE PEOPLE WHO HAVE CHOSEN TO LIVE THERE, OR HAVE HOLIDAY HOMES THERE, HAVE CHOSEN THE SPOT I AM SURE, FOR THE PEACE, SOLITUDE, BEAUTY AND CONTENTMENT THE LITTLE HAMLET AFFORDS.

ACCORDING TO RECENT REPORTS IN THE PRESS, RESIDENTS COULD BE IN DANGER OF LOSING SOME OF THE TRANQUILITY AND PEACE OF MIND THEY NOW ENJOY, IF IT IS TRUE THAT THE PROPOSED LINK-ROAD IS TO GO ALMOST THROUGH THE CENTRE OF THE EXISTING HOMES, APPARENTLY WITH THE POSSIBLE LOSS OF AT LEAST ONE HOME.

IF THIS IS TRUE, HOW MUST THOSE PEOPLE FEEL WHEN THEY REMEMBER ALL THE HARD WORK THEY HAVE PUT IN OVER THE YEARS, TO FINISH THEIR DREAM, POSSIBLY SPENDING MANY WEEKENDS AND HOLIDAYS AND MANY HOURS WORKING HARD TO COMPLETE THEIR GOAL? TO SEE ALL THAT GO BEFORE A BULLDOZER MUST BE HEART-BREAKING.

MY SOURCES INFORM ME THERE COULD BE AN ALTERNATIVE ROUTE AVAILABLE, AT THE BACK OF ALL THE RESIDENCES, WHICH WOULD PLEASE EVERYONE, (EXCEPTING PERHAPS, THOSE WHO STILL DON'T WANT THE HIGHWAY TO GO THROUGH AT ALL).

AT THE PRESENT, HOLIDAY MAKERS CAN FEEL REASONABLY CONTENT WHEN THEY LET THEIR CHILDREN RUN FREE, TO A CERTAIN EXTENT, AND THIS IS BECAUSE THE TRAFFIC FLOW AT PRESENT IS MINIMAL.

BUT WHAT HAPPENS TO PEACE AND QUIET WHEN TRAFFIC IS INCREASED AND PARENTS HAVE TO KEEP A WATCHFUL EYE AT ALL TIMES? NO-ONE WILL GET ANY ENJOYMENT FROM THEIR LONGED FOR HOLIDAY EACH YEAR, SOMETHING THEY HAVE BEEN ABLE TO REALLY APPRECIATE FOR MANY YEARS.

I WOULD THINK I AM NOT WRONG WHEN I SAY THAT THE BUSINESS SECTOR OF THE 'FORGOTTEN' LITTLE TOWNSHIP OF ST.MARYS DO NOT WANT THE LINK-ROAD TO GO THROUGH ALONG THE COAST, BY-PASSING ST.MARYS, BUT IT LOOKS LIKE IT WILL HAPPEN, AND WHAT WILL HAPPEN TO ST.MARYS?

MOST BUSINESSES IN ST.MARYS WOULD NOT BE PROSPEROUS, WHEN COMPARED TO THOSE ALONG THE COAST WHO HAVE THE ADVANTAGE OF THE TOURISTS WHO STAY OVERNIGHT, OR WEEKS AT A TIME. WILL OUR LITTLE TOWN SURVIVE?

I REALISE THE TOURIST DOLLAR IS NOT WIDELY SPENT IN OUR AREA, BUT EVEN A FEW CENTS FROM OUTSIDE REVENUE, MUST BE A HELP TO MOST BUSINESSES.

IF SOMETHING ISN'T DONE TO IMPROVE THE AREA, OR MAYBE ADD SOME TOURIST ATTRACTION WHICH WILL MAKE THE TRAVELLING PUBLIC WANT TO VISIT ST.MARYS, SUCH AS THE ENTERPRISING PEOPLE OF THE MIDLANDS HAVE DONE, IN THOSE TOWNSHIPS WHICH HAVE ALREADY BEEN BY-PASSED, ST.MARYS MAY END UP A DYING MEMORY.

IT MAKES ME FEEL VERY SAD TO THINK ABOUT IT.

POST OFFICE NEWS

Philatelists who ordered the St. John Ambulance First Day Cover signed by the designer, Tim McCauley, are advised that they are now awaiting collection at the Post Office. I would like to thank you for your keen interest and am sure you will be happy with the outcome. Also, while you are at the Post Office, have a look at the display of old and new telephones and also the New Stamp Issue depicting Butterflies. They are certainly a set of colourful and interesting stamps. Also, to whom it may concern, the Public Toilets are now located at the park behind the Library, and not in the phone boxes.

LETTER TO THE EDITOR

Are the ratepayers aware of the
Council's decision to fund a doctor
for Fingal to an amount of \$10,000.
This money will be taken from the
State governments grant to the
municipality and the amount will be
divided between each ward to mean
that \$2,500 less will be spent in
each ward. As the St. Mary's ward
has it's own doctor, we do not con-
sider a contribution from St. Marys
necessary or desirable.

CONCERNED RATEPAYER.

I would like to express my sincere
thanks to my grandparents, relatives
& friends, my boss Peter and wife
Sandra, to the public of St. Marys

to Canberra. Most of all my gratitude
should go to my parents for taking me
to and from training and also my
brother and sisters.

