BEND

AT

Many back injuries, particularly those occasioned during motoring exploits, can be avoided simply by following a few basic procedures.

At holiday times, like Easter and Christmas, motorists regularly discover the amazing amount of luggage that even the smallest modern car will accommodate in its boot, on the back seat, the cabin floor and even on the roof.

While most of us heed advice on how to stow the gear and spread the load to avoid problems like poor road handling, uneven tyre wear and damage to our car's suspension, few of us stop and think about care of our own "suspension" and "chassis"-the back.

If we don't use the correct techniques when loading and unloading our cars, we could be placing our backs at risk.

Physiotherapists find themselves treating many people whose enjoyment of their holidays has been threatened by an untimely back injury.

It's not only the heavy items like kayaks and suitcases that can cause problems, smaller objects can be just as hazardous for the back if they are in awkward places or lifted hastily or incorrectly.

Leaning and twisting from the front seat to reach that jacket or street directory in the back is another common but completely avoidable cause of back and neck injury.

When you are loading or unloading a car it's really just a matter of remembering the basic rules that apply to any sort of lifting.

Firstly, don't overdo it. Get someone to help you with really large or heavy items, like suitcases on the roof rack.

Secondly, if you are lifting something moderately heavy, plant your feet firmly, keep the load close to your body, and BEND YOUR KNEES to move up and down, NOT your back.

This sort of care is especially important when lifting objects out of deep boots. Slide objects as near as possible to the rear of the boot before lifting, and then resting them on the edge at the half-way stage if necessary.

THE

KNEES!

Plan ahead and put a blanket over the edge of the boot and even on the bonnet to rest things on while you organise where to put them. No matter how proud you are of your car's finish, protecting your back will always be more important than protecting your paintwork.

Most of the dangerous manoeuvres which physiotherapists warn us about are really just common sense. For example, we should avoid getting in and out of the car with packages in our arms, or holding onto heavy items with only one hand while we fumble for car keys.

We should always be properly prepared to pack and unpack. Do a few stretches to loosen up your muscles, especially after a long drive.

Back problems are so common in the community that all of us need to develop new habits and ways of thinking about how we use our backs.

Lifting, bending and twisting are things we all tend to do without a great deal of thought....and then wish like mad we hadn't, when back pain strikes!

FOOTBALL

May 19th St. Marys V. Swansea at Swansea

Thirds: St. Marys under 16's d. Swansea 16-22 to 0-1 in a very one sided game.

Reserves: St. Marys defeated Swansea reserves 22-14 to 4-5 in another one sided event.

Seniors: This game was a much better spectacle to watch than the previous two, thanks to a brilliant first quarter with a great team effort especially from M. Viney, S. Brown and L. Dakin. St. Marys held a 47 pt lead at the first change. At half time St. Marys still led by 43 pts but in the last half Swansea, at home, whittled this lead down to 27 pts at the final bell. They will prove to be a very hard finals contender. It was also nice to see a Swansea reserves player assisting a St. Marys player to his feet.

May 26th - St. Marys played St. Helens at St. Helens

Under 16's: St. Marys under 16 team defeated St. Helens with the last kick of the day, scores being 7-6 to 6-10. St. Helens lads led all day only to lose with seconds to spare. This is football so it seemed to me very poor reasoning from their coach to keep them in a huddle on the ground and publicly berate them.

Reserves: St. Marys defeated St. Helens reserves in an uninteresting game 34-15 to 0-3.

Seniors: St. Marys seniors defeated St. Helens for the first time on the new ground which has come on very well. St. Marys led by 36 points at half time and eventually ran out winner by 68 pts mainly due to straight kicking 19-4 and mainly superior pace. The game was marred by some unnecessary incidents which as I have stated prior, we can do without.

Best players:

St. Marys - S. Gray (best on ground) S. Miller in a team of contributors. St. Helens - Bellchambers, Leonard Mountney.

Goalkickers:

M. Viney 5, D. McKirsty, S. Brown 3, G. Murfett 2, M. Duniam, R. Hoskinson, A. Viney, S. Gray, A. Wright, S. Dakin 1.

St. Helens: N. Vincent, Karoble 2, Davenport, Green, Davis 1.

CALL AND SEE BRUCE OR PHONE
722233 or 722155

June 2nd - St. Marys played Fingal at St. Marys

Under 16's:

St. Marys defeated Fingal by 51 pts, 8-12 to 1-3.

