### BE ALERT.

#### LERT'S HAVE MORE FUN !

So says the message on Jeff's tarpaulin.

A familiar face will soon be missed around the town. Jeff Weston will be heading off to the much warmer weather of Western Australia. "Have to get back for the King Brown Dance Festival" he said.

The PO Petes assured us that Jeff would be back in time for the next Singing Dog Festival.

Read more about this "LERT" inside paper.

### Inside: Player profile.

Each issue during the footy season we will introduce you to our local boys. They NEED and WANT your support!

Why not spend a Saturday watching them try their hardest to represent our town. It's a great day out.

This week read about Steven Buchanan, Jamie Viney, Tracy Bean (not actually a footballer!), Rohan Brown, Aaron Morris and Matthew Miller.

### Also inside:

Ken's CD and VIDEO review.

Fingal and St Marys school pages.

Sports Centre, Junior and Senior football.

vehicles before they start racing on the day.

The St Marys Lions Club will be offering traditional St Marys hospitality to these competitors with tea and coffee on the day.

As the street will not be closed, please be careful of passing traffic and obey the directions of Targa officials.

Shannons, the major sponsor of this event conduct regular auctions of veteran, vintage and classic vehicles.

They also provide a range of Insurance products including Classic Car Insurance, Motor Insurance,

Home, Contents and Valuables Insurance, Caravan Insurance, Boat Insurance and Travel Insurance.

## The Valley & East Coast Voice

continued from front page:

Jeff has been hard to track down over the past few weeks, but was finally caught up with just a few days before he takes off to Crossing Falls W.A. which is 15 kilometres on the Darwin side of Kununurra and where the dry season temperatures range from 15 degrees at night to 30 degrees during the day. Crossing Falls is of similar size to Falmouth but the blocks are much bigger up there.

He has been busy converting his Daihatsu diesel truck into a "mobile home". The tray has a tarpaulin cover over framework and this will be loaded with building supplies and is Jeff's home for the week it will take him to reach Crossing Falls, 4000 kms away. Jeff's third trip up north is to where he has a 2 acre block with power and water but also has two Boab trees in the yard just in case he runs short of water!. On the canvas is where the "Be alert, Lets have more fun" message is written, amongst Seaview, St Patricks Head and the surrounding hills all painted on the canvas canopy. Jeff said he could have brolgas, crocodiles and aboriginal art added to his canvas by the time he comes back to St Marys.

Two verandahs with shade cloth are to be added to his Adco building, one for kitchen and outdoor living and the other for sleeping, no windows or doors needed but mosquito nets a very good idea. The six big King Browns live under a sheet of iron on Jeff's block. Fishing the Ord River and exploring the area are on the agenda after the building jobs have been done and will be there for "caller ins".

Jeff assured me that he would be back in town for the Singing Dog and Talking Bird Festival sometime in October.

Many of us would be quite envious of Jeff's lifestyle, summer in St Marys and winter at Crossing Falls WA.

We will be looking forward to hearing about that King Brown Festival Jeff!!.

## ST MARYS COMMUNITY GARDEN

I am writing this letter on behalf of the St Marys Community Garden Committee to seek support for the venture. It is proposed that a Community Garden be constructed at the rear of the St Marys Community Health Centre and that this garden be of use to persons in St Marys and surrounding towns. The garden is to have a multi-use focus with beds designed for use by the general population, persons with physical disabilities, school children unemployed persons, aged persons and day centre clients.

While we are submitting a proposal for government community development funding we also need support from other community organisations, businesses and anyone else interested in the idea. We seek financial or in kind support for timber for the garden beds, provision of gardening equipment, hot houses, fertilisers and mulch, seeds and watering equipment, experience, labour and ideas

Any letters of support would also be appreciated. If you are interested in this idea or have any other queries about the project, a public meeting will be held at the Community Centre at 12 noon on Monday 4th May. A light lunch will be provided with a tour of the proposed area. Children are welcome. This project will only proceed with community support so please let us know. R.S.V.P. Thursday 30th May. Please call Shan Williams or Mark Bonnitche on 63722111 or 63722292 after hours.

## ST MARYS HIGH SCHOOL THE MAGGIE

STARS - PAUL DOUGLAS, ALEX MCKENZIE, ABE BAKER AND JAMES COPELAND.  
DIRECTOR - ALEXANDER MACKENDRIK.

\*This is a mocking comedy in which a rich American is tormented by the captain and crew of an ancient Scots cargo boat commissioned to transport the Americans furniture to his holiday home, a load beyond The Maggie's capability but needed to save her from the scrapyard. The obvious play-off between old world canniness and brash new world impatience is here rendered interestingly ambivalent, the junior crew member enlivening the proceedings with the fresh eye he brings to them.

