CENSUS 1986

On June 30th, the Australian Bureau of Statistics will be conducting a National Census, a compulsory five yearly stocktake of the population and their housing. This collection, at a cost of about \$4.00 per person, will render statistical data on social, economic, and housing conditions.

Authority to conduct this Census is given by the Commonwealth Census and Statistics Act of 1905.

Statistics gathered will give population estimates for the next five years and provide information on age distribution, family structures, educational qualifications, incomes, occupation and employment.

The Census is important to the very functioning of the Government. The information it provides enables estimates to be made about the nation, States, and local areas upon which the allocation of funds to the States and minor government authorities can be determined.

All services that are provided by the Government must be planned on the basis of how many people there are, and where they live.

The collection of data is a large scale operation. A sizeable number of people are required to conduct the census as every questionnaire must be delivered to every dwelling in Australia and forms collected once completed.

Confidentiality is assured under the Census and Statistics Act. Information which could identify a person or organization cannot be released by the A.B.S.

This includes the prohibition of transfer of this information to any Government Department, the Police, Banks and so on.

Employees and former employees of the A.B.S. are also sworn to secrecy, and heavy penalties can be incurred if confidential information is given out. To ensure absolute confidentiality all forms, after processing are destroyed by pulping.

While the Census raises questions about privacy invasion on the one hand, it must be recognized as a practical means of gleaning information, important in the development of Australia's future.

SPORTSMANSHIP

It always amazes me, the amount of ballyhoo heard after a sporting team loses a game. i.e. Australia's defeat by New Zealand in the Test Cricket.

Everyone likes to win or be in the winning team, but as children we are told, "its not the winning but how you play the game".

Statistics prove most of us are beaten at one time or another. Sometimes the winning streak lasts longer for some than others, but eventually losses are inevitable.

Using the Australian Cricketers as an example, surely the best team won on that particular day, and I imagine the New Zealanders were told to "get out there and win", as the Australians would have been told.

When a team has a 'bad day', it usually coincides with a 'Good day' by the opposing team. I'm sure every player on a cricket field tries their hardest to win for their country, but ultimately only one team and one country wins.

Because of the tour of South Africa taking so many seasoned players from the Australian side, many young Australians got the chance to play for their country a little sooner than expected, and I have nothing but praise for them. They have put their heart and soul into the job, and win or lose they are to be commended, along with their captain, who is a brilliant cricketer.

Who else but a dedicated cricketer would punish their body, by standing out in sometimes heatwave conditions just to chase a little red (or white) ball around?

TENNIS NEWS

On Sunday 23rd March the Grand Final of the East Coast Pennant was played at Falmouth between St Marys & Scamander. Team members were :- St Marys Stephen Cooke, Neil Stewart, Paul Spilsbury, Maureen Bushing, Annette Bushing, Debbie Dawson with Jenny Stewart, Bruce Nailer & Bruce Hudson being the emergencies; Scamander :- Graham Little, Leigh Parker, Eric Hayes, Janine Lind, Leeanne Parker, and Sharon Smith.

The Previous week Scamander defeated Bicheno 5 sets to 4, to win a berth in the final and this result was determined by a tie-breaker in the final set for the day.

This was the first year since joining in the East Coast Pennant that Scamander had ever reached a final.

Over the previous six encounters St Marys and Scamander had each won 3 matches and Scamander had finished the roster on top of the ladder.

The first men's double set was a long, hard fought one but Neil and Stephen were triumphant over Graham and Leigh 7 - 5.

After the men's and ladies' doubles had been completed the mixed doubles were to follow with St Marys leading 4 sets to 2.

The pressure was on Scamander who had to win all three mixed doubles for victory.

After some very long games including many deuces and long rallies, Stephen and Maureen clinched the pennant shield for St Marys by defeating Graham and Janine 6 - 3

The final two sets were won by Scamander making the final score - St Marys 5 sets to Scamander 4, although over the whole day's play Scamander won 40 games to St Marys 39. This indicates the good standard of tennis.

It is hoped that more players can be encouraged to join in the pennant next year and more teams will participate.