Goalkickers St. Marys -

Wines 3, McGowan 2, Hendley, Gillies, Robinson 1.

Goalkicker Fingal -

Speers 1.

Best St. Marys -

Team effort

Best Fingal -

Britton, Speers, Hall and Lind.

Reserves: St. Marys defeated Fingal by 84 pts in another good team effort by the St. Marys team who are combining very well. Main goal kickers were L. Spilsbury, K. McGiveron 3, G. Peet and J. Viney 2.

Seniors: St. Marys defeated Fingal by 42 pts after being 5 in front at the first change. They gradually increased this to the final bell.

Best St. Marys -

R. Salter and S. Miller (equal best on ground) M. Viney, S. Dakin, L. Dakin, B. Leedham, R. Faulkner.

Best Fingal -

R. Hall, A. Ward, M. Street, C. Woods.

Goals St. Marys -

M. Viney, S. Brown 3, M. Williams 2, S. Dakin, D. McKirsty, G. Murfet, B. Leedham.

Goals Fingal -

C. Woods 2, K. Hughs, R. Stone,

P. Duggan, R. Walker, C. Pollington.

St. Marys three teams have won all games the past three Saturdays, something I cannot recall in the past. Keep it up lads. It is also a pleasure to listen to coaches who don't have to curse and abuse their players.

ST. MARYS DISTRICT HIGH SCHOOL

STUDY AFTER YEAR 10?

If your child wants to take up further study after Year 10, then the related costs could make you think twice. Don't despair, there are a number of Allowances that are designed to help both you and your child. AUSTUDY are available for each 16 year old. ISOLATED CHILDREN'S ALLOWANCE too, is available for students wishing to study in Launceston who are still 15 years old, or whose parents income prevents them from being eligible for Austudy. Austudy is flexible enough to be paid at the beginning of terms, and some students use this to assist in paying hostel boarding costs. There is a Boarding Allowance which assists with boarding costs. A CONVEYANCE ALLOWANCE is also available to parents and students to help with travelling costs.

The East Coast Education Centre is an option too, for further education - it is available for all Grade 10 leavers AND any adults who would like to continue their education. The subjects offered vary from year to year, according to staffing and student numbers/needs.

During the second term at the High School, we hope to hold a Careers afternoon for Grade 9 and 10 students, and any interested parents. A wide range of career options will be represented, from University through hospitality courses, to the Armed Forces. EVERYONE is welcome to attend.

If you have any questions regarding Allowances or Further Education please don't hesitate to contact either Paul Gough, Alan Beach or myself at the High School.

Marilyn Statham.

INTER-HIGH CROSS COUNTRY 1990

This year's Cross Country Team achieved its best result for several years. Competitors in each event numbered well over one hundred and over twenty individual schools competed.

Our average finishing position was in the low 30's or put another way, in the top 15 - 20%.

Apart from the individual places listed below, the pleasing aspect of our students efforts was the willingness of all the team to perform to their best. Not one of our 35 students finished in the second half of the field.

Our best individual performances were:

Giles Clement	3rd U/13 Boys
Andrew Fearman	20th U/13 Boys
Justin Ambrus	3rd U/14 Boys
Alister Woods	4th U/14 Boys
Daniel Lehner	20th U/14 Boys
Jeremy Youd	23rd U/14 Boys
Gavin Barnes	24th U/14 Boys
David Brittain	13th U/15 Boys
Danny Welch	23rd U/15 Boys
Brett Davenport	5th Open Boys
Claire Loane	28th U/13 Girls
Kylie Freeman	23rd U/14 Girls
Esme Atkinson	24th U/14 Girls
Emma Clement	1st Open Girls

Tony Pickett
P.E. Teacher.

EAST COAST SCHOOL OF DANCE EXAMINATIONS

On 19th May, the East Coast School of Dance held their annual examinations at the Memorial Hall in St. Helens. Francesca Vonarburg, teacher of the School was pleased to receive Miss Margaret Bollard, Licentiate Examiner from Head Office in Sydney to examine her students. Francesca teaches the S.A.T.D. Syllabus and was delighted with the following results from this school.

