VOLUME 17 NO 22 APRIL 26, 1985

PRICE 20c

REGISTERED BY AUSTRALIA POST

PUBLICATION NO. TAC 0219

G. A. S. P.

G.A.S.P. is a group of people from cities and rural areas and many occupational groups who are opposed to the Government proposal to build a Coal-Fired Power Station.

We believe the station is an enormous step in the wrong direction for Tasmania. A step from a largely clean state to an industrial one.

Such a station has enormous health and pollution problems, impossible to control. It will damage valuable existing industries, such as Tourism, Fishing and Agriculture. The employment created will be short term and enormously expensive, particularly in view of the current doubt about our future needs.

Overseas and Australian research establishes that Coal-Fired Power Stations increase health problems and death rates in a community.

Coal-Fired Power Stations cause increased respiratory disorders, such as Asthma, Bronchitis, Croup and Cardio-Pulmonary problems. Incidences of Cancer such as lung and skin Cancer also increase.

A Coal-Fired Power Station of the size planned by the Government emits about 40 Tonnes of Sulphur Dioxide and 3 Tonnes of Nitrous oxide per day. These are invisible deadly gases that will not be controlled and cause various respiratory problems.

A Coal-Fired Power Station will, in spite of filters, emit about 8 Tonnes of fine ash and dust known to cause respiratory problems and lung Cancer.

Burning coal in this station at a rate of 3-4,000 Tonnes per day produces about 3 train loads of waste ash each day. This ash is high in carcinogenic and radioactive qualities.

The American Medical Association in 1978 stated that "A coal-fired power plant each year results in 400 times as many deaths as does an equivalent nuclear power generating plant".

Research in Japan and America based on 1,000w stations has established that numbers of deaths from respiratory disease alone range from 20-100 per year. The U.S. National Academy of Science puts the figure at 50. Other research in America suggests that the

overall number of deaths from coal burning is 48,000 (3percent of total deaths) in that country.

In Japan in 1976 a study of 9 year old children and under, in industrial areas showed that over 50 per cent of the children were suffering from astmatic or bronchial complaints which can be attributed to SO₂.

In the Hunter Valley over the past 2 decades the death rates have been 5 per cent higher than the rest of N.S.W. This includes incidences of several cancers, twice as high as the national average.

The radioactive discharge from coal-fired power stations has consistently been shown by research to be much higher than from equivalent nuclear power stations.

DIABETES AWARENESS

Just recently the Lions Club of St. Marys conducted a successful Blood Pressure and Diabetes check. Diabetes can and does have sight related problems.

Diabetic retinopathy results from abnormalities of the tiny capillary blood vessels in the retina - the light sensitive tissue at the back of the eye which transfers visual impulses to the brain via the optic nerve. In some cases, this causes edema - an accumulation of excess fluid - which damages retinal nerve cells and causes loss of central vision.

In other cases, capillary abnormalities can lead to repeated proliferation of fragile new blood vessels which may rupture, causing hemorrhage or may scar and contract, leading to retinal detachment. In any of these situations, severe loss of vision, even blindness, may result.

Approx. 200 million people are now afflicted with diabetes and are at the risk of losing their sight due to diabetic retinopathy. In developed countries, diabetic retinopathy is the number one cause of new cases of blindness in adults.

WHAT'S ON

The Fingal Historical Society met on April 10th for their monthly meeting. We were pleased to welcome a resident from Storeys Creek, who is working on the history of the St. Creek township and the mining industry. Also apologies were received from St. Marys residents who are interested in setting up their own Historical Society. We have a display in the Fingal Library at the present, headed "Fingal Valley at War" along with micro-film photos of the enlisted men from the valley who served in the 1914-1918 war. It is our intention to have a display every month on some topic dealing with our valley. The next meeting will be held on June 12th at 7.30p.m. at the Library. New members are most welcome.

FINGAL VALLEY POLICE & CITIZENS YOUTH CLUB. A camp was held in conjunction with Scottsdale P.C.Y.C. over the weekend 19th-21st at Forrester. The children thoroughly enjoyed the camp and are anticipating another camp in the near future. The milk carton raft recently built by the youth club members proved (floated) a great success. The remains were sent home for repairs and future use, much to the disappointment of Scottsdale. Members of the Youth Club take this opportunity to extend their appreciation to Mr. Colin Loane for his time and effort in supporting the Youth Club during their recent visit to the camp at Forrester. Thank you for your support Colin. Next General Meeting to be held on 2.5.'85 at 7.p.m. at St. Marys Hotel.

