## FIRE AWARENESS

This week in November is FIRE AWARENESS WEEK, and with the summer season almost here, now is the time to attend to any fire hazards you may have around your home and property. An ounce of prevention now, may avert a major disaster this summer. If a fire does start, DON'T PANIC AND DON'T WASTE TIME. CALL THE FIRE BRIGADE. DIAL 000, ASK FOR THE FIRE BRIGADE AND GIVE THE ADDRESS OF THE FIRE.

\*\*\*\*

### HOME FIRE SAFETY

Outside the home, remove long grass, dry leaves, etc. from your property, also combustibles from around and under your house. Clean out guttering and downpipes regularly, and keep fire breaks clear.

If you light a fire, be cautious and comply with the regulations for burning. Don't burn when windy. Listen to fire weather reports and be guided by them.

As for flammable liquids, don't use petrol or kerosene, or any other flammable liquid to light or revive a fire. Keep flammable liquids properly labelled and sealed containers, preferably outside the home in a garage or shed. Make sure they are out of the reach of children. This also applies to matches and lighters.

Be extra careful winter and summer with fires and heaters. Make sure all fires are well guarded and any portable heaters should be placed where they cannot be knocked over. Never move a heater when it is alight, and never position them near curtains and furniture. When refilling heaters, always do so out-doors.

A proportion of fires are blamed on electrical faults. Never run extension cords under rugs or over hooked nails, and remember not to overload electrical circuits. Don't leave tea towels over stoves or cook tops to dry. See that saucepan handles do not face outwards into the room or are over a lighted hot plate or burner. If a saucepan does catch alight, switch off the heat and smother the saucepan with a lid, damp cloth or appropriate extinguisher. Never use water

on a fat fire. Do not pick up and carry a burning container.

Have electrical appliances checked regularly, particularly electric blankets. See that frayed and damaged flexes and cords are repaired or better still, replaced. Use only the correct size fuse in each socket. Never use substitutes.

Repairs and alterations should only be carried out by a qualified electrician.

Don't allow anyone in your family to smoke in bed. Make a bedtime check of upholstered furniture for smoldering cigarette butts, particularly after a party.

Approximately 50% of all fire deaths occur at night while people sleep. You can't rely on your own senses to detect a fire. Investing in a smoke detector may be a wise decision, giving you added protection only a smoke detector can provide. You can contact your local fire brigade for information.

Remember even barbecues and back yard incinerators may not be lit on high fire danger days or total fire ban days. Take extra care if you happen to be in our beautiful bush. It only takes a dropped bottle to cause the suns rays to shine through the bottle and ignite some dried leaves, to start a major forest fire. Don't discard a cigarette butt from a car window. Use the ash tray provided or don't smoke in a vehicle. By being a responsible and caring citizen and taking care with fire you will enjoy a wonderful summer. REMEMBER.....

**SMOKE AND FIRE CAN KILL!!!**  
Take care, and have a happy summer.

## ST.MARYS GOLF NOTES by Tee Up

With the greens under repair not much activity was on Saturday week. However few players had a game which resulted in members having a stroke event.

### STROKE:

The Associates rounded off their season with a trip into Launceston's Ten Pin Bowling Alley. I believe a couple of the ladies were successful but the whole team enjoyed their trip immensely. A good way to end a very successful year. As yet no ladies have started Summer Roster. Annual Dinner is coming up with bookings to be made by 25th no later than midday. 7 O'clock sit down on Dec. 2nd. Nice 4 course meal, Adults \$15. School age children \$7.50. The Smokey, Newman Memorial Trophy is to have the inaugural 36 Holes over 25th - 26th Saturday start 9.30 and 12.30 - 1 O'clock Sunday. The Committee are looking forward to a good turn out for this very prestigious trophy in memory of One of our very popular late members. Doesn't the new fence across the bottom of the 8th and 9th fairway blend in nicely with the lovely greens and fairways. The course really does look most enticing and it must have played as well as it looks for D. Cannon last Saturday as he returned a 52 nett off 19 handicap. Congratulations and won't the handicapper have a grin on his face.

### MALAHIDE GOLF CLUB:

On Friday, 10th November, the club hosted a golfing day between Fingal Foresters and the Coal Miners. The weather, of course, was superb. Thirty Three players took to the field, some for the first time (and maybe their last?). Trophies were sponsored by the Cornwall Coal Company and were won by the following:

MINERS: Gross John McDonald  
Nett Ricky Hall  
Bradman Peter Hall (after a tightly fought countback with Ron Baldwin).

FORESTRY: Gross Dicky Bean  
Nett John Singline  
Bradman John Rudd

VISITORS: Gross Barney Hughes  
Nett Lance Parker

BEST 1st NINE: Peter Donnellan  
BEST 2nd NINE: Wayne Gillies

NEAREST PIN 4th: John McDonald  
8th: Barry Woods

The Foresters and Miners played for a Perpetual Shield, donated by the Forestry and beautifully made by David Lowe. The best 7 nett scores were taken from each side - the result being a TIE. Coal Mine 514, Forestry 514. A fitting result for the first game, (although Black Parker did point out that the visitor's team did have 511 points). Captains of the respective teams, Arch Miller and Glenn Woods, distributed trophies. The players enjoyed a light meal, provided by the Malahide Associates.

## E.N.E.S.S.A. ATHLETICS SELECTION

Seventeen of our primary students participated in the final selection trial of the East North East State School Sports Assoc. athletics trials held at St. Helens last week. Eight students progressed through to make the final representative side that will compete in the State Carnival to be held in Launceston on Friday, 1st Dec.

The events the students qualified for are:

Scott Mason 800m, 100m, Relay,  
200m  
Michelle Griffiths 100m, Relay  
Angela Gamble 100m, Relay, 200m  
Harold Claridge 100m, Relay, 200m  
Andrea Burgess Relay  
Andrea McDonald Relay  
Daniel Davern Relay  
Simon Fraser Relay  
Andrew Freeman 400m

These eight students form part of a team of forty students from Bicheno to Bridport. Congratulations to all students from St. Marys who took part in this trial. It was a tremendous effort.

S. Walley.

## INTERHIGH ATHLETICS CARNIVAL

On Tuesday the 14th Nov., 54 students from St. Marys High School attended the annual Interhigh Ath. Carnival in Launceston. With three weeks of training behind them and fine weather in front of them, expectations were high.

Shortly after arriving, the black and yellow of the St. Marys team were making their presence felt. Robin Youd was the first to strike with a very close fourth in the boys open 200m. He continued this performance with a fourth in the 100m and a third in the triple jump.

The 800m saw more success with Andrew Davenport running a very good second in the boys open. Kylie Freeman produced the closest finish of the day in the girls U.14 800m, by just finishing second. The 800m also saw what was possibly the best run of the day from Emma Clement. She led from start to finish and won by some 70m.

While the track students were doing well the field event people were not to be out done. Ben Robinson was finishing third in the U.14 high jump, Amanda Pyke was

first in the U.15 javelin, Ruth Guy was fourth in the open discus, Kristy Lynch, second in the U.13 discus, Peter Cook third in the U.13 long jump, Gavin Barnes third in the U.13 discus, Mark Johns third in the U.13 shot put, Ben Lehner who was first in the boys open high jump.

In the 1500m we saw some of the best performances of the day, with our U.13 boys team coming third, Emma Clement who came second and two excellent runs by Andrew and Brett Davenport who came in second and forth.

The work put in by the relay teams in the previous week provided some good successes. Most teams were in fourth or fifth with the U.13 boys coming in third.

In all, the team performed very well in finishing fifth.

M. DJAKIC.
