## BE WISE WITH MEDICINES

This September has been designated "BE WISE WITH MEDICINE" MONTH. It is an initiative of the Federal Government's Pharmaceutical Benefits Education Programme and the Pharmaceutical Health and rational use of medicine (PHARM) working party.

The Minister for Aged, Family and Health Services, Peter Staples, said the objective of the campaign is to raise awareness that medication has risks and benefits and should be used wisely. Every year medicines help countless Australians. These same medicines if misused or used when unnecessary can cause distress and hardship. Often people in the community are not getting full benefit of their medication and they may be aware or unaware of possible medicinal or non-medicinal alternatives.

It is important for people to talk to their doctor, pharmacist and community nurse about the medicines they take, and to dispose of out of date and unwanted medicines.

We will be encouraging people taking medication to bring it along to their doctor for a review next time they visit and to think about whether lifestyle changes might improve their health.

If you're taking medicines, here are some tips that will prevent you from becoming a statistic.

DO understand the effects of your medicine when your doctor prescribes a medication, always talk over any possible side effects.

DO read labels carefully and follow instructions. Remember taking too little may be as bad as taking too much.

DO talk to your doctor about alternatives to medication. All medicines effect the body. Think about how you can live a healthier lifestyle. Ask you doctor for help.

DO talk to your doctor about your medicines. If you see more than one doctor, make sure each one knows what the other has prescribed.

DO ask your doctor or pharmacist how to take your medicine and what you should watch out for, like taking medicines with food and not mixing them with alcohol.

DO check with your pharmacist about any over-the counter medicines that you might be taking. Make sure they are safe to take with your prescription medicines.

DON'T take other peoples' prescription medicines and don't share your medicines with someone else.

DON'T save medicines "for a rainy day". Never use them after the expiry date.

DON'T put medicines where children can reach them. Children can offer mistake medicines, particularly pills and capsules, for lollies.

DON'T drive if you are taking prescription medicines and you feel drowsy, dizzy, shaky, aggressive, auseous, or if you have blurred or double vision. Be sensible, pull over and stop the car.

SPRING CLEAN your medicine cabinet during September and discard unwanted or outdated medications. These can be taken to the St. Marys Health and Beauty Centre for disposal.

Firstly congratulations to Brett Kellaway and Leslie Burness for success at Bicheno tournament mixed foursomes, and to Liz Clayton and Tom Hardy in taking out trophies in events at Malahide. Sorry if I've missed anyone.

To the Don & Bernice Targett Trophy day recently, firstly thanks to Don & Bernice for their support of this day for five years and as a club we are most grateful to them. Congratulations to the two winners in Frank Singline and Clinton Batchelor in Div. 1 and 2 respectively with two very good nett scores, and to Trevor Viney returning a good round of 72 to win the scratch and putting trophies, also congratulations to Barry LeFevre in winning last weekend's stroke comp. with nett and scratch.

The Ladies Presidents Day was a huge success and many thanks to Kath Wright for putting on such a great day for the competitors, once again in excess of 20 again. So many trophies of the day and they even ran an event for the men as well. Well done to all winners. Even last week while several players went to Swansea there was still quite a good field take part in a stroke event won by Kath Wright and Maryanne Mitchell.

Don't forget that championships are not all that far away. The Annual General Meeting is to be held on September 25th and quite a bit of good golf is still to come. The competition is organised each year by the Educational Testing Centre of the University of New South Wales.

The aim of the competition is to provide students with a stimulating challenge and feedback on their performance. Students are called on to solve problems based on real-life situations using the skills and processes of Science.

Students who perform well receive certificates.

The certificates are awarded in each school year as follows:

High Distinction - top	1%

**GRADE 3/4 MRS WILKIN**

On Wednesday every week a group of five children from Grade 3/4 Mrs Wilkin goes to the hospital. We go at 10.45 a.m., just before recess and come back about 1.00 p.m. at lunch. Mr LeFevre takes the group up in his big car. We eat lunch there and play bingo, we also show some of our work from school which the old people love. We go there to help them and to have fun with them and to make them happy as well. I feel great when I go there. I am glad that it makes me happy because they are so kind up there. They feel great that we to there. We make them happy just by caring for them and helping them.

**KATE BALDINI**

Mrs Guy plays the piano and the five people who are there sing whatever she is playing. Sometimes, Mrs Hall sings a song about "The Little Black Dog".

