## ST MARYS DISTRICT HOSPITAL Support Association Inc

The St Marys' District Hospital Support Association Inc (Committee) are still engaged in the difficult process to ensure full and proper health services are maintained at the St Marys District Hospital.

To date public meetings, lobbying, and lately a legislative Council Select Committee investigating health needs in the Fingal Valley and surrounding Coastal Region, including Scamander and Bicheno have resulted from their hard work.

The Committee is most concerned with the downgrading of the Hospital including removal of the aged care beds. The privately run aged care beds at Medea Park are a great asset to the greater region on the North Eastern side of the Break O'Day Municipality, but with population further afield serviced by St Marys it is also desirable that some aged care places should be provided at St Marys District Hospital.

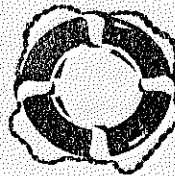

It is not envisaged that these places would interfere with services or funding at Medea Park as both State and Federal funds are being sought for the places at St Marys. The Committee spokesperson Mrs Cheryl Hendley stated that "It is morally wrong to force old people to move out of their communities to locations which are unfamiliar and remote from their own areas". Mrs Hendley further stated that "We (the Committee and local communities) may have to gear up for another round if we fail to achieve our objectives through our efforts so far".

It is further hoped that fairness will prevail in the provision of health services in the region.

Places for the aged should be spread out to meet the needs and desires of everyone. Most people supporting that concept state that it also makes

sense to be closer to the major health facilities.

The Committee has been able to maintain its momentum simply because it does have the full support of the communities surrounding the Hospital. Mrs Rona Gatty of the Committee wished to offer a sincere thank you to these supporters and stated that "Without their support we would never have been able to make it this far".

### WATER SAFETY

For CHILDREN UNDER SCHOOL AGE, the most important thing is SUPERVISION.

- Under the age of about six, **no children are "water safe", even if they have had swimming lessons.**
- Make sure your young children NEVER play in or near water unless a responsible adult is close by and has them in full view.
- If there are several children, more than one adult is needed.
- NEVER leave young children alone near a swimming pool, even for the time it takes to go the telephone.
- Any swimming lessons for a child less than four years old should be on a one-to-one basis, not one adult for a group of children.

SCHOOL AGE CHILDREN need to be educated in SKILLS and CONCEPTS of water safety, so that they can form sound judgements about their own ability and about any difficulties.

- A competent instructor should teach everyone in your family how to swim and how to apply mouth-to-mouth resuscitation.

ADULTS need to remember the danger of ALCOHOL. Most adults who drown have not intended to go into the water, have been fully clothed, and have been drinking alcohol. The obvious conclusion is:

If you've been drinking alcohol, don't go near the water.

## THANK YOU

I would like to thank St Marys Sports Centre for giving me the chance to attend Camp Banksia. I enjoyed myself and it was great to be able to play on some of the biggest golf courses on the North-West Coast.

We had three coaches who were really great and helped us with all our shots and guided us through the rules.  
ADAM FLETCHER.

We would like to take this opportunity to pass on our appreciation and many thanks to the St Marys Sports Centre for sponsoring and giving Adam the opportunity to attend the golf camp, Camp Banksia at Port Sorell from the 10-15 September.

Also to everyone involved with the running of the chicken board and raising \$20 spending money for him.

As everyone would know, Adam really loves his game of golf and we feel that this was really good for him as he had the opportunity to meet other boys and play on many big courses on the North West coast.

## BREAK O'DAY COUNCIL NEWS

### Tasbash

The Variety Club of Australia have advised Council that the CUB Carlton - Variety Tasbash '95 will be passing through the Break O'Day Municipality on the 18th & 19th of October with an overnight stop in St Helens on the 18th.

### Tasmanian Timber Sheds

The Local Government Association of Tasmania have received support from Council for a project that they are promoting, which will document and market Tasmania's unique collection of timber sheds. The Association are suggesting a Statewide project to identify, photograph and research the history of all the timber sheds that can be seen from the road. This information would be put into a glossy photograph publication and tourist map to encourage tourists to undertake a 'Timber Shed Trail'. Federal Government funding is being sought for this proposal.

### St Helens Tourist Brochure

The St Helens District Chamber of Commerce are currently organising the re-printing of the St Helens Tourist Brochure. Council have agreed to support his publication by placing a small advertisement. If you would like to support the brochure you can contact the Chamber of Commerce at PO Box 277, St Helens, or by contacting Cr Brenda Blunt at Blunts Caltex Service Station, St Helens.

