## TOURISM

The Steering Committee of the Progress Association this week elected Annette Wines, Chairperson, Karen Saunders- Vice Chairperson and Melissa Bean- Secretary. These positions will be held until the Committee goes back to the public with an allover plan for the town, if accepted, a formal committee will then be elected.

You may have noticed a suggestion box and Development Fund tin at the Post Office. Please feel free to use these. All suggestions will be categorized and recorded into short, medium and long term viability. We don't expect to collect a fortune in the donation tins but every little bit counts. Postage stamps alone have to be paid for out of someones pocket.

We are presently looking at an allover plan for the town which would attract tourists throughout the year. If adopted, the biggest requirement from the greater public would be man power. If you think you may have muscles to spare give us a ring. (Contact P.Wines 722187).

A History Room/Museum is more than just a possibility, as we already have a location in mind. Please if your family has been involved in any property, mine or business of Historic importance to the town, start going through your old photographs. There may be something there we could use in the future.

(Contact K.Saunders 722242, L.Brown 722598)

Another Annual event is also being given serious consideration. If you belong to any organisation that has to fund raise, give it some thought. You may be able to tap into the Tourist dollars (Contact B.Cornelius c/- P.O.)

## ST.MARYS

LANDCARE has been contacted and we hope to soon have a group based in St.Marys. If you are interested in developing Bush Walks or landscaping this is where you could become involved.

(Contact P.Witton 722422)

If fund raising is your forte, give Felicity a ring. The ball is already rolling for a major event in the next few months. If our plans for the town are not accepted, money raised will go to another worthy cause.

(Contact F.Spilsbury 722665)

It has been realised that no matter what else happens in our town, if we don't start recording the memories of our aged they will soon be lost for ever. One brave committee member has taken on the mammoth task of interviewing and recording, he can't do it on his own. Please assist him by talking to Aunty or Pop and taking down a few notes of your own.

(Contact J.Furlow 722460)

In our community we have a lot of people with special skills. It is our intention to produce a register of all skills in the district. Whether you are a glass blower or a worm breeder we want to know, maybe we can pass on some business to you.

(Contact M.Wicks c/- P.O. or use the suggestion box)

It will be some time until we are ready to present our overall long term plan to the public. Please be patient and keep coming up with those suggestions. The mind boggles as to where these wonderful ideas are coming from. If half could be used in the next seven years, what a fantastic celebration we could have in the year 2000.

Annette Wines.

# GOLF NOTES

## ST.MARYS GOLF NOTES

by Tee Up's Mate

A very big congratulations go to Trevor and Damon Viney for taking out not only the scratch Mens Foursomes Championship, but also the Handicap. This does not occur very often and both Trevor and Damon played well in shooting 75 and 77.

It turned out to be a good field with several new players amongst it. We had several golfers who succumbed to the stomach virus that hit the town that week, which no doubt affected the scoring, but all in all it was a good championship.

Last weekend Andrew "Sparks" Haas played very well to win the Eclectic Competition.

In the Associates, Carol Furlow and Mary Viney won their respective divisions in the Kellaway Trophy Day. Julie Hogarth won the hidden 9 holes and Beth Haas the putting. Julie took out the Brooch the following week also.

Don't forget to wish the Mens A Grade Pennant Team the best of luck in the Division 3 NTGA Finals at Riverside on Sunday 15th August. The team is very confident of doing well and is hopeful of a favourite draw in the event.

## ACTIVITIES DAY

On Wednesday of the last week of this term (August 25) there will be a special range of Activities offered to students to enrich their educational and recreational program.

This will involve students from Grades 4-12. Students will be able to choose either two half day activities or a full day activity.

Secondary students were involved in a similar day last term which proved very successful with activities such as golf, orienteering, exploring the Blue Tier, kite making and batik work proving to be popular.

Any parents who would like to be involved in the day by offering their expertise and skill in a particular area are invited to contact me this week.

Phil Walker  
ACTING ASSISTANT PRINCIPAL

### SOUTH OF THE MOUNTAIN NETBALL REPORT

On the 5th of August the E.N.E. netballers had to go to Scottsdale, we all had to be billeted out by Scottsdale E.N.E. representatives.

DAY 1. We arrived at Scottsdale about 9.30 am. and our first game was at 10.00. We had two separate teams Division 1 and Division 2, first off Division 1 played Scottsdale, Scottsdale were good. The day was cold and windy, our fingers were numb so it was quite difficult to catch the ball, but we survived. Next Division 2 played Scottsdale as well then we played the two other teams, Hagley and E.N.E. West. By the end of the day we were on the bottom of the ladder. We went to our billets for the night.

Day 2. We played all the same people as we did on day 1. Our quarters were 8 minutes on day one and 10 minutes on day two. After the day was over we all got a certificate for participation and Scottsdale team 1 and team 2 both won the competition, they did very well.

I would like to thank Miss Atwell and Miss Smith for their coaching and managing.

Elizabeth Field

### SOUTH OF THE MOUNTAIN FOOTBALL REPORT

On Thursday 5th and Friday the 6th of August our E.N.E. South football team went away to Hagley to play in the carnival. It was a long trip and as soon as we arrived there we unpacked our gear. We watched some of the first game and then at half-time we got changed for our game against E.N.E. North. The team played very well and we just scraped in by 2 points.

After the match we went and got changed and watched the other match. As half-time approached we went and got changed for our match against N.M. East. Our team played better and we won easily by 20 points.

