TOURISM PUSH FOR THE VALLEY

At the public meeting held at the school last week, in excess of 85 people were concerned enough as to the direction our Valley is headed, that they voted unanimously to support a steering committee which was formed to look into possibilities of a tourism push in the Valley.

Andrew Keddie, the Liaison Officer from the Kentish Council gave an informative talk on how Sheffield had achieved what it has today. There have been close to 20 new businesses opened since the first mural. Many new jobs have been created.

He also talked about Sheffield's recycling system. All things in Sheffield are recycled. Last year they made \$16 000, all of this has gone back into the community or their recycling business "The Hub".

The input from the floor was varied and all very positive. It was quite obvious that all people in attendance believe we do have a future in the Valley.

Fiona Hope, the co-ordinator of Fingal Neighbourhood House told us that the people of Fingal are keen to be involved. Fiona has been involved in the department of Tourism for 7 years and has volunteered her knowledge.

Break O' Day Warden Robert Legge was quite positive and invited people to make contact with councillors if they have any suggestions for the LEAP program.

Volunteers were called to form a steering committee. Sixteen people offered their services instantly. This must be a record. I have never seen people so keen to be on any committee before. Thank you all.

It will be the committee's job to look into all suggestions that the community can come up with. They will then form a plan of action. Through another public meeting, so the greater public will be given the chance to say "yay or nay" to what ever they come up with. The committee is very

keen to have all people in the community involved and will consider putting a suggestion box in the post office. This way they will be accessible to you all.

There will be regular articles in the Valley Voice and other publications.

The committee members are:

Grant Faulkner	John Furlow	Ian Charlton
Wendy Webb	Debra Manskie	Lyn Brown
Mike Wicks	Melissa Bean	Bruce Cornelius
Peter Wines	Michael Evans	Jeff Weston
Peter Witton	Karen Saunders	Annette Wines
	John Brown	

I feel that this is a diverse group and should enable us to come up with the best answers possible. Feel free to approach any committee member, with any thoughts you may have. Anyone wishing to read the minutes from the meeting, will find them at the Library.

ST MARYS GOLF NOTES

by Tee Up's Mate

St.Marys has retained the Memorial Shield for this year with a comfortable victory at home. St.Marys played solidly and shot 679 and Malahide came in second with 723, Steven Dawson was the lynch pin with a very good 66 off the stick which in turn won him the Champion of Champions Trophy as well as the best nett score which is quite an achievement. Todd Summers (M.H.D) won the Junior Championship with a fine 61 nett and Lyndon Giffard (Bicheno) won the best Junior Gross with 72.

Many thanks to our ladies who put on one of the best feeds you would ever wish to see and to Ian Charlton and Geoff King for doing the bar services all day. All in all it was a good day for all. The recent four ball best ball stableford resulted in a good win for Leon Atkins and Graham Waters recently with 50 points, closely followed by Clinton Batchelor and Grant Twinning with 49, and last week we saw the M. D. Webb & Co Day organised by Andrew Haas and it was great to see Toby Spilsbury recording a win with a great 59 nett. Good to see you back in the winners list Toby.

There will be no stopping you now, also a mention to John Furlow on 60 nett which is normally good enough to win, keep it going John.

Rod Field played well to win the Best Gross. Many thanks to Andrew through M. D. Webb & Co for supporting the club. Many congratulations to May Cook and Kath Blair in taking out the 1993 Associates Foursomes Championship with 183. This is a fine result indeed and in the Handicap Championship it's great to see Kath Wright and Maisie Nolan, two long time members win the Championship. It was a near record field in the event. May Cook continued on her winning way the following week with victory in the flag event. Just a reminder that this weekend will see the playing of the Mens Foursomes Championship, and a good field is expected.

A late warning, the amount of pitch marks and divots around the course are disappointing and unless better attempts are made to repair them by players we won't be very happy. Look out for the monster that lurks to grab golf balls on the 9th hole. Next rounds will let you know what I mean...Until next issue....

THEATRE SPORTS - THE VIDEO

Thank you to all parents who supported us at the Theatre Sports Finals Evening on Thursday 15 July. I am sure those who attended will agree that the evening was a great success with a high standard of performance shown throughout.

The whole evening was recorded on video by Mr Bain with good quality pictures and sounds. A copy of this video can be purchased at a mere \$6.00.

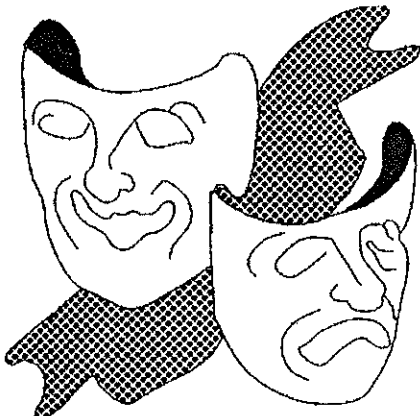

Please complete the form below and return to the school office enclosing \$6.00. The videos will be ready to be collected in about two weeks.

