## Congratulations! Absolutely Buggy Marvellous

Mr John Marshall  
Principal  
St Marys District High School  
ST MARYS TAS 7215

Dear John

*Congratulations to Steve Plowright and all staff, students, parents and friends who contributed to the magnificently successful presentation of the musical "Bugsy Malone".*

*I judge this mammoth co-operative effort to be a giant, positive and progressive step forward for the St Marys District High School.*

*The general attitude of gloom, all too prevalent in our community, was swept aside by the excellent performance of the many individuals involved and the uplifting wave of self confidence that automatically flows from such a successful production.*

*The surge of advancement in confidence and self esteem may be immeasurable but is real and significant on both the individual and the community.*

*I can - we can - we will, are progressive steps which in this case resulted in an outstanding achievement.*

*May the glory of this attainment continue as a permanent challenge and inspiration to the individual and the community. Well done!*

*Yours sincerely  
George Shaw, MLC  
MEMBER FOR MACQUARIE*

The other Thursday night I made my way over to the school hall for the Buggy performance. It was a warm night and people were arriving from all over the area. You walked up the steps and you could hear the 1920's background music setting the scene. The young usherettes were showing patrons to their seats in a very professional manner. In fact the word professional really sets the scene for the entire evening because about two hours later I walked back to my car feeling very contented that the cast and crew had put together a great show.

Right from scene 1 act 1, the show flowed wonderfully and the story unfolded.

Although I saw little bits and pieces over the past couple of months during a working day and occasionally heard the band practising the music, I never thought that it could be as good as it turned out without hardly a blemish. I believe the Friday performance was even better. It must have been extra good.

As far as cast goes all were great with whatever part they played. Lead roles by Ben Lewis (Bugsy), Carlie Davies (Blousey), Bekah Andrews (Tallulah), Eric Adamczewski (Dandy Dan), Bong Bong Louis (Fizzy), Tim Marten (Leroy) and Roly Keath (Fat Sam), were marvellous and I must mention the parts played by Brett Davey (Captain Smolsky) and Blair Adamczewski (O'Dreary) as nearly stealing the show. They were great too.

The awkward part of removing the dead (splurged) bodies from the stage was very innovatively handled by the funeral director and violinist accompanied by the nifty little death march done by the

Bugsy Band. Very clever.

The costumes and make-up were handled with great attention to detail, choreography and musical directors had worked out how to maximise the stage and the sound effects were a terrific addition to the show.

Special mention to the set designers and makers. Just simply wonderful. Lighting was an important part of the show as were the splurge guns. Brad Ennis and Howard Jones respectively did great technical jobs there, together with their assistants.

To sit back and watch so many (about 100) working together with the aim of bringing great enjoyment to many hundreds of people was really something. And to see every single person that walked out of the performance at the end smiling with pride must have made the cast and crew feel terrific that all those hours were worth it.

Let's not forget the Director/Producer, Mr Steve Plowright, whose ambition was to see Buggy Malone done well and without a doubt he certainly achieved the aim. Thanks cast and crew and congratulations. You have done yourselves proud and the St Marys District High School Drama department, of course.

We are all very proud of your efforts.

## LETTER TO THE EDITOR

Dear Sir

I visited our lovely new musical playground with some visitors from Hobart in the hope to show off what a community can achieve when groups cooperate with each other - I refer to SMACD, Break O'Day Council and work schemes. The park is one of a kind and something for which all should be very proud.

It is unfortunate that my visit ended in disappointment because I noticed that vandals have already started ruining one of St Marys newest features. This playground should be looked after by all, children and adults alike.

I don't necessarily mean painting and maintenance but generally keeping an eye out for the offenders and reporting them to the appropriate authorities. Why should a few idiots be able to ruin this unique playground for the rest of the community.

It is up to each and every one of us to ensure that this all public equipment is not deliberately ruined. I feel that council accepts that the playground will need maintenance from time to time but vandalism is not only a disgusting act but a very costly exercise and generally the cost will fall back on us - the ratepayers.

Please everyone - if we all discuss with our families the problems of vandalism and that the end cost of this act is born by each and everyone of us we will be able to take pride in our newest asset.

Regards  
Karen Saunders

## KITCHEN STAINS EASY TO DEFEAT

Kitchenware often becomes discoloured and stained with regular use but the Lever & Kitchen Advisory Service has some hints to restore it to its original sparkling state.

Stained china should be soaked in a solution of warm water with a few squirts of household disinfectant cleaner, such as Domestos and rinsed well.

However, avoid using this solution on items with silver or gold trims or those which are chipped or cracked.

Chopping boards, jars and containers which have been filled with strong smelling ingredients such as garlic frequently hold the offensive odour for long periods of time.

A solution of cold water and household disinfectant cleaner will also be effective in this situation if the items are soaked for a couple of hours.

An overnight soak in such a solution should remove all traces of tannin from tea cups, mugs and teapots.

One of the most dreaded kitchen chores, cleaning the oven, is made easier by pouring one cup of strong household cleaner containing ammonia, such as Handy Andy, into a tub with enough hot water to easily cover the grill trays and oven racks.