Please note:

29.4.85. Grade 5 & 6 & Seniors (swimming at St. Helens) Parents are asked to help provide transport at 6 p.m. sharp at Youth Club Hall. \$2.00 per child.

Combined Parish Service and Luncheon - Fingal Luncheon 12.00 noon followed by 2pm Service.

"WHAT MAKES A CHURCH GROW"

The Parish Councils of the Anglican Parishes of St. Helens and Fingal Valley have joined together in bringing from Melbourne the Rev. Graeme Sells to conduct on our behalf a weekend of seminars and teaching on Church Growth. This should be a very exciting time for us and we stand to gain enormous benefit through his expertise in this area.

ANGLICAN CHURCH FINGAL VALLEY

He will help the parishes to come to grips with the reasons why our churches are not growing as they ought.

Just think - in the 1981 census there were 772 people in the Fingal Valley who claimed to be Anglican and yet we only every see about 60 per week. This event could well be the most important thing done by these Parishes for decades!

SPORTS

TENNIS NEWS

The St. Marys Tennis Club will wind up a most successful 84-85 season at its annual dinner on Friday 26th April.

This year both pennant teams were successful in participating in the finals series. However, St. Marys Blue was defeated by Falmouth in the 1st semi. Congratulations to Falmouth on reaching the preliminary final in their first year of East Coast Pennant.

The St. Marys Red Team played Bicheno in the grand final on Sunday, 21st April, with Bicheno the victors. Scores were 5 sets to 4, although the overall games score was 47 to Bicheno 40. Tennis was of a very high standard and in the 9 sets, 2 tie breakers went in Bicheno's favour. Congratulations to the Bicheno team of Mark Oliver, Julie Robinson and Teresa Buoy. The St. Marys team was Stephen Cooke, Maureen Bushing, Neil and Jenny Stewart, Terry & Di Smith with Annette Bushing and Andrew Wright as emergencies.

Our second court was finally completed this year and the existing library will be re-sited for use as clubrooms by the Tennis Club. Our appreciation is extended to the Fingal Council and other community members who have given help in making it possible for us to improve the tennis facilities for our town. It is hoped that more people will join the club in the next season to ensure the future of tennis in St. Marys.

In tournaments held over the past few weeks some excellent tennis was seen and it is hoped that some of the younger players will continue to play. It was a little disappointing that there were very few girls taking part but pleasing to see so many boys interested. Congratulations are extended to all winners.

	<u>Winner</u>	<u>Runner-Up</u>
Boys	R. Faulkner	Jason Lynch
Girls	P. Faulkner	Jody Dragovic
Ladies	D. Dawson	Y. Salter
Mens	S. Cooke	Neil Stewart
Mixed	R. McDonald	Robert Schier
Doubles	M. Bushing	Debbie Dawson

We look forward to an even better 1985-86 season and invite all people interested in tennis to become members of our Club.

Game 3. Smurfs d Tigers 3-0 (15.1, 15.4, 15.8) Di Smith and Mary Targett best for Smurfs. M. Aulich best for Tigers.

Game 2. Kiwis d Nitwits 3-0 (15.0, 15.3, 15.0) Jos Lynch, Vanessa Aulich and Simone Lynch best for Kiwis.

ST. MARYS DISTRICT HIGH SCHOOL

PARTICIPATION AND EQUITY PROGRAMME

P.E.P.:

P.E.P. is a Commonwealth Government funded scheme which aims to provide an equal opportunity for education to all Australian children for full secondary school (beyond Grade 10) and, specifically, to retain students who would otherwise end their formal education at Grade 10 due to isolation, economic problems, lack of motivation and lack of knowledge of what is available.

Towards this end, Mrs. Jenny Thorp has been appointed to review the school curriculum and to ascertain means of encouraging students to continue their education beyond Grade 10.

Mrs. Thorp is anxious to talk with parents and interested members of the community individually or in small groups. She would also like to talk with community groups or representatives of those groups so that a fair case can be prepared.

Mrs. Thorp will not be at the school every day as her task will involve considerable travel and documentation. The school will, however, know her timetable a week in advance. So, if you would like to talk with her, please contact the school to arrange a convenient time.