Theatre Sports raised just under \$400 from admission, programmes etc. This will be spent on a new spot light for the hall.

CONGRATULATIONS

Tristan Clement on a notable sporting double. Tristan has been selected by the Tasmanian Tennis Association to form the McDonalds Junior Tennis Development squad, and in the same week won the Tasmanian All Schools U11 Cross Country Championship.

The tennis selection requires Tristan to travel to Launceston every Saturday for squad coaching. Last Saturday he took part in his first coaching session. On Sunday he travelled to Forth to compete in the state Cross Country titles. Running over 2km in the U11 event, he won the State title in 8 mins. 36 secs., leading all the way from the 300m. mark.

The round trip over the two days of 690 km. was worth it, he reckoned!!

SISTER SCHOOLS

St Marys District High School has recently become a sister school to Muludga Remote Community School in North Western Australia.

Students from grades 2/3 and the grade 4 classes are corresponding with Muludga School. Several students from grade 9 are making a video of our school and community; a copy will be sent to Muludga.

A one-off Government grant of \$100.00 to cover the initial cost of the exchange has been received by the school.

Why Sister Schools?

The Sister Schools project is a new idea aimed at breaking down the barriers between young Aboriginal and non-Aboriginal people in schools throughout Australia.

Based on the old hobby of making pen-friends, Sister Schools will forge social and educational links between schools with high Aboriginal enrolments and those with few or no Aboriginal children attending.

In that way, young Aboriginal and non-Aboriginal people will be encouraged to interact and understand each other much more than their parents or grandparents were able to do.

For example, young non-Aboriginals can learn about Aboriginal cultural values such as the kinship system, and the sharing that has been part of Aboriginal culture for at least 40,000 years. They can learn in a person-to-person way about the rich cultural heritage of Aboriginal and Torres Strait Islander people.

At the same time, Sister Schools will allow Aboriginal school children to learn more about the values and feelings of children who may have had little or no previous contact with Aboriginal or Torres Strait Islander people.

All participants stand to benefit from a friendly exchange of views across cultural backgrounds, and Australia stands to gain from the greater understanding that Sister Schools will promote in our new generation.

A Lot to Learn and a lot to Gain

PRIMARY CROSS-COUNTRY

The arrangement for Fridays Cross-Country, weather permitting are as follows:

12.00 eat lunch in classrooms

12.45 children have a break

1.20 children march to house areas

1.30 cross-country begins

Children are asked to wear their house colours or something to identify the house they belong to.

I would appreciate all children remaining at school until the completion of all events.

Parents are most welcome to watch the big event.

"EAST COAST REFLECTIONS"

ART AND CRAFT EXHIBITION

ST HELENS MEMORIAL HALL

AUGUST 28TH TO 30TH.

Now in its sixth year "EAST COAST REFLECTIONS" has become a social event eagerly awaited by the community.

The exhibition will be officially opened by artist, Mr Den Schaffner, at a wine and cheese function to be held on Friday 27 th August at 7.30pm.

There will be many working displays throughout the weekend and exhibits from artist all over the state. About 200 paintings are expected to be on display as well as pottery, lead lighting, collage, cottage crafts, handmade baskets and much, much more.

"EAST COAST REFLECTIONS" is the main fund raiser for the St Helens toy library -a voluntary organization set up in 1988, which lends toys out to more than 300 families from Eddystone Point to the Fingal Valley. Money raised from the exhibition will be used to replenish and extend the present range of toys for children aged 0-12 years.

The committee would greatly appreciate any publicity that you can give us in your paper. If you should require any further details, or have any questions, you can call me on 761560. You may quote my name and telephone number as a contact for "EAST COAST REFLECTIONS".
Thanking You.

COMMUNITY QUESTIONNAIRE

There has been some concern and discussion recently about the future of our area and what can be done to improve things for us all. Some people have expressed a desire to have a community centre in the town as a focus for activity, similar to the neighbourhood houses operating in Fingal and St. Helens.

The questionnaire included in this edition of the Valley Voice (see page opposite) is designed to assess the interest residents of the St Marys area have in the establishment of a community house. It will also be sent by post to every household in the area.

To have any clear idea of how people feel, it is very important to return the completed questionnaire as soon as possible. The closing date is August 31.

Information from the questionnaire will be collated in early September and the results published in the Valley Voice. If this shows the community are interested in the proposal, a public meeting will be called to discuss things further.