Test 1 Ballet Pass-Karen Searle	Penny Byard
Test 2 Ballet Pass- Lauren Bennet	Emmy Ashwood
Test 3 Ballet Pass-Lisa Searle	Erica Fearman
Bronze Ballet Honours-G. Friswell	C. Shipp
Bronze Star Ballet Comended Plus	-Clonagh Riley
Test Two Jazz Pass-Oliver Fearman	Ben Lewis, Brownyn Bowkett,
	Candice Stingle, Tina Armson,
	Melanie Bennett
Bronze Jazz Honours-G. Friswell	C. Shipp
Highly Commended-Jane Lewis	Rebecca Handley
Highly Commended Plus	-Vanessa Green

WARD BOUNDARIES IN THE FINGAL MUNICIPALITY.

A number of years ago, Council recognised that the number of Electors in each Ward was not in proportion to the number of Councillors each Ward was able to elect. Due to the petition of North Scamander to leave the Portland Municipality and come into the Fingal Municipality, Council was unable to fully consider the matter of Ward Boundaries until the petition's outcome was resolved.

As soon as North Scamander became part of the Fingal Municipality Council immediately undertook a complete review of the Ward Boundaries.

While the question of Ward Boundaries seem simple, it should be noted that the Fingal Municipality is the 8th largest Municipality in area in Tasmania - it is also very diverse - we cover from the Snowfields in Ben Lomond in the West, to a large coastal area in the East. Between that, we have to include Farming, Coal Mining, Forestry, Small Businesses and a variety of other industries and businesses..

In addition to these aspects, we must also take into account the large number of townships and hamlets in our Municipality: Royal George, Avoca, Rossarden, Mathinna, Mangana, Fingal, Cornwall, St. Marys, Gray, Falmouth, Fourmile Creek, Seymour,

South Scamander and North Scamander. Council took all the foregoing aspects into account, including the strong desire of coastal citizens to be represented by a single ward covering from North Scamander right down to Seymour. Council therefore submitted a comprehensive 45 page report to the Local Government Advisory Board, which is the responsible Authority for making a decision on Ward Boundaries and converting this decision into a recommendation to the Minister for Local Government on any changes to Ward Boundaries.

Due to the large area of our Municipality, Council put forward a case of retaining our four wards, which included a Coastal Ward from North Scamander down to Seymour. Council's submission was not accepted by the Local Government Advisory Board as the proposed Coastal Ward would have an Elector population of 37% but would have only 25% of the Councillors representing this ward.

The Board suggested that if a ward had 37% of the total Municipal area voting population, then it should, at least, have one third of

the total number of Councillors. This could not be achieved under a four Ward system - this was recognised by both Council and the Board. The Board then suggested that Council should consider a Municipality with no Wards.

Council was concerned that under a no Ward system, large areas of the Municipality could be disadvantaged. It was therefore agreed between Council and the Local Government Advisory Board that we should await the 1990 April Elections of Councils in Tasmania to see the results of Municipalities which had abolished the Ward System to enable the Board and Council to assess whether the people of our Municipality would be disadvantaged by abolishing wards or whether a 3 ward system would be preferable.

Council is now waiting for comments from the Local Government Advisory Board following the April 1990 Elections.

You are assured that Council is making every endeavour to finalise the matter of Ward Boundaries but it is also endeavouring to ensure that the interests of the people of our whole Municipality are taken into account..

Yours sincerely,

R.I. McKenzie,

WARDEN.

The Annual General Meeting of the Fingal Branch of RAFT was held at Strathspey on Tuesday 22nd May. The office bearers for 1990 are:
President- Robert McKenzie
Vice President- Jack Miller
Treasurer- June McKenzie
Secretary- Jenny Stewart

The meeting heard how we have managed to raise over 18 hundred dollars over the last 2 years as well as being able to supply a step and hand rails for our new community. We also had a most interesting talk from Liz Baker, the local community health worker, on her work in the area.

Meetings are held on the 4th Tuesday of each month and any one is welcome to attend, for further details you can phone Jenny on 742183 or Robert and June on 742152.

IT MUST BE TRUE

It is proposed to use this donation for the purchase of new benches for our park as the present old one are in a very dilapidated state.

Here the couple stood, facing the floral setting and exchanged vows.

Most of the drivers I know make a practice of washing their cars once a week.

Wayne Polden.

With the 1st 1990 Volleyball Season just completed there was a great response to our three rosters, ladies with five teams, mixed with eight teams and men's with seven teams.

With St. Helens and Triple C's both only losing 1 game each in the men's A Viking completing the season undefeated in the mixed.

Thanks this season goes to the following who have helped make this a great roster. Marcus Faulkner, Chris Haas, Geoff Hendley, Tim, Kathleen, Karen Squires, Jason Lynch, Alan Beach, Ian Bradbury, for umpiring the finals, and all umpires throughout the season.