COMPUTER CLUB:

The next Computer Club meeting will be held at this school on Tuesday, 7th May at 7.00 p.m.

A high-resolution colour monitor and Microbee voice synthesiser will be available.

The club is not just for "programmers" but also for other adults and students who are interested in gaining an understanding of computers.

THE SCHOOL CERTIFICATE:

The School Certificate is issued to most students at the end of Year 10. Some students who do not complete four years of secondary schooling can get Preliminary awards.

A few schools have chosen not to enter their students for the School Certificate or to enter them in a very limited number of subjects.

The Certificate shows the degree of difficulty of the syllabus a student follows - the LEVEL, and how successful the student has been in studying it - the AWARD.

Three levels are provided in most subjects:

Level III, the most advanced, is taken by about one-quarter of students.

Level II, is taken by about one-half of students.

Level I, is taken by about one-quarter of students.

Students can get one of four awards at each level of study:

C - Credit (top 10-20% at the level)

H - Higher Pass (the next 10-20%)

P - Pass (50-60% at the level)

L - Lower Pass (10-20% at the level)

In December of their School Certificate year students get a RESULT SLIP which gives a brief statement of the awards their School Certificate will contain. The Result Slip shows all the subjects in which a student has been assessed including any in which no award (N) has been gained although such subjects will not appear on the certificate.

*Preliminary Awards (P) are given at appropriate levels to students who do not complete Year 10.

The School Certificate records assessments made in the school by the students' own teachers. A system of regional meetings of teachers is used by the Schools Board to set and maintain comparable standards between schools. These meetings are made up of teachers in a subject from each school in the region with senior teachers of the subject in the chair. The work of the various regional groups is coordinated at State level by an experienced person in the subject area.

Many different methods are used to achieve comparable results and the Schools Board always encourages subject teachers to develop more efficient procedures.

Diabetes Awareness con'd from page 1

The following statistics underscore the enormity of the problem:

* Approx. 5,000 new cases of blindness caused by diabetic retinopathy are estimated to occur each year in the United States alone.

* Fifty percent of all patients with diabetes have retinopathy ten years after diagnosis.

* More than 80 per cent of diabetics have some form of retinopathy 15 years after diagnosis.

In support of the Lions Clubs International Diabetes Awareness Program, LCIF has granted over US\$500,000 for diabetic retinopathy research since 1982.

NETBALL NEWS

BY "ON-COURT"

This year the St. Marys Netball Club re-affiliated with the Fingal Valley Womens Netball Association.

We play the same roster as the footballers. Our coach is Sandra Gillies, and the assistant coach is Sue Fisher.

Season '85 got underway on Sat. 13th April. Our team played St. Helens who were last year's premiers.

Although only our first game, we played reasonably well but even so St. Helens had a 10 goal advantage at half time. Despite a much improved second half, and although the lead was reduced considerably we didn't succeed, and lost by 2 goals. This was heartening and certainly showed we have the potential within our team to succeed this year.

Our second game of the season was against Fingal, who were runners-up in last year's Grand Final. The game was a disappointment for all, at least as far as St. Marys was concerned. We lost by 13 goals and we were never in control of the game.

This week we play Campbelltown, and with a revised team we hope to achieve our first win. I'm sure everyone wishes the coaches and team well this season and I hope they receive the support they deserve. The team is: Annette French (Capt), Andrea Hayes (Vice-Capt), Cindy Williams, Janice Tapp, Bonita Hayes, Helen Fisher, Kristine Barr, Haley Thomas and Sharon Smith.

CONGRATULATIONS and best wishes to Mr. & Mrs. Roy Singline who celebrated their 56th Wedding Anniversary on April 23rd.

ST. MARYS INDOOR BOWLS TOURNAMENT.

