

The Valley and East Coast Voice

Volume 29 No 16 Friday 6 December 1996 Established 1968 Price 50 cents

Significant Historic Sites in the Fingal Valley

Some months ago Historian Lindy Scripps visited towns in the Valley talking to some of our more senior citizens, gathering information which is to be included in an Historic study of the Valley which SMACD is conducting with assistance of a grant from the National Estate.

Thanks to those people who kindly shared their memories with Lindy, the study is nearing completion and should be published and available for purchase early next year.

It is now time to start on the significant site component of the project. To make this part of the project a success we require the assistance of the public once again and would like to hear from anyone who has knowledge of any building, grave site, old mines etc which if not soon recorded will be lost to time.

In the past it has been the more significant places such as Killymoon and Cullenswood which have been listed in the National Estate, we are now seeking out those things that were important in the lives of the working class man.

The old slaughter house on Gray Road has been recommended for listing in the last 12 months and is a fine example of something which was very significant to the lives of our pioneers.

Please help us make this search a success by coming forward with your local knowledge. If you know where there is an old grave, building or the likes, jot it down on a piece of paper with a brief description or a contact number and drop it in to Karen Saunders at the Top Shop. The Historian will then visit the site, take photographs and then go back to archives and carry out some research.

Remember, what we may consider just an old slab building at the back of a property, could well be worthy of listing to an Historian. This is an opportunity to record our heritage, however we can't do it successfully without your help.

Karen can be contacted on 63722242.

Playground Opening

Weather for Tasmania Day Celebrations could not have been better. After weeks of wind, rain, hail and even snow, Saturday 23 November was even better than any special event committee could ever hope for.

St Marys came alive with activities and music. The St Marys Lions Club Billy Cart Derby started the carts rolling down the hill and at the same time local arts and crafts were on show in the Community Hall, beautifully presented by St Marys Landcare. The well kept grassy area along the riverbank was an ideal spot for the SMACD Market and the assortment of goods offered by the stallholders gave a great atmosphere to the town.

Later in the day local musicians gave their time to entertain, prior to the Official Opening of the Musical Playground by Mayor Robert Legge. A great day should have been had by all who spent the day at the Tasmania Day Celebrations in St Marys.

Grade 11/12 Art Exhibition

The St Marys 11/12 Annex held its annual Art Exhibition last Tuesday 19 December at 6.30pm. Works of art ranging from paintings, drawings, prints, batik fabric and 3D sculptural forms were displayed.

Many parents and friends attended the wine and cheese opening and enjoyed viewing the work. Many High School students were given the opportunity to visit the exhibition the next day and were inspired.

Amanda Walker, a mature aged student attends the annex, created an interesting display which captivated many peoples' interest throughout the exhibition.

Kelly Evans' and Denise Bosworth's pieces reflected energetic colours and style and they are to be commended for their efforts.

Other students, too many to mention, should be congratulated for the work completed this year. Good luck to those year 11/12 students moving in to future employment and or college.

Congratulations also to Luke Faulkner who broke the all schools record in the U/14 Boys 400M. The all schools record includes the division I record so that was a terrific run from Luke. His time for the 400M was 58 seconds. Although the whole team performed well this year we can look forward to good results in coming years as our Junior (U/13, U,14) team was second in the Junior Shield to Brooks.

BUGSY VIDEO

We have five copies of Mr Bain's Buggy Video available for overnight borrowing from the school library. Copies of this video will be made by Mrs Young on receipt of a two hour blank video tape to the library. The blank video should be clearly labelled Buggy Malone and the name of the person requesting the video.

SPEECH AND DRAMA NEWS

I would like to take the opportunity to once again thank all those people who contributed to 'Bugsy Malone'. Students, teachers, parents and other members of the community were incredible in the commitment they showed. The fact that a relatively small school could stage a musical on the scale of Bugsy indicates to me the abundance of talent we have.

For me the Bugsy performances showed the team work that we built up between cast, production team, and backstage workers. I was amazed by the calm, business like atmosphere backstage and by the lack of nerves from the performers. I was far more nervous than they were!