When it was my turn to play Bingo, I won a Freddo frog. One of the ladies won a hanky instead because she didn't like chocolate.

They like us there because we are young.

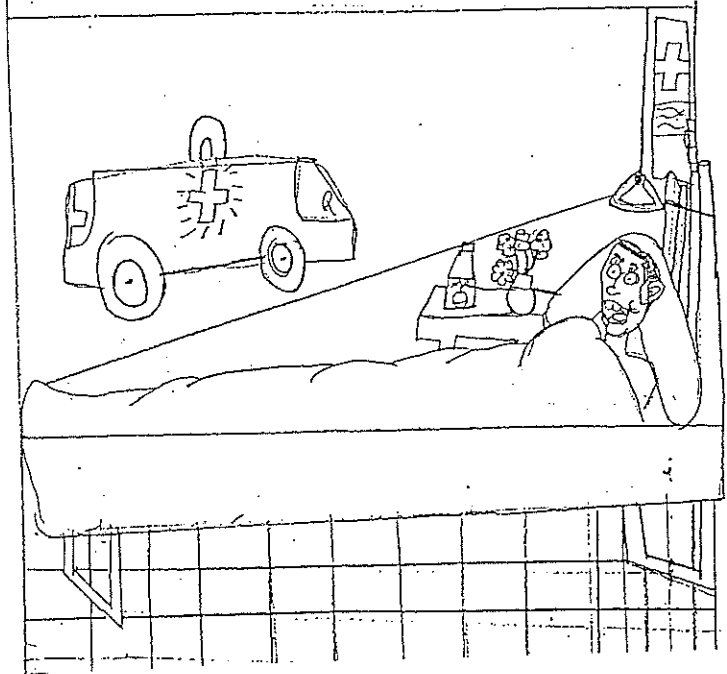

**REBECCA PITT**

I reckon the old people feel happy that we are coming up. Our class certainly is delighted to go up to the hospital with no fuss at all. The staff at the hospital would be very happy that we are going out of school to help them.

When it is time to go, we have a game of Bingo. Even if you don't win you get a chocolate lolly called a Freddo. If you do win, you get a handkerchief.

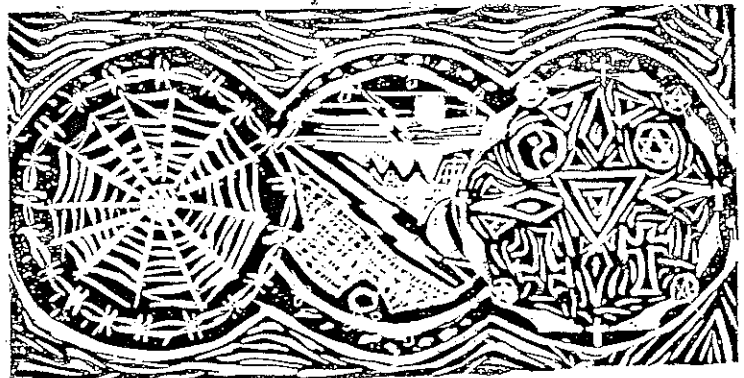

When it is time to go, Mr LeFevre comes and picks us up and takes us back to school. When we go over the bump we go very slowly.

## HOCKEY

After one of the closest and keenly contested rosters in 400 years, the indoor hockey finals were decided last week.

In decision two, Goldies were triumphant over Fingal. Given the form displayed by the Goldies in the latter half of the season, one wonders just what would have happened if they had made the top five!

Congratulations to Neil, Jenny, Scott, Sean, Roseanne and Tim. Fingal were unlucky to lose the services of Craig Woods for the final but battled on in true grand final style.

In division one the Black Adders made it two in a row, defeating Raiders 2 - 1. The game was played in excellent spirit and was as close and evenly contested as a grand final should be. Adders emerged winners but Raiders were not disgraced and in only their second year in the competition, have served notice that they will be a force to be reckoned with in coming seasons. Congratulations to Eddie, Mike, Andrew, Jenny, Bruce and Mary-ann - deserving Premiers.

Many thanks to the players who volunteered for umpiring duty during the year and in particular to those who umpired finals games.