Soak these for several hours, then rub clean with a scouring pad and rinse well.

Clean the oven with a cream cleanser, such as Jif and scrub with a scouring pad to remove baked on grease, rinsing well with warm water before wiping clean.

It is advisable to wear rubber gloves when using cleaners containing ammonia and to cover your nose and mouth if you are particularly sensitive to strong fumes.

St Marys Butchery

ST MARYS TAS 7215

We moved to St Marys from Trevallyn in July 1991, seeking a less hectic lifestyle and believing that a small town would be more desirable for raising children. The prospect of running a business and making a home in a town where we didn't know a soul was a frightening thought, however the friendly and helpful nature of the locals helped us to settle more quickly and to soon feel part of the community.

We have two children, Adam who works with us and is currently in his 2nd year Butchery Apprenticeship and Emma-Lee who is in Grade 9 at St Marys High School.

Adam, Brent and Emma play volleyball, Adam plays football and Brent and Adam enjoy the odd game of social golf.

Emma is employed as a casual at

the St Marys Top Shop and also helps at the Butcher's Shop on a Friday after school.

Brent enjoys wood-work and spends any spare time in his shed, while I spend any spare time tending to my garden and indoor plants.

We work long, busy hours, but at the end of the day can reflect on good humour and friendly conversations shared.

# Cricket News

After a first-round wash out, St Marys first game was the tough assignment of Winnaleah at Winnaleah. The young Tiges were sent in to bat and struggled to come to terms with the long grass and wet outfield. Young all rounders, Andrew Scott and Danny Woods did the bulk of the scoring with 24 runs a piece in a modest total of 84.

Unfortunately when Winnaleah commenced to bat so did the drizzle making things difficult for the fielding side. Winnaleah were at one stage 0/50 but with the introduction of wrist spinners Troy Triffitt and Roger Salter, soon slumped to 4/62 eventually limping home with 7/88.

Despite the loss, captain Leigh Nehls was pleased with his young team's efforts in fighting back in the worst of conditions. Roger Salter, Damon Nehls, Andrew Scott and Daniel Gillies put in a fine effort in the field together with keeper Geoff Woods who did not concede a bye.

Scores: St Marys 84 - A Scott 24, D Woods 24, were defeated by Winnaleah 7/88, T Triffitt 3/13, R Salter 3/29.

In round three St Marys played Bridport at home. The visitors won the toss and elected to bat. After being in some early trouble at 3/44, Bridport recovered to a respectable 203. Leigh French and Troy Triffitt producing figures of 3/13 and 2/11 respectively.

After the early loss of Andrew Scott, Geoff Woods (25) and Leigh Nehls (24) put on a partnership of 46, before the middle order collapsed. Paul Mason and Damon Nehls steadied the ship, however with the departure of Nehls, St Marys were eventually dismissed for 154. First gamer Paul Mason topped scored with 59.

Troy "Nifty" Triffitt and Leigh French won the much sought after Coach House Pizza Award. The club would like to thank Andrew and Jackie Wilson for their continued support.

## St Marys Trotters & Owners History

Tony Davis came to St Marys in the early 50's from Hobart. He ran a local shop and also a school bus run. He was also a life member of the local Pacing Club. His first horse I believe was Leeward who he purchased off Reg Wadley. Leeward won a few races for Tony. Also Whispering Sands quite a few races including wins at Elphin and Burnie. He ran second to a good horse Ray O Sunshine in a St Marys Cup.

Whispering Adios won the St Marys Cup driven by G Peck. he was a half brother to good horses Yallara and Peyton. Their dam Novelette owned by Bill Spencer had, I think, eleven foals all being winners. Yallara ran fourth in a Perth Interdominion final.

Whispering Adios won about a dozen races. Tony bred Bye Bye Dixie from Fred Triffett's mare Shiela Dorell by Chamfer. She won several races before being purchased by Bob French.

Trained by J Rosier she won quite a few more races including an Easter Plate when driven by Don Peck.

Pretty Star, bought off Lionel Bullock was sired by Tom Alvas stallion Logans Image and won one race for Tony. Later raced

by Bernie Barwick she won a couple more. Peggy Alto, leased off Fred Triffett won two straight at Elphin. Williams from the North West won a couple with her later on. Pretty Penny won at St Marys January 1, 1962. Sold after this win she failed to salute the judge again. Like most race horse owners, he had a few good ones and plenty of donkeys. Bernie Barwick had two horses when he came to St Marys about 1960. They being Shy Jim and Natagri. Master Chamfer won about four races for him including wins at Westbury and North West Coast. He also ran quite a few placings. Later raced by Max Bartlett he won a further six races.

Pretty Star bought off Tony Davis won three for Bernie. Officers Special previously owned by Lionel Bullock, Colin White and Crosby Davern won four races. He was by Petty Officer from All Velvet who was Linton Bullocks good mare which won a Saplings Stakes at Elphin when driven by Stamford.

**Eric Bean & Colin White who has a remarkable memory of horses and dates.**

## Changes to DSS Rules for Volunteering by Unemployed People

The Department of Social Security has introduced changes making it easier for unemployed people to do voluntary work as an alternative to active job search.