CORNWALL NEWS

With Christmas season fast approaching, my thoughts go back to Christmas years ago.

Firstly to my Christmases before I was married and still at school. When the time came to mix the cakes and puddings these were mixed at night so we could help. Our puddings were boiled in the copper. Nowadays when I'm mixing mine I'm thankful I have an electric stove. I have boiled them on an outside fire. Away from cakes and puddings my thoughts go to my first years of marriage. The men would make sure their gardens were growing - to pick peas from the garden, dig new potatoes, cut lettuces for salads a must, the women would make sure the blankets were washed, the furniture highly polished, perhaps in some cases new wallpaper for a room, new tablebaize for the kitchen and usually new coir matting for the kitchen floor, fire places painted - everything must be bright and shining for Christmas, perhaps even a new pegged rug which they'd worked at over winter.

Then always in December, there was the Sunday School Anniversaries - Anglican & Salvation Army. The children rehearsing special hymns and the parents looking at their clothes - new shoes and socks, maybe a new shirt for the boys, definitely a new dress for Sunday's - only worn for Church & Sunday School, perhaps a fresh spray of flowers or new ribbons for their hats. In those days everyone looked forward to Christmas.

It definitely was a season of goodwill.

EAST COAST FAMILY DAY CARE

Become a Family Day Carer...
A child care worker providing care
in your own home.

East Coast Family Day Care is looking for a caring person in the St. Marys area who will provide quality care for children of all ages in the carers home.

People choose to become Family Day Carers for many reasons:-

- to earn an income
- to work from home
- to work with children
- to stay home for their own children and families
- to provide playmates for their own children
- to choose their own working days, hours and daily routines
- to make new friends of other carers and parents

The emphasis in Family Day Care is on the family environment and on the security, warmth, learning and fun to be found there. There should be plenty of fun activities for the children such as singing, listening to music and stories, painting, make believe play and dressing up. Carers are encouraged to include the children in normal daily household routines such as cooking, shopping, visiting friends and going on outings.

Dianne Stewart is the East Coast Family Day Care Field Worker. Dianne is located at St. Helens and can be contacted on Tuesdays and Thursdays between 10.00am - 2.00pm on 63 761645. Pam Johns, who is the Co-ordinator can be contacted between 8.15 - 4.15 daily on 63 449466.

Interested? Then please contact either Dianne or Pam.

CORNWALL NEWS

Cornwall Hall

Following the last issue of the Valley Voice I was shown a copy of the notice which was sent out. My thanks go to Mr & Mrs G. Toombs.

TO THE RESIDENTS OF CORNWALL

At a public meeting, held on the 20th inst. it was decided to proceed with the erection of a hall at estimated cost of 225 pounds - the size of the hall will be 36 feet by 24 feet with a stage 17 feet by 12 feet and two ante rooms each 12 feet by 9 feet.

Already 30 pounds is in hand towards the cost of erection.

At the public meeting a committee was elected to make arrangements for a fair to be held at an early date.

Three of the committee will shortly call at every house on Cornwall to find out how many will give a donation of about one shilling per pay for 25 pays and collectors will be appointed to collect promptly each fortnight.

G. Tickle Chairman

Collectors appointed were Max Targett, Ron Camplin, and I think Steve Targett or Ray Parsons

LADIES

ARE YOU GUILTY of hiding that piece of exercise equipment under the bed or stuffed into the cupboard?

NO MOTIVATION to do a bit of exercise?

BORED... with the same piece of equipment?

KIDS... hanging off of you most of the time?

WELL, HOW ABOUT THIS.....

Once, twice or whatever a week (it's up to all interested to decide), possibly in the morning (before all our energy is completely sapped) at a venue near you

CIRCUIT EXERCISE..... as gut busting as you want it to be.

People who have a piece of exercise equipment eg: steppers, weights, rebounders, treadmills, skipropes, almost anything that will make you work up a mild to wicked sweat!!!! Are you willing to have others using your "piece"?

Even if you don't even own a "piece"

If your interested read on....