Thanks also to trophy donors -

Mike and Nancy Graham

Des and Grace Faulkner

Joyce McGee (St. Marys Bakery).

And thanks to everyone who took part or who helped in any way.

NURSING - ST. MARYS DISTRICT HOSPITAL

A letter from Mr. John White, Minister for Health to Mr. George Shaw, M.L.C.

Dear Mr. Shaw,
Thank you for your letter of 3rd May 1990 concerning the position of Director of Nursing at St. Marys District Hospital. The position of Director of Nursing at St. Marys had been unfilled for about seven months. The staff situation at St. Marys Hospital was suffering because of lack of stability in the direction of the nursing services. Despite repeated advertising and interview only one suitable applicant was selected for the position. However, before final appointment she withdrew her application. The decision was made in consultation with the Department of Health and the unions to appoint Mrs. Allison Smith, the Director of Nursing at St. Helens, to be responsible for both St. Helens and St. Marys Hospitals. Suitable arrangements were made to provide additional staff between the two hospitals to ensure there was no drop in nursing staff members. The appointment was made for a period of six months and will be reviewed at the end of this time and a decision will be made to continue or to revert back to the original situation. I am pleased to report that the transition to one Director of Nursing has been smooth and I am advised that the morale of the staff at St. Marys Hospital has started to improve. The Government is committed to the provision of high quality health services for all Tasmanians. The residents of St. Marys and the surrounding area will continue to be provided with good health services and every effort will be made to ensure they are improved and appropriate to the needs of the area.

GRAY SCHOOL

The following information relating to Gray School was obtained from Walch's Almanacks held in the Archives section of the State Library and from Annual Reports held in this office.

Gray School opened in 1887 and during its first year of operation was open for a period of 91 days. The average enrolment for this year was 22. According to the Annual Reports for the years 1900 and 1901 the sum of £560.2.0. was spent in relation to the erection of a school and residence. A further £126.0.0. was spent on the school in 1909. Enrolments gradually declined and the school was closed in 1929. The average enrolment for the final year was 13.

STALL LIST 1888-1929.

GOLF NOTES

by Tee Ups Mate

The East Coast Pennant is now at the halfway stage and the St. Marys Div 3A team has a two game break on the other three clubs, having not yet been beaten. In the Reserve B competition, our blokes are only 1 game behind St. Helens after losing 3/2 to St. Helens away. A good win at home against St. Helens would see them back on top. Three Div 3A players are still undefeated in David Murfet, Kerry Davern and Kim Howe, and Paul Davern is playing good golf to be undefeated in Reserves. Also Derek Summers and Rod Spilsbury are also still without loss, although each had to miss one game due to other commitments. Also to promising new Div 3A player John Newman, keep up those good results. John has had two very good wins and a fairly close loss, when team captain Craig Mitchell has given him the opportunity to play at number two and three positions. Team results at St. Helens: St. Marys 5 def St. Helens 4 and St. Marys 2 lost to St. Helens 3, then at Bicheno, St. Marys 5½ def Bicheno 3½ and St. Marys 3 def Bicheno 2. Captains Day saw a good field of 26 players compete and Andrew Haas played fantastic golf to take out the main trophy with nett 59. His playing partners said that it was the best they had ever seen him play. Well done Andrew. The runner-up trophy went to Kim Burges-Watson with nett 61 and Frank Singline played good golf to take the third place trophy. The Scratch went to visiting players Darryl Shennan who shot five birdies in a fine round of 70 gross. Also well done to postmaster Peter Wilson on winning Div 2 in the Stableford competition two weeks ago. Well done Wombat. The Associates are competing very well recently and a special mention to Kath Blair for her consistant results, she is playing some good golf that was topped off with a fine eagle on the 2nd hole last week. Also to the ladies pennant team, you are not far away from a win so keep up your form. It was also good to see a roll up of 42 players in the East Coast Veterans Day at St. Marys on May 23rd. Next day is at Bicheno on June 21st.

EAST COAST PENNANT A GRADE

St. Marys (5) def St. Helens (4) at St. Helens.
K. Howe 2/1 def J. Barr, S. Dawson 1

A. Year End Tax Planning

Given Australia's current economic climate and the possibility of high interest rates continuing, the minimisation of any income tax liability can be achieved through efficient year end tax planning for all taxpayers.