## BUILDING BETTER BUSINESS

By now some of you will be aware that the municipality has a new Business Enterprise Centre and a business facilitator.

So what! You may say!

For the record let me introduce myself again, I am Neil Butterworth and I am stationed at 88 Tasman Highway St Helens - but that does not restrict me to my desk at St Helens and you don't necessarily have to come to me.

I will be available in St Marys on most Tuesdays for you to talk to and you can book an appointment by contacting me on 63762044. If I am out of the office the call will divert to my mobile.

What can I do for you? As a business facilitator I am employed by an independent committee to provide free and confidential assistance to anyone in business or to those considering starting a new business.

There is no limit to the assistance but lets get it right, I am not an expert - I am a facilitator. If I don't have the answer I can get it for you or direct you in the right direction.

I have 20 years business experience with National and self-employment and I have been a facilitator for the past 6 years in WA and NW Tasmania.

The Valley and East Coast Voice have consented to allow me a regular space in their publication to write tips and ideas which I hope will stimulate your thinking so as to contact me when in St Marys or Fingal (day of week to be confirmed) for a confidential discussion.

Importantly I am not employed by government - but government funded and supported by your local council and businesses.

I look forward to making contact with you - Neil Butterworth

Sorry to hear about the sad passing of Linda McCartney last Friday. Faith No More (hard rock/funk band) announced their break-up on Tuesday, known for such hits as 'Easy' and 'Epic' they will be sadly missed on the rock scene

## CD REVIEWS -QUIKPIX

**JOHN MELLENCAMP** - "The best that I could do" This greatest hits spans his best from '78 - '88. All the hits are here and many of them seem to have been cleaned up recording wise making this a very enjoyable collection

\*\*\*\*\*

**VARIOUS ARTISTS** - "Free FM1" This double compilation of some of the hottest dance hits of this and last year is excellent value for the price of a single CD featuring mostly extended mixes of high energy house music such as "You spin me round" by Dead or Alive and Disco 2000 by "Pulp" a must have for the dance collection

\*\*\*\*

**SCOOTER** - "Wicked" German techno band features the hit "I'm raving" the rest of the CD is a bit too pedestrian but does have its moments \*\*\*

What songs do the following lyrics come from

2. 'Stuck inside these four walls, sent inside forever'
3. 'She said I don't know if I've ever been good enough'

## VIDEO REVIEWS

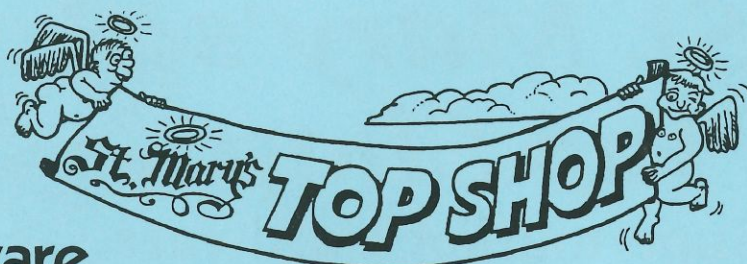

**"MEN IN BLACK"** starring Will Smith and Tommy Lee Jones - This is not the kind of movie I would go out of my way to see BUT it was a pleasant surprise. Sci-fi comedy big on special effects, good acting both from Smith and Jones without going too far over the top, very much in the same vein as Ghost Busters. The only criticism was it was too short at 80 minutes. Very clever \*\*\*

**CD REVIEW - SUGAR RAY** - "Floored" JJJ has been flogging the single "Fly" from this CD for months, a little reggae ditty featuring the band with guest vocalist Super Cat. If you think that this is an indication of the rest of the CD be prepared for a shock because the bulk of the tracks are hard edged American funk rock, very much in the vein of Faith no more, Chilli Peppers and a generous slab of Rage against the machine. This is clever stuff. Tracks like "RPM" and "Speed home California" will definitely not be forgotten in a hurry neither will their version of Adam Ant's "Stand and deliver". Excellent \*\*\*\*

On arrival at St. Marys the money will be distributed by Mrs. Williams. Recess will be held before we leave and lunch will be eaten after we return, if anyone is still hungry.

St. Marys will return the compliment when our fair is held in June. School uniform is to be worn as usual.

## **NEW STUDENTS**

A great big warm welcome to Aaron, Sara and Andrea Cullen who have enrolled at our school today. We are unsure how long they will be staying. Have a great time while you are here, we really look forward to working with all three of you.

## **CULTURAL PERFORMANCE**

On Monday, 27th April a Matilda Performance will be held at our school, commencing at 11-30am. The Avoca school will be joining us.

We encourage all students, grade 2-6 to participate. If attending, please ensure you have your training gear. Tracksuit bottoms are not acceptable for footy.

Training will be on Thursdays for the next three weeks and will then revert to Tuesdays, commencing May 12th.