Best Bits:

It will be VERY VERY CASUAL (no award for the best thong leotard!!!)

Have an idea that a small donation, say \$1 - \$2 per morning could go towards a suitably qualified lady to do BABY/KID MINDING at the venue, leaving Mum free to indulge in a bit of "sweat and natter"

The Potential:

If enough interest is shown - maybe we could do a group run into the Roman Baths? (There IS a Heaven or Earth)

Maybe incorporate a ladies self defense type lesson?

Group rates for leg waxing - who knows, anything is possible if people are willing to have a go.

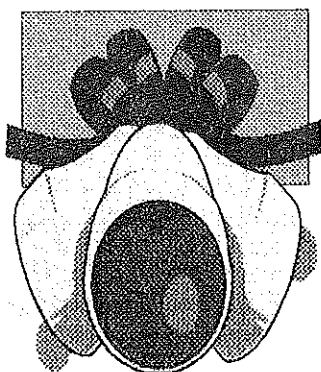

AGE OPEN (your only as old as you feel anyway)

All of the above are just ideas. BUT if you fancy giving it a go, please call or see Sue Quinn or Terry Evelyn phone numbers 63722491 or 63722735 to register your interest. Hopefully to start up in the New Year, but ONLY if we can get enough interest.

**Grant Faulkner
JR & MC Faulkner
ST MARYS TAS 7215**

After leaving school in November 1979, two weeks of boredom led me to the family business "just to lend Dad a hand". I have now racked up over 17 years and have managed the Service Station side of JR & MC Faulkner P/L since the early 1980's.

My father Jeff operates the Caltex Bulk Fuel and Oil Distributorship for the Fingal Valley and East Coast and along with brother Randal, spends many hours every week helping me at the Service Station. Mother Marg still handles pieces of the bookwork and worked daily in the business in the 1970's.

Operating a small business is especially challenging nowadays and seems to demand more time every week, so there is little time for other activities. However I manage to contribute to community work (Fire Brigade, Football Club, SMACD and Tennis Club) and other interests include maintaining a 24 year old American "Battleship", a little tennis, golf and reading. Fishing and shooting are also a rare indulgence.

The business has been operating more or less in its current form since early

this century and was bought by our family in November 1972. The present business was established around 1946 after the previous one was burnt down. (A spark from Gilbert Schier's welder, I believe!) As well as serving the needs of the St Marys motorist it also was a bus depot up until the early 1980's. My family and I have lived all our lives in St Marys and have always enjoyed and appreciated the quiet and innocent lifestyle that the coast and valley offers. Despite hard economic times, especially in this area, we have no immediate plans for a change of career and would like to think that JR & MC Faulkner P/L will be still going strong in another 24 years time.

Appreciation

I just cannot thank the St Marys Red Cross Ambulance Service enough. It is a credit to the Valley and a service that we could not do without.

Special thanks to Andrew Wilson and Neville Peake who took my husband Harry through to the LGH on Monday and were able to wait with me then return my husband to the St Marys District Hospital. Thank you Dr Naidoo and Nursing Staff for your kindness and concern.

Words cannot express how deep my gratitude is for the St Marys Ambulance Service.

Football News

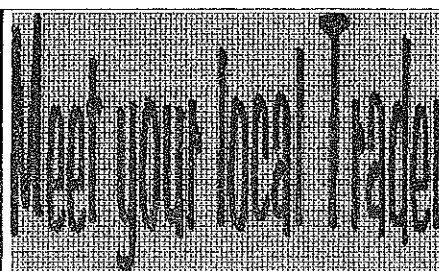

With everyone looking forward to the Christmas break, including the Footy Club Committee, there are just a few formalities to go through before an even more hectic New Year. The last of this years fundraisers will be the Golf Fun Day on Sunday 8 December starting at 9:30 am. There has been good interest shown and many golfers and non golfers are expected to turn up on the day to play for some good prizes. So if you are looking for some cheap entertainment, come along, cost will be \$5 which includes entry and a barbecue - very cheap day out.

Applications for the coaches positions close this Friday 6 December and a final decision on the successful applicants will hopefully be announced at our last meeting on December 13.

