## EXTRACT FROM AN INDEPENDENT REPORT ON THE TASMANIAN CRIMINAL CODE CRIMES AGAINST THE FAMILY

The Universal Declaration of Human Rights, and common law recognises that the FAMILY UNIT is the basic unit of society and deserves the full protection of the law. There can be no doubt that the Declaration was framed, as was common law developed on the understanding that the Family means the TRADITIONAL Family unit consisting of a female mother, male father, and their children whether natural or by lawful adoption.

It is also well documented that several groups in society have declared and published their intent to change the definition, and to abolish or undermine the traditional Family unit. Such intent, if published constitutes a criminal offence against the Family and Society.

There needs to be a new section of the Criminal Code recognising the obligation of the State to protect the Family and Society from such anti-social conspiracies.

It would be criminal offence to disparage the role, definition, composition or function of the traditional Family unit verbally or by any other means. It would not be a criminal offence to report on bona fide studies which may indicate problems arising within families, as long as the intent or summaries is not to disparage the Family unit per se, as that model has consistently served humanity for over 12,000 years. The model may be criticised where it is not seen to be fulfilling its potential, as long as the intent is to restore the potential of the Family unit.

No alternative model should be accorded the status due to the FAMILY, and no alternative should be given any advantage which will cause disadvantage economically, legally, politically or otherwise to the Family unit.

The inclusion of other styles of habitation or household within the term Family should not be accorded legal status, as this would undermine the sanctity and security of the bona fide family. Single parent households, may not be called families in respect to legislation, but may be referred to socially as a family where the parent is the natural parent or legal parent.

Same sex marriage or adoption of children by male or female homosexuals, or in vitro fertilisation of female homosexuals should be unlawful, as against the order of nature, and as contributing to the disorientation of the child, and undermining the security of social order and the family unit.

It would not be against the law for a homosexual female to have custody of her own natural child consequent to a former marriage to a male person, nor for a homosexual male to have custody of his own natural child consequent to a former marriage to a female person, where in either case there are no other factors which would indicate that such custody is against the best interests of the child.

It would certainly be against the interests of the child if the nature of a homosexual relationship were promoted to that child, as it renders the child incapable of discerning the true nature of human relationships, and may contribute to homosexual orientation of the child. As is now the case within heterosexual relationships, if the child, as an adult discovers that their parental role model contributed to a sexual disorientation occasioning actual harm, may seek redress in law from the parent.

## DAY CENTRE NEWS

The past few weeks we have had several shopping trips to town to prepare for the coming Christmas season, but the highlight during this time has been Paula Fearman and Margaret Bullock who have shared their musical talent with us all.

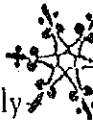

At this time I would also  give a **BIG THANKYOU** to all the Volunteers who have given their time during the year to make our lives brighter and more full.

Day Centre goes into recess 21st December after our Christmas Celebration.

**WE WISH YOU ALL THE MOST  
SPECIAL CHRISTMAS EVER  
AND A WONDERFUL  
BEGINNING TO 1995**

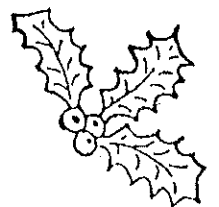

from Liz Guy, Volunteers and Clients at  
Day Centre.

*See you all on:*

*for Monday Session*  
*18 Jan 1995 - 11am - 3pm for our*  
**SPECIAL WEDNESDAY GET  
TOGETHER.**

*At* Christmas time  
Our hearts reach out  
To friends we think of dearly   
And checking through  
Our friendship lists,  
As all of us do yearly,  
We stop a while to reminisce  
And to pleasantly review  
Happy little happenings  
And things we used to do—  
And though we've been too busy  
To keep in touch all year,  
We send a Christmas greeting  
At this season of good cheer—  
So Christmas is a lovely link  
Between old years and new  
That keeps the bond of friendship  
Forever unbroken and true.

## SCHOOL UNIFORM

This time of the year gives us a good opportunity to think of school clothes for 1995. We have been delighted with the response of parents during 1994, and we now only have a very small group of parents who don't support us in this area. We would like to thank parents for their support. Our code of dress for 1995 has not changed from this year. A copy of this can be seen below. We will continue to pursue a hundred percent acceptance of this policy, as we believe it costs no more to buy a green windcheater than one of any other colour.

Thanks again to those parents who continue to support their school.

### CODE OF DRESS

St. Marys District High School's code of dress focuses on simplicity and liberality. It is expected that students will at all times be neatly dressed. Tops may range in colour. They may be green, black, white or yellow. The wearing of either rugby tops or a plain green jumper will be encouraged.

Colours outside those mentioned above are not acceptable and T-Shirts carrying bright slogans such as those displaying heavy metal are totally unacceptable.