## **RELIGIOUS EDUCATION**

Brian Hoole is at present still looking for someone to take R.E. with our students. He will let us know as soon as he is successful or otherwise.

## **ANZAC DAY**

This Saturday, 25th April, the usual ANZAC Service will be held and the school will participate.

If attending, and students are encouraged to represent the school on such an important day, please assemble outside the Old Hotel at approximately 10-30am.

From there we will march to the Cenotaph and participate in the ANZAC Service.

Two pupils will deliver a speech. If participating, please be in full school uniform.

## **TREE REMOVAL**

On behalf of the school I thank the Council for their fine efforts in removing a most unhealthy tree from the nature strip near the front gate. Their efforts were greatly appreciated. The Council workers also supplied us with some fine woodchips to trial underneath the playground equipment, especially the monkey bars.

## Sports Centre News

by Kackhandler.

The club has finally broken through for a 6-3 win away at Freycinet after two previously unsuccessful visits there, thanks mainly to our talented Juniors. Tristan Clement is having a stellar season so far as is Scott Wilson, Sean Fletcher and Adam Fletcher. Adam is now playing as high as 3 in the side.

The A Reserve side kept in the hunt for the year with a good 5-0 result. It is great to report that our youngest pennant player, Josh Cooke, recorded his first ever win for the club on Sunday. All were thrilled for him and I bet his mum would have seen a big grin when he got home. Well done Josh.

Special mention to two other first time winners, both teachers and both winning magnificently. Well done to Umesh Pratap and Brad Ennis.

Next weekend the club takes on St Helens at home. As we sit we are the only undefeated A Grade side but the competition is tough so all have to keep up the great effort so far.

I believe our bowlers who travelled to Hobart last weekend enjoyed the trip immensely.

President Rod Spilsbury hopes that this will become an annual event.

Watch this space for some ideas for club activities over the next months, hopefully some night time activities organised by club members will be able to be reported soon.

Thanks to all the fella's who gave up their time to level and top dress the bowls green on Easter Monday. Well done to those involved.

The bowls dinner will be held in May so everyone will have a good time to wind up the season.

Anyway until next time  
Good hitting and rolling.

## St Marys Football Club News

Our first game is finally out of the way.

In the weeks leading up to the first match the players had put in a reasonable pre-season and coaches were happy with team form. Campbell Town would be a force to reckon with as they had easily accounted for teams to win the lightning premiership. So this first game was an early yard stick to be measured against.

**The U/16's** had looked a little undermanned in the practice match against St Helens, but when Campbell Town took the field they looked an even match in height and ability. This was the case for most of the game as the lead see - sawed for most of the match. After going to an early lead, the Tigers looked like running away, but to the Robins credit, they fought back well in the second and third quarter terms and there were only 2 points in it at 3 quarter time. Fitness and a team effort on the Tigers behalf, saw the lads kick seven goals in the final term to run out comfortable winners.

**The Reserves** enlisted some help from a few players that had not had a kick for some time to help with numbers in their game. One could have believed the clock had been wound back, as the Tigers piled on unanswered goals in all quarters to win comfortably by 14 goals. What a fantastic effort, especially from players who had not played together, in some instances, for a number of years. This is a great sign for the club as depth in the reserves is always a bonus.

There were at least six players who may make senior footy soon, combined with several players on injury list at present, can only help the clubs cause.

We hope all Reserves representatives on Saturday can make the effort to play for the full season and put pressure on all spots up for the taking.

**The Seniors** started the game against a two goal breeze and only for some inaccurate kicking that yielded only four behinds at quarter time, could have been well in the game, although a two goal deficit was a reasonable outcome. Unfortunately the Robins began the second quarter with two goals that set the Tigers a hard task to get back into the game. Some terrible cross ground passing that was often cut off by our opposition and also some Campbell Town backmen marking uncontested, added further troubles to our cause, especially after a lot of hard work had been done from the backline. A half time deficit of six goals and both teams looking for the break, a few Tigers showing the benefit of a place to lay down. The second half was much the same, Campbell Town all round strength on show, running out eventual winners by 69 points.

How pleasing it was to have first match over, thanks to everyone who played, assisted in the kiosk or helped with jobs around the ground in any way. The NTFA representative at the game went away knowing that the club had operated on the day in a professional manner.

The night wound up with a cabaret at the St Marys Hotel Although there were many aching bones and tall stories shared, those that attended contributed to a successful wind up to the days proceedings.

Once again thanks to all who assisted on the day.

Next game: Sat. 25th against Cressy at Cressy.

Next home game: Sat. 2nd May against Northern Districts.

Winners of points margin:

\$80 : Heather Griffiths

\$10 : Leanne McDonald

\$10 : Still unclaimed.

Tickets available at Newmans Take Away or at the game.