MEALS ON WHEELS

The Annual Report in March indicated that for the past twelve months, 3,322 meals were prepared and distributed to citizens at St. Marys, Cornwall, Fingal and Mangana.

The committee met regularly during the year and was happy to report that no major problems emerged to disrupt the system of meals distribution. The only concern was that occasionally a driver will not turn up to collect meals for delivery as rostered. This inevitably means a somewhat cold and late meal for the recipients, even though emergency action is taken on these occasions, to rectify the situation by finding a relief driver, but can prove a difficulty at times. The committee is open to suggestions to remedy this.

Despite recommendations, the price of meals has remained the same for now, and must be regarded as good value with present day food prices.

A donation was made to the Meals-On-Wheels Association of Tasmania, to be used to assist the less fortunate non-hospital based groups who have to bear much greater costs to provide a meals service.

The President thanked the committee members for their work and interest during the year, the hospital kitchen staff and among others the many drivers who give generously of their time, kindness and goodwill in helping to maintain a valuable community service.

FOUR MILE CREEK - CHAIN OF LAGOONSLINK - ROAD

A meeting held at Four Mile Creek on Sat. June 11, was well attended by residents, Holiday Home owners, and people who visit the area frequently for holidays.

Also in attendance were Mr Stephen Salter MHA, and the Warden of Fingal Municipality, Mr Donzil Casbault. (Mr Andrew Lohrey, MHA, visited the area earlier that morning).

After listening to the views of property owners as to the impact of a highway being constructed either running through or too close to the township of Four Mile Creek, Mr. Salter said that he and Mr Lohrey would report these views to the Minister for Main Roads, Mr. Ian Braid. A petition has been signed and will be presented to the Minister, to ask that the Link road by-pass Four Mile Creek, no closer than 1km to any existing dwelling.

Those who attended the meeting wish to thank Mr Salter, Mr Lohrey and Mr Casbault, for their time and interest shown in the problem.

"TWENTY YEARS HARD LABOUR"

by Maurice Nailer
and family.

As a shack owner at Four Mile Creek, I feel threatened and disturbed by the proposed route of the link up road between Falmouth and Chain of Lagoons.

We have always enjoyed the quiet and peaceful lifestyle that Four Mile Creek affords us. Rumours and speculation have been filtering through from the Department of Main Roads, but as yet we have not been approached by any representatives from this department to allay our fears with regard to this issue.

My family and I are particularly perturbed, as we have been told by an unofficial source that our shack may be in the path of the proposed route.

We would hope that a definite decision is not made until residents and shack owners have been approached and discussions have been entered into, as to the best solution for all parties concerned.

We would also ask that the Government give full consideration to the solitude and beauty of the Four Mile Creek area, and that all efforts be made to preserve these features.

MAX BURR, PRESS RELEASE.

The Four Mile Creek connector road should not be seen as just another deviation on the Tasman Highway. "The new road works between Falmouth and Chain of Lagoons will solve many problems for tour operators using the Tasman Highway but it should not be developed without due consideration being given to the local community," Mr Burr said. "Following representations from many property owners at Four Mile Creek I have asked the State Minister for Main Roads, Mr. Ian Braid, to get his department to prepare alternative plans and costing so that the new road will not only improve travel along the East Coast but will enhance the area it services. "The local residents are petitioning the government with a suggestion that the new road be no closer than one kilometre to the existing settlement and I fully support that requirement. "The interests of existing property owners should be protected and the future potential of the area fully catered for in any planning by the Minister's department. "The magnificent beach in the area gives Four Mile Creek great potential for development and correct planning now could save added expense in future years." The link road was initiated by Mr. Burr 12 months ago to be funded under the Bi-centennial Road Scheme

SECRET CODE.

A friend of mine who is employed in the engineering department of a large instrument company was looking over drawings and specifications for a new instrument which had just been ordered by one of the firm's biggest clients. Attached to the papers was the coded instruction "Mil Tdd-41." Not being familiar with that particular designation, he looked it up, but was unable to find it in any of his technical journals. Finally he placed a trunk call to the customer. "Would you mind telling me what "MilTdd-41" ?" he asked.
"Sure, I'll tell you," the customer said.
"It means "Make it like the damn drawing for once."

The State Professional Development Committee through its northern regional committee is inviting parents who would be prepared to work in the area of professional development to apply for one of the Parent Liaison Officer appointments.

It is proposed to appoint five officers - one in each of the Northern Midlands, the Fingal Valley and East Coast, the North East, the Georgetown and the Launceston sub-regions.

The Committee is inviting principals to discuss this opportunity with suitable and interested parents. Those wishing to apply for one of the positions should do so in writing to the Regional Development Officer.

The duties of the Parent Liaison Officer will include the promotion of the School Improvement Program and other programs for parents. Successful applicants will not necessarily have had previous work experience in areas of education. They will be expected to work with teacher and parent groups in formal and informal settings.

The work load will be negotiated with schools, parent groups and the Regional Development Officer. Payment will be at a rate of \$14 per hour and travel costs will be reimbursed at usual rates. It is envisaged that there will be times of considerable activity and times of relatively few demands, if any.

It is proposed to interview selected applications on Thursday June 30th and to complete appointments the following week. An initial training session will follow soon after.

For more information regarding this position please contact the Principal.