People aged 50 years and over are now able to do unlimited amounts of voluntary work as long as they do at least 32 hours per fortnight, approved by the CES, and with an approved not-for-profit organisation. These people will no longer have to report their job search efforts to the DSS, but must still be available to take paid work or referral to a job interview. Potential volunteers who are unemployed and over 50 might be referred to organisations by either the CES, private case managers, or the Volunteer Centre's Referral Service.

The DSS has indicated that all Volunteer Centre member organisations will automatically be considered "approved" organisations.

The rules on volunteer work undertaken by other unemployed people have also been relaxed, and it is still possible for all unemployed people to undertake up to twenty hours per week of volunteer work as long as they continue to demonstrate adequate job search.

More changes in DSS policy and practices are anticipated for September 1997.

Just for a change, a building at Cornwall has been removed not by burning it down but this time transported away. The Anglican Church which was built and paid for by the people of Cornwall is to be a house at Falmouth I believe. It would have been nice if the building could have been utilized at Cornwall, but now all we have is the ugly foundation. I hope between the Break O' Day Council and the St Helens Church they make certain that the foundation is removed and the ground is kept cleared and mowed. Una Camplin

How nice 'twould be to find a firm that

# St Marys Sports Centre News by Kackhandor

From now on there will be a report on happenings around the club so here goes.

Next weekend the club hosts an Invitation Golf Day consisting of Canadian Foursomes any combination male/female, male/male, female/female or anything else! Start time is 12.30 pm followed by barbecue tea. A good field is hoped for. Also some representatives will be heading to Bicheno for the NEDGA Open Championships so good luck to all. Last weekend saw a successful annual tournament although numbers were down a little. Congratulations to the ladies who braved the rain and did very well. Trophy winners were Leeanne King in A Grade, Beth Haas, Bobby Harwood in B Grade and Helen Hayes in C Grade. Mens trophy winners on Saturday included Chris Davern (Open Champion), Rod McGiveron in A Grade, Shaun Fletcher, Umesh Pratap in B Grade and Jim Haas and Leighton White in C Grade. Shaun Fletcher also took out the Junior Championship and John McDonald took out the Senior event.

Mens Foursomes Champions were Chris Davern and Dale Ridgers and Mixed Foursomes were won by Rod McGiveron and Heather Hayes and Jack Viney and Janice Tapp. All in all the St Marys players really dominated the events over the three days. This

weekend Shaun Aulich won the Saturday Par event. On Sunday Matt Viney (46 points), Scott Wilson (44 points) produced 77 off the stick each to record incredible scores. Also a special mention to Jack Wines who shot a great 42 points in stableford too. On the 16 November, Ben Lomond hold a Summer Tournament and there will be a bus going if enough people wish this to be the case. Please put your name on the list.

Now bowls news and so far this season it has been a less than successful year but we all hope this has been caused by chronic shortage of players. The ladies could not play pennant due to this problem but they are a great bunch and will fight back next year.

In Mens Pennant although we have enough for a team, the first four weeks have resulted in three big defeats and a shared points washout. The low ebb was a fortnight ago when a forfeit occurred against St Helens Blue. It seems that a year of struggle until more players are available is the case. This upcoming weekend sees St Marys play host to Bicheno. Let's hope a first up win for the season will see our great club turn the corner and push for a finals spot in February.

Finally back to golf and the Ladies Annual General meeting. Carole Gunson was elected President, Heather Hayes Vice President, Pauli Wyminga Treasurer, Beth Haas Secretary, May Cook Captain, Bobby Harwood Committee. We are sure all will do a great job.

The club has purchased a new ride-on mower which will make greenkeeper Glen's job a lot easier. A big thank you to Glen, Jim, Eddie, Tony, Trev, Graham and others for a marvellous job recently preparing the course for the tournament. It looked and played great and received many favourable comments.

Don't forget the golf Sub Committee Annual General Meeting in a couple of weeks and all are invited to attend. For any inclusions in this report please ring 63722215 by the Sunday night before Valley Voice week if possible. Until next time good hitting and rolling.

Encouraging signs recently at the vote for an Association, at the Fire Shed. With the phone running hot Friday night and Saturday morning with apologies, the numbers were expected to be down. Some 58 people still found time to attend and vote for their option, as well as 32 proxy votes, shows a lot of interest on the town.

The meeting voted overwhelmingly to rejoin the Esk-Deloraine Association next season. Coaches positions have been called and close on the 6 December, any applications addressed to "The Secretary, C/- Post Office, St Marys.

An interesting letter was read to the meeting from John, Murray and Robert Schier, enquiring about the club and what is happening. News travels far and wide as John is working in Darwin at the moment and still heard about the resurrection of the Club! The fax he returned is printed in the next column. The Club was invited to the last of the Esk Deloraine General Meetings for the year last Friday and received a warm welcome back, each Club delegate was given time to ask questions that were relevant to them

*Unfortunately we can't be there on Saturday night. Sincerely hope that everybody gets behind the Committee. Congratulations on initiative shown in membership drive.*

*A cheque is in the mail from us three. Hopefully Moscow and David and Father will follow suit.*