### Rate Payments

Payment of rates can be made either in a lump sum or by four instalments. If you pay your rates in full by October 18, 1995, Council offer a 3% discount. For the convenience of ratepayers, Council will be making arrangements for a temporary site for the payment of rates.

SCAMANDER - October 4 - 9.00 am to midday at the Post Office.

ST MARYS - October 4 - 1.00 - 4.00 pm at St Marys Community Contact Centre, 44 Main Street, St Marys.

### Town Planning

Town planning is probably the Council activity that received the greatest amount of attention from the public. At times conflict can arise due to the requirements of the planning scheme that the Break O'Day Council inherited at the time of amalgamation and state government legislation.

During the last twelve months the Coastal and Marine management Strategy has been completed and during the next twelve months a New Planning Scheme is to be implemented and the Federal Government is funding a Georges Bay Integrated Local Area Planning Study.

### Temporary Offices

Due to renovations of the St Helens Municipal offices, Council is currently operating from temporary offices at Pendrigh Place and Tully Street. General enquiries and payment of accounts should be made at Pendrigh Place and services such as town planning, health, plumbing and building inspection are housed at the Sports Complex in Tully Street. Fingal operations remain the same apart from being closed for lunch from 100 to 1.40 pm.

## LANDCARE NEWS

Jan Sparkes

Mr Ken Stewart, the 1995 Tidy Towns judge, advises us that "St Marys community is putting in a lot of hard effort" and the Tidy Towns Organiser "would like to encourage St Marys to continue with these activities and seek some recognition through the program." So writes Karen Baddily, Tidy Towns Co-ordinator on behalf of the Keep Australia Beautiful Council.

Well, the judging is all over and done with for another twelve months. Nevertheless, thank you to Marj Oliver for showing her garden to Mr & Mrs Ken Stewart even though it was some six weeks too early to see it at its best, the small space behind Marj's cottage was packed with promise of delightful scents and colourful blooms.

Pam Lynch's garden by contrast is open, framing views of the Fingal Valley and distant Ben Lomond, still covered with snow. Mr & Mrs Des Williams' garden is a wonderful mix of exotic and native shrubs and trees covering the whole of the front garden, making it look rich and exciting and a delight for our bird life. Thank you for opening your gardens to the judges.

A recent trip to Gray Mares Tail Reserve was also very pleasing. The job to enhance the area is just about complete, a great achievement! Six months of hard work by a team of young LEAP workers has turned a litter-strewn, weed infested area into a very pleasant short walk and picnic area.

The second group of LEAPers in our area, now half way through their work experience and training are also going from strength to strength transforming unsightly, degraded areas of public land into attractive community assets, adding value to the town for its residents and visitors. A great effort by the young people and their supervisors and something of which they can all be justly proud. Some much needed rain fell at last, nowhere near enough no doubt, but very welcome nevertheless. The young seedlings planted in the last few months lapped it up. Let's hope we receive some follow up rains in the next couple of weeks.

Mike Cassidy from Water Watch will be at St Marys District High School next week to instruct science staff in the monitoring of our water. More on this topic in the near future.

### WHOLE CO-OP

I would like to start a whole food co-op going in St Marys. In order to do so, a committee needs to be formed to manage the Co-op. At present there are a few people who have come forward and expressed their interest in working on a committee, this is a good start but more people are needed. The co-op may not only sell whole food (legumes, dried fruits, nuts & seeds, herbs & spices) but fresh produce. Locally grown organic fruit & vegetables, homemade preserves, jams, crafts and homemade bread. This could be an ideal outlet for anybody who has access to fresh produce & goods to sell.

If you are interested in working to form a co-op please contact me at the Community Contact Centre.

I'M FINE THANK YOU.

There's nothing the matter with me,  
I'm as healthy as I can be;  
I have Arthritis in both my knees,  
And when I talk, I talk with a wheeze.  
My pulse is weak and my blood is thin,  
But I'm awfully well for the shape I'm in.

Arch supports I have for my feet  
Or I wouldn't be able to be on the street;  
Sleep is denied me night after night  
But every morning I find I'm alright.  
My memory is failing, my head's in a spin  
But I'm awfully well for the shape I'm in.