This is a local initiative from local people. There is no involvement from any Federal, State or Local government body. Your name and address are not required. Any comments or ideas you have would be greatly appreciated. Please use the space provided or attach a separate piece of paper and return to **P O BOX 37 ST MARYS 7215** Collection boxes will also be provided at :

**ST MARYS POST OFFICE
SCOTT'S NEWSAGENCY ST MARYS**

Please encourage others to fill out and return the questionnaire. The greater the response the better chance we have to create something special for our community. If you need any further information please ring me on 72 2632

LANDSCAPING AROUND ST.MARYS

The work being carried out on the railway side of St.Marys is funded by a Landcare and Environment Action Program (LEAP). Council applied for this funding.

Fifteen registered unemployed young people between the ages of 15 and 20 have been lucky enough to be involved in this particular program for six months.

There is a training component built into the scheme. Murray Johns, who has been transferred from his normal council duties to oversee this young group of workers, is doing an excellent job.

The work includes landscaping and tree planting, uncovering and restoration of the locomotive turntable, repainting of the railway station in Federation colours and even the old locomotive will get a new paint job.

Special mention must go to the Break O' Day Council for their efforts to find this type of opportunity for young people to gain some employment with training in this area.

LETTER TO THE EDITOR

Dear Sir,

The numerous Tasmanian pensioners who are of Dutch birth and have worked in The Netherlands before settling in Tasmania need to be aware that they may now be eligible for a Dutch aged pension. This pension is paid at a higher rate than the Australian pension.

The annual income of the pensioner concerned may increase by \$5,500 depending on the period of time he/she has worked in The Netherlands. Their dependence on the Australian pension is subsequently reduced.

This ability to claim the Dutch pension has come about by the recent social security agreement signed between the Netherlands and Australia. This agreement allows people to move freely between the countries while protecting their social security entitlements.

The agreement only applies however to Dutch-born Australian residents over 65 years of age who migrated from the Netherland after January 1957.

Anyone who thinks they may be entitled to a Netherland pension can get a claim form from their local Department of Social Security Office or by contacting the DSS on 008 030 707.

Yours Sincerely,

John Watson

Senator for Tasmania.

RED CROSS

ANNUAL REPORT FOR THE YEAR ENDING 1993

As President of the St.Marys Branch of the Red Cross, I am pleased to report that our branch has had a very successful year.

Our branch has seven financial members and I hope to see some new faces this coming year. Although, we are few in numbers we have had excellent public support with fund raising throughout the year.

The Red Cross Doorknock raised a total of \$3282.00 this year, thank you to all those who donated and helped to collect.

A successful Thank you BBQ was held at the St.Marys Golf Club, on the 8-1-93, where Mr Ed. Kremzer the Executive Director of Red Cross officially handed over the Heartstart Machine to the Ambulance Volunteers. Mr Noel Dalwood from the Tasmanian Ambulance Service presented Certificates of Accreditation to those who successfully completed the heartstart Training Programme.

I accepted, on behalf of the Fingal Municipal Community, a Red Cross Certificate of Commendation, presented by Mr Ed Kremzer, in recognition for their effort in raising \$6500 for the purchase of the Heartstart Machine.

I would also like to thank George and Marge Oliver for the much appreciated help they gave me with organising this event.

The Branch, has also received donations from the following organisations this year:

Fingal Festival Committee	\$100
Scamander Festival Committee	\$100
Fingal Football Club	\$250
Malahide Golf Club	\$200

Many other donations were received for Heartstart and these have been previously acknowledged in the Valley Voice.

The Ambulance has continued to function efficiently again this year. There are 7 regular drivers and 3 backup drivers. Five drivers are at present doing their attendant's training, and had their examinations last Saturday, 3/7/93 and have all passed.

The Heartstart Machine is in use and most patients are monitored during transport. There are 3 drivers and 5 nurses accredited to use the monitor and it has proved a valuable addition to our equipment. There have been 163 cases for 1993, an increase of 14 cases, several times during the year we have had both vehicles on the road together, twice during this month (June).

I would like to thank the volunteers and the Nursing Staff, especially Sr. P. Burgess for her continued support of the Service.

I would like to thank Cheryl and Geoff for their time and effort this year, also the Fingal Valley people for their marvellous support and I hope that this next year is as successful as 1993.

Thank you
Doris Bullock
President 1993.

ST MARYS VOLLEYBALL ASSOCIATION

Friday 16 July, 50 members and friends travelled to Bicheno's Diamond Island Resort where our trophy presentation and first ever dinner was held. A smorgasbord of seafoods, salads and platters of land meats, fresh fruits were served.

Following a delicious meal the trophy presentation took place with each member attending receiving a small brown parcel each. Some included beer, chewing gum, masks, party whistles, wine, protective underwear and many other items - some quite embarrassing. Masks were worn, whistles blown and protectives became balloons. After the noise and laughter had subsided, Rob Hart presented trophies to all winners.