The North Eastern Clun team of Jim Fonting, Addie Bishop and Rita and Euan Miller won the St. Marys Lions Club Senior Citizens Bias Bowls Tournament at St. Marys on April 18th, when they defeated the St. Marys Club team of Jean Gordon, Alf Faulkner, Marg and Linda King. The Perth Club team of Margaret Eberhardt, Margaret Palmer, Betty Campbell and Dallas Gerke finished third, defeating another Perth team in a play off for third and fourth position. The Tournament was Officially opened by the Warden of Fingal Cr. Denzil Casboul, and prizes presented by Mr. Ron Sumner representing St. Marys Lions Club. The President of the Northern Regional Committee, Wal Targett donated a Perpetual Shield for competition in the Tournament to be held for 12 months by the winning team, whose names will be engraved on it. 32 teams took part, and all visitors expressed delight at the efforts of the Silver Threads secretary, Mrs Lynda Mitchell and her willing band of helpers, in providing the excellent Luncheon provided for visitors. The proceeds from the Tournament will be used towards the hiring of a bus to take Silver Threads Bowlers to other Bowls Tournaments. The winners of the raffle were:- 1st. Mrs. Kath Cooper, St. Marys, 2nd. Mr. Harry Tuck, St. Marys and 3rd. Mrs Una Camplin, Cornwall.

Members of the Silver Threads Club (Seniors Citizens) wish to thank everyone who helped in any way to make the 4th Bowls Tournament so successful, especially thanking our sponsors, The St. Marys Lions Club, Mr. Vin Brown, Deloraine our organizer and Mrs. Daphne Denney, Mrs. Una Curtis, Mrs. Kath Blair and Betty Newman who did a marvellous job with the food, also Annette French who helped Mr. Brown. We also thank Sams, Supa Valu and Health and Beauty for the raffle prizes and Cornwall, St. Helens and The Golf and Bowls Clubs for the loan of th mats. Once again thanking everyone.

THANKS must go to Mrs. Margison, Mrs. Vicki Barr and Charlotte Jones for giving their valuable time to keep the ST. MARYS COMMUNITY SHOP open.

THE TASMANIAN DANCE COMPANY

THE Tasmanian Dance Company brings to St. Marys and Bicheno an exciting program of modern dance works. Highlights of the program will include work by leading Australian choreographers Graeme Murphy, Nanette Hassall and Graeme Watson. The Tasmanian Dance Company was launched four years ago as a national pilot project by the Federal and Tasmanian Governments to operate as Australia's first Dance-in-Education team. As an extension of its residency program, the company presents adults performances in regional areas throughout Tasmania, including a season in the major centres, appears at Festivals and community events and undertakes one interstate tour each year.

"Sequenza V11", one of Graeme Murphy's early works, is a humorous piece drawing on the gestures and territorial habits of animals. It was first performed by the Tasmanian Dance Company in September 1982 and has been enjoyed by audiences throughout the state since then.

Also included in the program is "Private Life", choreographed by Graeme Watson. This piece provides a glimpse of gestures in social situations, relationships and the new wave fashion trend. Other highlights of the program include "Every Little Movement", co-choreographed by Beth Shelton and Anne Thompson and "Putting Edges Together" by Sally Gardner.

"Every Little Movement" draws on the gestures, postures and signals which form a basis for communication between people. The gestural details and the formal concerns of the work are combined in a highly entertaining and accessible way.

In "Putting the Edges Together", the possible "folding actions" of the body and the activity of "folding" towels are woven together.

THE TASMANIAN DANCE COMPANY will appear at the BICHENO TOWN HALL on May 9 at 8.00pm

R.C.W.A. TEENA QUEST

Under age Rage - Disco
Adult Supervision \$1.00 admittance
Chips and Drinks available
Door prize & games
Friday 3rd and 17 May in R.S.L. Hall
7.00pm - 10.00pm

GARDEN CLUB MEETING for April has been cancelled owing to sickness and other commitments. Next meeting will be May 30th which will be THE ANNUAL MEETING. There will be more details later.

Fingal Garden Club are holding their annual meeting on May 14th 1985 at 2.00pm at the Uniting Church Hall. All members and friends are most welcome.

M. Bosworth
Sec.

BREAD & CHEESE LUNCHEON The money raised was \$70, all bread and cheese being donated. This money is for the Ethiopian Famine and will be forwarded by Father J. Medwin.

The next Bread & Cheese Meeting will be at Fingal in June followed on by one at St. Marys in October.

THANK YOU

DANA & MICHAEL wish to thank all the staff of the St. Marys District Hospital, especially Margaret Lavelle, Jane McNaught and Tomi Smith who helped at the birth of their son Rhet.

ST. MARYS ATHLETIC CLUB SPORTS

25th Dec. 1929.