The moral is this, as my tale I unfold  
That for you and me who are growing old  
It's better to say, "I'm fine," with a grin  
Than to let folks know the shape we are in!

How do I know that my youth is all spent?  
Well my "get up and go" has got up and went.  
But I really don't mind when I think with a grin  
Of all the grand places my "Got up" has bin.

With my ears in the drawer, my teeth in a cup,  
My eyes on the table until I wake up;  
Ere sleep overtakes me; I say to myself -  
"Is there anything else I could lay on the shelf?"

When I was young my slippers were red,  
I could kick my heels over my head.  
When I was older, my slippers were blue,  
But still I could dance the whole night through.  
Now I am old, my slippers are black;  
I walk to the store and puff my way back.

But just the same, with all my afflictions  
Of failing health, and old age restrictions,  
I'm awfully happy, to be able to say  
"For the shape I am in, I'm quite well to-day!"

## SMACD REPORT by Rod McGiveron

It was very disappointing not to see more representatives at the last General Meeting on September 11th from the other Community groups after each group was invited to give input to the Association. Sadly it seems that we are destined to keep joint projects at arms length to the disadvantage of the town. For some reason SMACD seems to be on the outer a little but we want this to change in time. To Mr Kluber in Letters to the Editor in last Valley Voice I make a personal invitation. This is for you to come along to the next SMACD General Meeting in October and put forward your feelings in person. This also applies to any interested people. Mr Kluber your opinions will be listened to and it may be enlightening to see what we are really aiming for. Hope you will avail us of your time. Unfortunately none of our hardworking Councillors could attend the meeting as their meeting fell on the same day but again we welcome their personal attendance at any future meeting. We did however have Development Officer, Mr Stephen French attending on the night and his input was greatly appreciated.

SMACD is here for the long haul and if we can reiterate once again that we want to SUPPORT ANY WORTHWHILE PROJECT that we possibly can. It could be to everyones advantage.

Members please note that the bush-walking arm of the association will have a day on Sunday October 1st from Seaview Farm. Mr Geoff Weston is the designated leader on that day. Bring your own tucker for about a 3 to 4 hour day and 10.00am is the start time. A big thanks to President Jim Haas for rekindling the bush-walk idea as this could eventually lead to some other tangible benefits later on. It is hoped to run at least one walk per month and hopefully everyone will take turns in choosing the walk. All trekkers are welcome to join in.

Watch out for a Saturday morning market proposal beginning in mid October after the required approval is gained from Council.

The purpose of the meeting will be to disseminate information about the potential of organic meat- particularly beef.

All Welcome. Further enquiries contact Annette on 722759

### WHAT'S ON S.M.A.C.D BUSHWALKING CLUB FIRST WALK- Sunday October 1st 10.00am Seaview Farm Day Leader- Geoff Weston B.Y.O. TUCKER

There is the prospect of a varied range of stalls for the customers. Initially the markets will be held in the vacant yard behind the Contact Centre.

Another initiative around November is a Keep Australia Beautiful Clean Up Day where secured funding will be put to good use. We would have liked to assist in a co-ordinated way with the Lions Club recent Clean Up the World Project but a ring around found that a large proportion of members were unaware of it's happening until too late to link in properly. Just the same congratulations to Lions for doing a worthwhile job.

Vice President Sue Quinn is beginning to organise regular Bingo nights, likely on Wednesdays once a month soon. SMACD also anticipates having some involvement with the Christmas Celebrations as well as holding a Family Day Golf Tournament in the next few weeks. There is anticipated assistance to be offered with the Doll & Lolly Shop idea where possible too.

What a fantastic possibility the Streetscape is. I urge all the community to look over the preliminary document at the Contact Centre because without doubt it is the most exciting thing that could happen here for decades. There are real job opportunities, it's sustainable and it could induce people to travel into St Marys to see our town again.

Don't knock until you look at it because it is a genuine and well researched proposal. Many thanks to the Urban Design team from Hobart that have done an enormous amount of work, together with our hard working R.D.O. from SMACD.

Let's not forget another pair of exciting ideas being seriously investigated for early 1996 they being a Film Festival at Todds Hall and Ulysses Motorcycle (over 50's) Club visit, both should inject benefit to the town. A continuation of the resources job currently being done by Wendy Webb is soon to be advertised. Wendy does a brilliant job and her dedication is just terrific. It will be a shame to lose her after November, thanks also to Ross Begent from the TDR for running a series of "Getting Started" seminars over the past 6 weeks. They were great. Together with this the Glenara sourced Computer Training course has been well received and attended.