The wearing of grey trousers or black track suit type pants will be encouraged. The wearing of blue jeans will be discouraged.

For all excursions unless otherwise stated, all students must be wearing the above school colours. Any failure to do so incurs automatic exclusion.

## THANK YOU

The members of the three Senior Citizens Clubs of the Fingal Valley were treated to a day to remember by the St Marys Lions Club. To those who were asked and did not go they missed one of the best days yet. Everything was first class - comfortable bus, very good driver, a pleasant morning tea at Scamander, some spectacular views, as seen by bus, not by car, at St Helens and at Binnalong Bay and our supposedly "soup and sandwich" luncheon at Surfside - a three course luncheon. A thank you seems little enough to say but it is said from the heart. Thanks also to Ron, Bettie, Judy and Jill who looked after us and the organiser Barry Wright. I for one look forward to our day from the Lions and I hope "God willing" I'm around for next year's.

## LANDCARE NEWS

by Jan Sparkes

The St Marys Landcare Group would like to thank everyone involved in our recent Art and Craft Exhibition and Sale of works held at the Community Hall St Marys on 26 - 27 November as part of "Celebrate Tasmania".

More than 200 people viewed the exhibition and a number of the 56 exhibitors sold works or took orders for further work. The talent in this municipality is very impressive and judging by the comments made in our visitors book the general consensus of opinion was "superb, talent galore, excellent, very interesting". So congratulations to everyone, especially so to the number of young people prepared to work at their crafts and put them on show - always a little daunting the first couple of times. Well done to all.

The little teddy bear "Ebony" Handcrafted by Felicity Bonner of St Helens, was won by some visitors from Launceston and will be delivered to them next week.

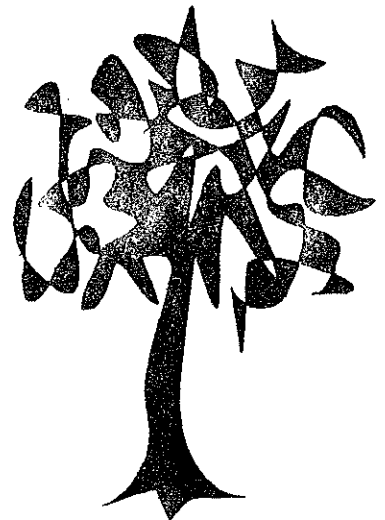

We are also pleased to announce that

financially the Art & Craft Exhibition was a success and we will be able to make a small donation to the Swimming Pool Fund in the very near future.

On 1 December, St Marys landcare Group received an early Christmas present! We were the lucky recipients of a fax machine and a photo copier by courtesy of Fuji Xerox, who generously made donations in kind to various Australian Landcare Groups. A huge "thank you" to Fuji Xerox - we shall make good use of the equipment, though, still can't quite believe our good luck!

St Marys Landcare Group has also taken over the recycling at St Marys tip. At present we will have to make use of the existing site but in time will improve facilities. Please leave your cans/bottles and plastic items by the bins provided. Milk bottles and cartons need rinsing, please or they can't be recycled! Thank you for your co-operation.

## SMACD REPORT

On two occasions in the last few weeks the SMACD INC name has been used in publications without first being cleared by the committee. One of these publications has caused us quite a bit of concern.

To clarify our position SMACD INC at this stage is affiliated with the Break O Day Umbrella Ratepayers and Residents Association. We are not connected with the Break O Day Municipality Election Committee.

The objectives of BURRA, if adhered to, are well meaning and have a role to play in the Municipality. Unfortunately BURRA last week used the SMACD name without first obtaining our consent and managed to cause us much concern and embarrassment. I will be taking this matter up with BURRA at their next meeting.

It is only a matter of weeks until Christmas and as I write this report, there are still no firm arrangements for a COMMUNITY celebration.

I personally find this very disappointing. There are some 400 families living in our postal district, there are numerous sporting groups and service clubs in the district, no one is prepared to commit themselves to the Christmas Festivities.

I'm sorry. I must congratulate one fine lady who has taken it upon herself to approach all business houses to encourage them to decorate their shop windows as well as arranging for a Nativity Mural to be painted at our Main Street intersection. Thanks to you, and thanks to all those business people who have responded so well, you all deserve a prize.

SMACD had their Christmas get together at the St Marys Hotel last week. The meal was truly sumptuous, Tania and Alana you did a marvellous job.

If there is any group intending to have a Christmas get together please be prepared to give these two local girls a go, you won't be disappointed..

Two members of SMACD will travel to town next week for the announcement of TIDY TOWNS winners, I will give a report on the results in the SMACD report next issue, as well as an up date on all of SMACD'S efforts to date.