The dinner is set for 2 October at Diamond Island, Bicheno. \$20 for all you can eat. The social roster starts Tuesday 22 September when bookings and payments for the dinner will be taken. Finally a few awards to people and teams who probably won't rate a mention in the prestigious awards ceremony at the dinner.

## FOOTBALL

Saturday the 5th, St. Marys play St. Helens in the seniors, Campbelltown in the reserves and Fingal versus St. Helens in the U/16s Grand Finals.

In the U/16s Fingal will start favourite after defeating their rivals at St. Helens in their last encounter. After recent continuous heavy rain it will be very wet and the teams that adapt to the conditions quicker should come out winners.

The reserves between Campbell Town and St. Marys should be a pretty tight affair. St. Marys have a good blend of experience and good running young players whilst Campbell Town are very experienced and must not be underrated. Remember last year. St. Helens will start the popular pick in the seniors by way of their easy win in the Qualifying Final when they scored comfortably over a very lack lustre and disappointing St. Marys team. St. Marys played much better against Fingal, but must improve more.

A bigger gutsier effort is required from some players. One thing to spur our players on will probably be the taunts, jeers and insults from the opposition, some of whom have been saying our players are sookies, weak, gutless and even offered to supply skirts to the "SHIELAS!!!"

It is up to everyone, players to get rid of these slurs and our supporters to get behind our teams and give them hell.

The organization was done by Mathinna Primary School in conjunction with the Mathinna Community and the Fingal Forestry Commission.

## Article from Mr Alf Faulkner

St. John is the only one of the four Gospels who mention Nicodemus, and I don't know of his name being mentioned anywhere else in the Bible.

Speaking of letting Jesus and His Spirit reign in our mortal bodies, is our decision. Some decide- others refuse.

Jesus said, " I am the Light of the world."

There is a lovely picture in the Uniting Church at St. Marys. It depicts Jesus standing Gently knocking at the door. If you look closely, you notice no handle on the outside. Weeds and creepers are growing around the door. Jesus said, " Behold I stand at the door and knock. If any man will open the door I will come in and sup with him and he with Me."

Another look at the picture we notice Jesus has a lantern. When we let Him into our sin darkened hearts His lantern or light shows up things that we didn't realize were there and He helps us remove them. He takes away our unrighteous nature and gives us a desire for righteous and fair and honest things-- a love for one another and a peace that we never experienced before.

The last will and testament He gave to His followers just before His crucifixion was, "Peace I leave with you. My peace I give unto you. Not as the world giveth unto you. The peace I give the world cannot give, neither can it take it away."

In this trouble stricken world there is nothing more for us to desire than the Lord's Peace. We sometimes sing " Safe in the arms of Jesus, safe on His gentle breast, there by His love overshadowed, sweetly my soul shall rest,"

An illustration of God's love for us is seen in this story.....A small boy picked up a piece of pine one day and thought to himself, " I'll make a boat out of this ." He took it home to his father's workshop and began to shape it into a boat. The more he cut it the more it looked like a boat and the more he loved it. After many hours work and a coat of paint, the boy stood back and admired it. He could hardly wait for the paint to dry as he could take it to the river.

A piece of string was attached to the back of the boat. As it was launched his heart filled with joy and admiration. It gracefully rode the tipples, perfectly upright.

Every opportunity the boy went sailing his masterpiece. Then one day he let it go out a little further than usual. It got into a current! The boy chuckled with glee as the little boat tossed and bucked about. As he followed it down the river side he didn't notice an old tree root sticking up out of the water. The string caught on the string. The boy could not pull it loose. He tugged and pulled harder -- the string broke! His beloved boat went out into the swift running river. It was soon lost from sight. With a sad heart the little boy returned home.

## LETTER TO THE EDITOR

Dear Sir,

Sometime ago, I wrote about the 100th Anniversary of the Cornwall Mothers Union, pointing out that we are the oldest branch, not only in Tasmania, but in Australia. We feel greatly honoured that we are able to celebrate up here but we also realize we are a small group so we need help. If you can spare some time on October 5th, we would appreciate it. We have over 400 people coming. If you could help to arrange food on the table, cut sandwiches, arrange flowers make sure the soup hasn't caught on the bottom, carry the soup out or cups of tea and coffee. In fact we would appreciate any help what so ever. If you can help please contact Rev. Le Rossignol or Kath Francis, Scamander, Ruth McGiveron or Una Camplin.

Una Camplin,

Sec.