Finally let's not forget Annette Wines. Since my involvement as Secretary I have been totally and completely amazed by her dedication to duty as EDO, she never wavers from the task at hand and whether you love her or hate her she deserves the respect and appreciation of the whole community. Thanks Annette.

This is my opinion that some people continually slate the group at every opportunity. Most appreciate what is being done that I have spoken to. To the minority that constantly criticize, let me assure you that we will not be put off because we believe in our town and we will always fight for improving it where we can. To the majority, thanks for your continuing support and we hope to assist in the future.

Until next time.

## Valley Saints Football Club News

Two successful trophy nights were held to wind up the season for all grades of the Valley Saints Football Club Inc on the 15th & 16th of September.

On the Friday Night the U/16's dinner at Fingal saw a turnout of 90 people and players attend the Dinner and trophy presentations. Those to win trophies were:

Trophy	Winner	Donor
Best & Fairest	Andrew Scott	Union Hotel Avoca
Runner Up	James Laycock	K & V Leedham
Best Backman	Luke Freeman	B & D Johnson
Best Clubman	Andrew Seymour	Athol Woods, Ken Hall & Thelma Cooper Memorial (Donor - families)
Leading Goal Scorer	Adam Johnson	M & K Webb

Best First Year	Simon Grice	Dally Morris Memorial (W & L Morris)

Most Creative	Tim Hall	Bob Marshall Memorial (Marshall family)
Coaches Trophy	Jonathan Peake	Michael Kringle

A presentation of medallions was made to all U/16's who did not receive a trophy thanks to the generosity of those people who donated money towards this cause. A disco was held later in the evening, but a tough season looked as though it took its toll on the lads, as their legs were too sore to dance.

A SENIORS and Reserves Dinner held at St Marys on the Saturday night saw a crowd of 200 catered for (thanks to our dedicated Ladies Committees on both towns for two great dinners), with special guests, football players, followers and their wives enjoying a three course meal. Trophy winners were: Seniors -

Trophy	Winner	Donor
Best & Fairest	Craig Woods	L J Lowe Mem.(Lowe family)
Runner Up	Dale Ridgers	R & A Donald
Best Clubman	Jarrold Woods	D & G Faulkner
Best Backman	Scott Furely	Ray Ridgers Mem.(M Ridgers)

### RESERVES

Best Clubman	Wayne Pech	P & L Cowie (Cowie family)
Best Backman	Michael P Bramich	Brian French Mem.(French family)
Most Improved	Mark Hardwick	L & H Newman
Leading Goal Scorer	Danny Woods	G & K Saunders
Most Consistent	Tim Mason	Union Hotel Avoca
Best in Finals	Adrian French	Union Hotel Avoca
Service to the Club	Troy Triffitt	George Shaw

Also on the night, awards went to Jason Hall (200 games), David Lowe (100 games) and Dale Ridgers (300 games). Included with Dale's awards was the inaugural Life Membership of the Club. This was due to all player's service being carried over to the new Club. Well done to those players, especially Dale who now joins the list of Life Members of both former Clubs, whose service is continued to be recognised. A great night, wound up by Kirk & Trudy so all could dance into the wee hours.

Congratulations to all trophy winners, thanks again to all donors and those who helped towards the '95 season. I'll leave the last thank you short as to single individuals out would certainly offend someone. On a personal side I would like to comment about those people who filled the committee of the new club, especially those who may have reluctantly filled executive positions on the committee. Although it may seem on the surface that things always ran smoothly, I'm sure that, as in many clubs, because those who actually get in and help are thin on the ground, it does at times make even the simplest task more difficult. Although I, as have many others, found it easy to criticise over the past months, it must be remembered that because of the nature of the decision to amalgamate, it may have left many on a 'hiding to nothing', the general and executive committees stuck wilfully to their commitment of continuing football in the Valley. I thank again every one of them for their time and commitment and hope that they, with a lot more help, can continue for many seasons to come. Just a final word, I was asked by some people how many from St Marys compared to Fingal footballers actually won trophies. They are listed above for all so see and I am pleased to announce that every single trophy was won by a Valley Saints footballer. Hope that most can see that too.