The majority of year end tax planning involves either the deferral of assessable income or the acceleration of deductible expenditure. Income deferral can take two forms:

- a) deferring the collection of fees; or
- b) deferring the earning of income.

Deferring the collection of fees is only possible if you are assessed on a receipts basis; it can be achieved simply by suggesting to debtors that payment be postponed or by not sending out accounts for fees/work owing until after 1 July.

Deferring the earning of income can include not selling livestock or wool until after 1 July instead of May/June.

Examples of accelerating deductible expenditure include bringing forward maintenance programmes, making deductible gifts to charities, prepayment of up to 13 months equivalent of liabilities such as interest, before 30 June. The extent of which each individual can utilise these methods will depend on several factors such as:

- a) cash flow position
- b) holding costs of stock e.g. storage and interest costs, pasture damage
- c) seasonal variations in prices.

Conversely, there may be occasions whereby it may be beneficial to increase taxable income for the current financial year to utilise tax free thresholds (presently \$5100). Each option depends on the individual status of each taxpayer.

A Year End Checklist is available from our office for your information if required.

B. Changes In Legislation

There have been several changes in tax legislation since 1 July 1989 which may effect taxpayers and their decisions over the next few months and beyond. Listed below are several important changes worth noting.

i) Superannuation

Contributions up to \$3000 are fully deductible by self employed persons. Effective from 1 July 1990 an extra deduction of 75% of amounts in excess of \$3000 will be introduced.

ii) Tax File Numbers

Those taxpayers who do not submit their tax file number to their employer/contractor are automatically required to have tax deducted at the highest marginal rate - 48.25%.

iii) Company Tax

Company Taxpayers now have a new system of paying tax replacing the previous quarterly instalments. Elections requesting deferral of liabilities due on 28 July 1990 must be lodged with the Taxation Department by 28 July 1990.

iv) Non Primary Production Losses

The seven year limit on the carry forward of such losses has been extended to 1 July 1989.

v) Loans to Pay Income Tax

A business that incurs interest on money borrowed to pay its income tax will generally now be deductible.

vi) Management of Tax Affairs

All taxpayers can now claim a deduction for expenses relating to the management of their taxation affairs, not just the preparation of return

CONCLUSION If you have any queries or matters which you require further clarification upon, do not hesitate to contact our office.

STARDUST

Week commencing June 7th, 1990

GEMINI - May 22 - June 21

Aim for the possible this fortnight. Don't pass up a lucky break because it seems routine and boring. Try to see long-term benefits and tune into the higher purpose.
Best Days: 14, 20.

CANCER - June 22 - July 23

Enjoy your popularity. There are happy scenes at home, with unexpected happenings to sustain the lively, social buzz.
Best Days: 8, 12.

LEO - July 24 - August 23

This is a time to take chances and not play it safe, but realise that people take you largely at face value.
Best Days: 7, 16.

VIRGO - August 24 - September 23

A financially successful fortnight, but more is expected of you, and you have to resolve a basic conflict within yourself and take some well-calculated risks.
Best Days: 9, 15.

LIBRA - September 24 - October 23

By doing your own thing and refusing to become caught in other people's madcap schemes, you are going to hit an all-time high.
Best Days: 11, 18.

SCORPIO - October 24 - November 22

You have recently done some crazy things that continue to have an effect on your life. You wish you hadn't done these things but it is too late to think that way.
Best Days: 10, 17.

SAGITTARIUS - November 23 - Dec. 22

You have to pull your weight. If you sit back, hoping others will do the things that you should be doing. Attend to all of your responsibilities.
Best Days: 13, 19.

CAPRICORN - December 23 - Jan. 20.

Sit down and discuss problems with others, face to face because there have been some bad vibes around lately. By running away from discussing problems, you keep them alive.
Best Days: 8, 16.

AQUARIUS - January 21 - Feb. 19

Drifting along without plans or direction is a no no. You must be prepared to go through upsets before the good times arrive.
Best Days: 11, 19.

PISCES - Feb. 20 - March 20.

You may have been pretty grouchy lately, which meant most people were avoiding you. Well now you're going to be a lot of fun.
Best Days: 13, 20.

ARIES - March 21 - April 20

This is a time for sharing adventures and doing things that aren't part of your usual routine. In fact, the more into the unknown you adventure, the better.
Best Days: 7, 18.

TAURUS - April 21 - May 21

To attract the one you want, you will have to approach things in a roundabout way. If you look too keen, you may scare them away.
Best Days: 9, 10.