St Marys Tennis Club Mixed Doubles Tournament

On Saturday 22nd, 14 members participated in the mixed double tournament.

The tournament was won by Stephen Cooke and Maureen Bushing who defeated Bruce Hudson and Annette Bushing in the final.

Singles Tournament

The Ladies' and Mens' Singles are still in progress with each round of matches being played in the players own time.

All preliminary matches should be completed soon after Easter and the finals of these will be played when the two finalists in each are determined.

It has been most pleasing that 16 men and 16 women have taken part in these tournaments and hopefully they will all continue to play next season and make our club grow.

 Treasurer - Mrs. Jennie Willans
 Vice President - Mrs. Charlotte Jones

LEARN-TO-SWIM REPORT:

St. Marys' Learn-to-Swim Campaign was highlighted by the students' willingness to learn and improve their swimming skills.

The swim program had a heavy emphasis on self-referenced standards enabling each student to monitor his/her own progress and realise obtainable goals throughout the 10 days. In adopting this approach it was interesting to note that the majority of students improved their distance swim and survival skills during the program.

e.g. Pre test 12, 100m swimmers Gr3-6
 Post test 26 " " "
 Pre test 24, non swimmers " "
 Post test 14 " " "

A unique part of St. Marys' campaign was that Prep-Grade 1 were given the opportunity to participate. After initial reluctance, it became a harder task getting students out of the pool instead of in it! The confidence displayed by students during the 10 day program certainly provides the Physical Education staff with some exciting new material to develop over the coming years.

Overall a rewarding 10 days enjoyed by teachers and hopefully enjoyed by students.

D. Bain, P. W. Moore,
 P.E. Teachers.

E.N.E. PRIMARY SWIMMING SPORTS:

On Tuesday, 18th March, our primary swimming team participated in the E.N.E. swimming carnival at Scottsdale.

Twelve of our children made the finals. Some highlights were:
 Bradley McKenzie 7, 3rd Backstroke } U9
 " " 5th Freestyle }
 Kate Rawnsley 6, 5th Backstroke
 Douglas Wardlaw, 4th U11 Diving
 Tim Madsen, 2nd Open Diving

ST. MARYS GOLF NOTES by Tee Up

Once again a "Hole in One" at St. Marys. This time on the 195 metres par 3 No. 2 Hole and which I may add has never been achieved before. The lucky golfer Shan Wilmot, a local teacher from the High School. Not to be outdone an eagle by Steven Dawson on the 314 metre par 4 4th Hole. Congratulations boys. Also Shan your first game of pennant with the Club and you notched up a win. Well done.

The Brownies had a very successful day on the 15th March and resulted in some fine scores.

WHAT IS EASTER?

Easter is many things.

It is a sleeping sentinel waking
to find that the corpse he has
been guarding has disappeared.

It is Mary Magdalene, bewildered,
standing with her arms full of

spices, but with no body to anoint,

It is a young man in white uttering
the greatest words of hope ever
spoken: 'He is risen!'

It is a breathless sprint to the
cemetery by Peter and John.

It is a conversation that burns
during an afternoon walk on the
road leading to Emmaus.

It is a prayer meeting in the
Upper Room, suddenly broken up
by the entrance of the Saviour.

It is a thousand church bells
in a thousand cities.

It is a day vibrant with faith,
song, and worship around the
world.

It is, above all, God at work
behind the scenes, working the
law that good is stronger than
evil, love more powerful than
hate.

It is that feeling of newness
and hope that every person senses
when, once again, the Word comes:

"He is not here! He is risen!
Behold, he goeth before you."

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
of beauty rich and rare;
In hist'ry's page, let ev'ry stage
Advance Australia fair.

CHORUS

In joyful strains then let us sing
'Advance Australia fair',

Beneath our radiant Southern Cross
We'll toil with hearts and hands,
To make this Commonwealth of ours
Renowned of all the land,
For those who've come across the seas
We've boundless plains to share,
With courage let us all combine
To advance Australia fair.

CHORUS

In joyful strains then let us sing
'Advance Australia fair'