The St. Marys Athletic Club held their postponed sports meeting on Christmas Day, and though weather conditions were much more favourable than on Wednesday (the original date fixed), there was only a moderate attendance. Keen interest was displayed in the chopping events. Mr. R.E. Salter worked energetically as secretary. The St. Marys Brass was present and under the baton of Mr. J. Madden, rendered items throughout the afternoon. The following are the results of the various events:-

10inch Chop First Heat

R. White (hdcp 13secs) 1st

P. King (18) 2nd

Second Heat

O. Royle (20) 1 J. Curran (14) 2

MULLALA STATE GATHERINGS

The Mullala State Gatherings will be held this year to help celebrate 75 years of Guiding. The Gathering for the North East Region will be held in Launceston on the weekend of 5th, 6th October. The girls will be boarding with a Hostess Brownie Pack in Launceston. We hope to have a get together before the October weekend, with the Hostess Pack. The cost will be \$6.00 per Brownie, but this will be going towards the cost of providing meals etc.

COMING EVENTS FOR THE HOLIDAYS

A barbecue during the first week & a bus trip during the second week to St. Columbia Falls. When we have more information, we will let you know.

D. Johnson,
President.

MEALS ON WHEELS FINGAL VALLEY

The Annual Meeting of the Meals on Wheels Assoc. Fingal Valley Group will be held on Monday May 20 at the Nurses Recreation Room St. Marys District Hospital.

STARDUST

BY CA CER CUSP
FORTNIGHT BEGINNING APRIL 25th, 1985

TAURUS: April 21 - May 21

The opportunity to cement casual or temporary arrangements with others and put work plans into operation will add to your security. You get what you want but extra time and energy may have to go into keeping it going.

LUCKY NUMBERS: 2, 21, 26.

GEMINI: May 22 - June 21

You'll have to push yourself to rise to the occasion, because your energy won't be reliable. Also work challenges, with the insistent demands of colleagues and deadlines, could seem too much.

LUCKY NUMBERS: 3, 11, 28, 31.

CANCER: June 22 - July 23

Accepting friends or colleagues as they are will be necessary if relationships are to have substance and strength. If you can be yourself and give others the same freedom, friendships will have a firm base.

2, 4, 20, 24.

LEO: July 24 - August 23

Work pressures will really keep you on your toes. Enterprises will have sudden challenges and to spay on top of the situation you will need to see them coming. Life looks hectic with an abundance of social outings.

LUCKY NUMBERS: 4, 20, 11, 6.

VIRGO: August 24 - September 23

If you are to show what you're really capable of don't underestimate your abilities, or turn down opportunities before you give them your best shot. New projects will require a new and unfamiliar conscientious attitude.

LUCKY NUMBERS: 5, 15, 17, 40.

LIBRA: September 24 - October 23

Consolidate your finances. It will help to relieve money worries and promote a greater sense of security. Do not go in over your head. Now's the time to build up reserves for the future. Expect a small gain.

LUCKY NUMBERS: 4, 19, 24, 29.

SCORPIO: October 24 - November 22

You will be mixing with a different type of person, and you may have to get used to their way of doing things. Don't take them or their statements at face value. It will take time to feel comfortable with these new people.

LUCKY NUMBERS: 7, 12, 28, 35.

SAGITTARIUS: November 23 - December 22

By using patience and a keen approach you will guarantee satisfaction and success this fortnight. Rely on your own judgement and you will hit the mark every time. Don't give up at the first obstacle.

LUCKY NUMBERS: 3, 9, 13, 38.

CAPRICORN: December 23 - January 20

Your job may require you to take work home. But your family may need extra attention and help, too. It's a "giving" time where relationships and responsibilities are concerned.

LUCKY NUMBERS: 6, 12, 18, 36.

AQUARIUS: January 21 - February 19

Some aggravating situations will come to an end this fortnight which should allow you to carry out plans without hassle, and, where the domestic environment is concerned, to enjoy a more relaxed atmosphere with your family.

LUCKY NUMBERS: 16, 22, 27, 33.

PISCES: February 20 - March 20

You will feel motivated towards certain programs and goals and your efforts should produce prompt results. It's a busy time and you will have to switch quickly from one to another. You may have to bend a little.

LUCKY NUMBERS: 1, 14, 26, 38.

ARIES: March 21 - April 20

Money is accented this fortnight. Know what you want to do and don't haggle over the little costs. It's small outlays which could ruffle you. During this time you will swing from generous, to thrifty, to extravagant.

LUCKY NUMBERS: 31, 14, 7, 10.