## ST MARYS TENNIS CLUB

### PENNANT

Due to St Helens, Scamander and Falmouth being unable to field teams of 6 in the East Coast Pennant roster this year, the team structure was revised to maintain regular competition for Bicheno and St Marys.

Each team now consists of 2 men and 2 ladies each match having a total of 6 sets.

As a result of this change, St Marys was able to enter 4 teams with a further 10 players available as reserves.

There has been some keen competition and close matches in the four matches played to date.

### CHRISTMAS FUNCTION

Pennant will commence at 10.00 am on Sunday 18 December which will be followed by a social afternoon of tennis for any interested members. A BYO barbecue will follow and ladies are asked to bring a salad or a sweet please. If members do not wish to play tennis, they are welcome to join in the festivities at the barbecue.

### CHRISTMAS RAFFLE

A raffle of a decorated Christmas cake, wine and chocolates is currently being raffled at \$1 per ticket. This will be drawn on Friday 23 December.

### LIGHTS FUND RAISING

The total raised so far is \$1855.75 and we appreciate the community's support for this project. Activities have included mini tattslotto, weekly raffles, tennis fun days, football raffle and market stalls.

### CHAMPIONSHIPS

The closing date for all club championships is January 18. Names can be left at the Health & Beauty or on the lists at the clubrooms.

### NEXT MEETING

The next meeting will be held on Thursday 26 January following twilight tennis.

### MIDWEEK LADIES CHRISTMAS PARTY

## CRICKET NEWS

### ST MARYS VS WINNALEAH

Unfortunately this game was washed out due to heavy rain, although St Marys was bathed in sunshine for the entire day, our game never looked possible.

### ST MARYS VS BRIDPORT

A lot rested on this game as the Club is striving to make the finals for the first time in 165 years and both clubs close to the top of the ladder. Bridport won the toss and sent St Marys into bat, the ground looking superb after a recent cut. Both sides knew a score of 200 plus was required. We were away to a steady start, losing Jamie McKimmie for 9, but Jeff Woods looked well set and growing in confidence as his innings grew, combining with Marcus Greenwood and Andrew Scott for worthwhile partnerships. Andrew batted nervously at the start but showed how much promise he has making a hard fought 28. At the end, with run at a premium, batsmen went quickly as we compiled 9/196, and for only the second time this year using all our batsmen. Jeff Woods the backbone of the side with a fine 90. Lack of fitness on a very warm day I'm, sure costing him a deserved century.

When Bridports innings started we were confident of taking early wickets and putting them under pressure, but the reverse happened. After a quiet start, when we were looking desperately for our first wicket, 3 catches were grassed, letting the openers off the hook. Probably our lack of pressure cricket over many seasons told as first the catching and then the ground fielding deserted us. By the time we captured the first wicket, Bridport were well on the way to overhauling our total. A disappointing effort considering what was at stake, but with our biggest crowd of the year there, most players felt they had let themselves and

supporters down. But with everything else there is always a lesson learnt from defeat and the team will be practising fielding and catching until late this Tuesday.

**Bowling:** G McDonald 1/23, R McDonald 1/24, R Salter 1/24. Bridport 3 for 197.

We have a game just as hard next week against Central at home, let's see a big fightback to remain in the hunt.

**Duck Report:** One I overlooked a few weeks back, Chris Turner and this week, Chris Riley (although he said it was the best ball he'd ever faced - sure!).

## GOLF NOTES by Tee Up

A couple of extra good golf days coming up during the next few weeks. On **December 11** the Sunday Competition is a Ham Run and on **Saturday 18 December**, for men only, a Turkey Run and the Chicken Run is really taking off. I noticed among one of the Chicken Run six of the participants were Juniors and good attendances from Seniors.

Boags along with the Club are making a very interesting day available for Bowls and Golf with a 9 Hole 4 Man Ambrose and 9 end Bowls which each competitor must complete to be in the running for the trophy and a nice Barbecue and drinks at the end for all taking part. Should be a very interesting and hilarious day. Two more Chicken Runs that I have found in my search for scores resulted in a win for one of our Juniors in

The North East has formed a Pennant Council with each Club having a Rep on the Executive and the St Marys Club have Rodney McGiveron as their Rep. President is Rod Tarr and this will deal with all

complaints, fixtures and anything not making the Pennants a happy teams match that it always has been. After all, last year was a bit of a fizzler. Rodney is St Marys Rep as well as Executive Rep. Two more teams have been added to the rest of the Clubs making 6 in all for forthcoming Pennant season. Ben Lomond has formed a team and the new one is Freycinet from Coles Bay. These will be welcomed as now no byes will be necessary. Looking forward to the Pennant season next year with great interest as will be all players and onlookers.