MEDIA RELEASE

LIBERAL TASMANIAN SENATOR TO CHAIR SENATE COMMITTEE

Liberal Senator John Watson (Tas) has been appointed the Chairman of the Senate Select Committee on Superannuation. This move has few precedents in the recent history of the Senate.

For the first time in ten years of Senate sittings, an opposition member of the Senate has been recognised in this way. The last opposition Parliamentary member to chair a committee was fellow Liberal Tasmanian Senator Peter Rae in 1983.

Senator Watson replaces another fellow Tasmanian, the Government appointed chair, Labor Senator Nick Sherry who has ably led the committee over the past 2 years.

As Chairman, Senator Watson has the responsibility of representing the views of the whole committee in the media and at a range of public forums.

The committee is expected to hold hearings on such issues as increasing the Superannuation Guarantee from nine to 12 per cent, the role of employee contributions in this process and on the legislation to implement the recommendations of the Committee's second report, **Safeguarding Super**, on the prudential control and supervision of superannuation funds.

The Committee will also investigate the interaction between the allocated pensions and social security system and the use of superannuation funds to finance housing.

Senator Watson has been a member of the committee since its inception and is Parliamentary Secretary to the Shadow Treasurer, Alexander Downer, MP assisting him in tax and superannuation matters.

LETTER TO THE EDITOR

SAVE OUR HOSPITAL!!!!

The Fingal Valley residents are concerned with the closing of services that could occur at the hospital. We feel that there is no need for the closing of St. Mary's Hospital. With better public relations, services could be increased and the hospital utilized for the full benefit of the community.

Residents in the Fingal Valley will be greatly disadvantaged if they have to travel to St. Helens for medical admissions. Given the low socio-economic situation in the area residents can not afford to travel long distances for hospital treatment. The Fingal Valley Residents will be expected to travel to St. Helens for hospitalisation, for non-acute cases, can you travel to St Helens every day to see your family? Would you like to see another doctor, other than your own?

The Fingal Valley residents have limited resources, if the hospital closes, a much needed resource will be further depleted from the valley. Doctors in the area will be disadvantaged if they have no hospital for backup. A lot of people seek medical aid from the hospital after hours. Will our Doctors stay if the Hospital closes? As the population of St Helens increases in St. Helens for 3 months during the summer period, the St. Helen's Hospital is unlikely to meet the needs of the Fingal Valley Residents as well as their own.

As there is high percentage of elderly people in this area, due to lack of funding Community Health Care Services are not likely to be increased. What are the services going to be for these people? The elderly, who have supported the St. Mary's Hospital, should have the right to the security of being able to use this facility.

The Fingal Valley Residents are concerned if there is an emergency, Two Ambulances cover the area, no hospital beds, what will be the backup plan? If there is a mine disaster, school bus accident etc. and the St. Mary's Hospital is closed, there will be no nursing staff, to attend the scene in the Ambulance, no Hospital Backup, (locally) and it takes approx 45mins to reach the nearest Hospital(These things could happen)

The Fingal Valley Residents are concerned that all the resources and financial assistance are being taken away from our area for no reason at all. Health Care should not come down to money, it should be need, and should be available for everyone.

The Fingal Valley Residents feel that because the councils have now amalgamated, the WHOLE EAST COAST HEALTH CARE should be reviewed not just St. Mary's Hospital. People in the Fingal Valley are entitled to Medical facilities under the Medicare program. WE PAY OUR TAXES TOO!

"THANK YOU" FROM CAMP QUALITY

Once again many persons from Fingal and surrounding areas were involved in making our last camp in June at "Fawltly Towers" a great success.

Some provided delicious homemade cookies and cakes whilst others gave up their time to help in the kitchen and dining hall, washing up and cleaning.

Due to the increasing number of children involved in Camp Quality it was necessary to make the June Camp a "Junior Camp" mainly for the children under 12 years of age.

The Camp was very successful and thoroughly enjoyed by all the children and the efficient help given so readily by "The locals" certainly added to this success.

So on behalf of the children and staff of Camp Quality please accept our thanks and we look forward to your continued support.

Peter Crosswell
Camp Director.

LETTER TO THE EDITOR

Dear Sir,

The feeling at the recently held public meeting to discuss the future of St. Marys was exciting and friendly with a positively enthusiastic and optimistic atmosphere.

There was an exception. One speaker spoke in loud derogatory terms of the local tourist brochure. This brochure was funded by the generous financial support of the local business people.

The Chamber of Commerce with the assistance of the St. Marys District High School put time and effort into it's production. It is a budgeted brochure as available funds allowed.

Please do not criticise those who are willing to have a go. The brochure has to be better than none at all, as it covers the basic layout of the area, which was it's purpose at the time.

I wish those who have shown a positive attitude, success in what they are striving to achieve for this region.