When the match ended we had showers and got changed ready for tea. As tea ended we were told that we were going to watch a video and it was called "Problem Child 2". It was very good, when it finished we walked back to our hostel ready for bed.

In the morning we went and had breakfast, when it finished we did our chores such as poultry and dairy. After that we got ready for the Grand Final against N.M. West because we had won both of our matches.

The game was very close all day with N.M. West winning the Grand Final by 8 points. We played our best game of the carnival and just missed out.

The St Marys boys would like to thank Mr Bain for coaching us and Mr LeFevre for managing.

# AUSTRALIAN SCHOOLS SCIENCE COMPETITION

St. Marys District High School entered over eighty students in the Australian Schools Science Competition this year. Of these, sixteen were primary students, all of whom will receive a participation certificate. Outstanding students in the primary section included: Russell Smith, Ben Lewis, Sarah Mitchell, Joshua Bretag, Carlie Davies and Sari Oosterloo.

A total of 37,000 primary students in Australia, New Zealand, Papua New Guinea, Singapore, Fiji and Vanuatu participated in the quiz. In the secondary section 283,000 students entered.

The aim of the competition is to provide students with a stimulating challenge and comprehensive feedback on their performance. Students are required to answer questions which cover a range of science processes and skills.

All students in the secondary section receive an individual letter telling them which questions they got right.

Students who perform well receive certificates.

The certificates are awarded as follows:

- High Distinction - top 1% in the state
- Distinction - next 10% in the state
- Credit - next 20% in the state

Students in the top 20% of their school who have not qualified for one of the above certificates receive a Certificate of Achievement.

St. Marys secondary students gained thirteen credits this year which is considerably better than last year's performance. The results are also very pleasing in that we were very close to the state average score in years 7 and 8 and above it in year 10. Considering that all students at St. Marys have the opportunity to participate, this achievement in itself is quite outstanding.

### PUBLIC LETTER TO ST MARYS FOOTBALL CLUB

How long are the hard working members of the Footy Club Committee going to keep plugging away, trying to raise money and provide social functions for your Club?

It must be realised that if the committee crumbles so does the whole club.

Come on guys, hardly any support from players at the recently held Quiz night, and the turn up for last Sunday's Fairest & Best count was nothing short of a disgrace.

It's the first year in a new Association, you have a team sitting in second spot, surely that alone is reason to feel good about yourselves.

If you the players, can't be seen to be supporting your club, how can you expect the public to keep supporting you.

The meal was tops Ladies, pity about the turn up.

## ST.MARYS NEWS

extract from Cyclopedia of Tas (1900- 1902)

St.Marys a township in the county of Cornwall, municipal and electoral district of Fingal, is the terminus of the Fingal railway line, which branches from the main line at Conara Junction. In the centre of the extensive mining district known as Fingal, in which are the most valuable accumulations of pure carbon yet discovered in the island, are Fingal, Mount Nicholas, Durham, Cornwall and Jubilee Mines. It was for the development of these mines that the Government constructed the Fingal line.

Coaches leave the town daily for St.Helens, Goulds Country and Thomas Plains districts. The fares by train to Hobart and Launceston are respectively 51s and 29s. On the township are two good hotels, (The St.Marys and Criterion) a branch of the National Bank, a Savings Bank, Anglican, Roman Catholic and Wesleyan Churches, and the Wesley Social Hall, a building with commodious seating and staging capacity.

There is a local racing club, and Oddfellows Lodge. The population of the district is 3800, that of the township 290.

Compliments of the Fingal Historical Society.

### THE AFRICAN MISSION HOSPITAL APPEAL

On behalf of the Anglican Church I would like to thank the one family of St.Marys who cared enough to contribute to the box in the Health and Beauty Shop. Also the very few who donated to the box in Holders Store, Fingal. As we so often see on television, these people so desperately need help and we always know that our parcels are received, by the letters in return. Overall the response to our appeal was very disappointing. Thank you to John and Catherine from Health and Beauty and Henry and Robyn from Holders Store, for allowing us to place the boxes in their stores.  
P. Rubenach Fingal.

## DON'T QUIT

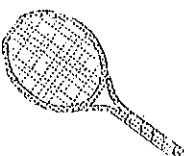

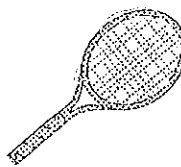

When things go wrong as they sometimes will,  
When the road you are trudging seems all up hill;  
When the funds are low and the debts are high  
And you want to smile, but you have to sigh  
When cares are pressing you down a bit -  
Rest if you must, but don't you Quit!  
Success is failure turned inside out,  
The silver tint of the clouds of doubt  
And you never can tell how close you are  
It may be near when it seems afar.  
So stick to the fight when your hardest hit  
It's when things go wrong that you mustn't Quit.

### LETTERS TO THE EDITOR

Dear Sir,

### PENSIONERS WILL BE FORCED TO SELL SHARES

Pensioners who own shares in publicly listed companies will have any increase in the value of those shares assessed as income by the Department of Social Security as from September.

While there will be a reduction in pension entitlement, there will be no other corresponding cash inflow. Many pensioners will have no other alternative but to sell their shares.

This is contrary to the Government's plan to lift the level of national savings through such strategies as the Superannuation Guarantee Charge. Australia's present saving rate at 16% of GDP is the lowest since the Great War and the Depression.

The present Government seems to have little concern for the financial and mental well being of the pensioner who has attempted to help this country grow economically by investing in shares.

Yours sincerely,

**JOHN WATSON**  
Senator for Tasmania