A working bee will be organised to clean up around the sheds and ground, to make everything tidy in time for the New Year races and to make a start for pre season footy and training at the end of January. At present the Club will look at four pre-season runs at Scamander, Four Mile Creek, Bicheno and a possible training camp overnight at Coles Bay. These will come after the Touch Footy Competition which should begin early in February on Friday evenings starting at 6 o'clock, each game of 2 x 15 or 20 minute halves. The rules for these games will be

available from the two Supermarkets so if you are interested in forming a seven aside team, get a set of rules early and study up. The Club would hope that as soon as the coaching positions are filled, that we can start to announce some major signings, so keep a watch out in the New Year for further details. Some significant progress already in this area, but everyone will have to be patient to find out any more as our first priority will be to the coaching staff and their ideas of what type of players, if any, we may require.

Although the Club has drawn a blank so far from the Council on obtaining help towards any improvements to our facilities, rest assured that further enquiries will be made to our State polities on this topic. Already the Club has significantly improved the sheds, at a high cost to us, by having the tired and dirty floorboards sanded back and varnished. Everyone who has seen the work of Brian McCleod has said he is a miracle worker, a fantastic job and a credit to himself and now the Club. An asset we would hope to have for many years to come. Our first fundraiser in the New Year will be a free entry Cabaret, further details later, but your chance to look over the improvements and have a night out at the same time. More, or should we say much more later. Things are really on the boil!

Dave & Terry Evelyn
CARS Mobile

We first spotted St Marys in May 1994 after coming over and visiting friends that had not long moved over here. Dave had been to Tassie quite a few times while he was racing and always said he would love to live here. I had only ever been to Tassie once in 1991 and couldn't remember much about it. So when we came to St Marys in '94 to look around I liked what I saw.

Dave and I had lived in the City of Frankston, Victoria for nearly all our lives and decided that it was time to get out of the rat race and give our three children a better life. Since we have been in St Marys the kids have become a lot happier with more freedom to explore for themselves. Whereas before they were confined to a small backgarden, couldn't go to the shop by themselves or even walk to school because their safety was more important than their freedom - that's the price you pay when living in a city.

It is so nice to walk down the streets of St Marys or in shops and people talk to you and know who you are, rather than just being another face out of the thousands. So when people ask me WHY ST MARYS, I say why not.

In the last two years of living here we have made some lovely friends and met a lot of wonderful people.

I would just like to say thank you to the people of St Marys for welcoming us and making us feel part of this great town.

Cricket News

The much awaited clash between St Marys and St Helens proved to be a fizzer. In excellent conditions St Marys could only manage 129 with Leigh Nehls top scoring with 62. St Helens, despite losing two late wickets, were untroubled chasing the small total finishing with 6/131.

Jason Gilroy was excellent on the field and won the Coach House Restaurant Award:

Scores:

St Helens 6/131 - Jamie McKimmie 2/13, Damon Nehls 1/4, Troy Triffitt 1/10

defeated

St Marys 129 - L Nehls 62, J McKimmie 18, L French 17.

Last Saturday St Marys travelled to Branhholm. Despite the late withdrawal of Troy Triffitt with a virus, St Marys had Branhholm in difficulty at 5/69 off 25 overs. Some big hitting from Branhholm and injury to Andrew Scott had the St Marys Brains Trust scratching their heads for an answer. Branhholm eventually being dismissed for 254. Danny "Tiger" Woods was again the

pick of the bowlers taking 3/20 off his ten overs.

In reply St Marys managed 153 with Jamie McKimmie returning to form with 49, Leigh Nehls 28 and Andrew Scott 20, batting with a runner.

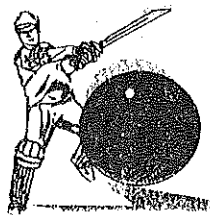

Scores:

Branhholm 254

"Tiger" Woods 3/20, Jason Gilroy 2/43, Paul Mason 1/38 defeated

St Marys 153

J McKimmie 49, L Nehls 28, A Scott 20 and L French 17.
