P.O. ROCKING AND ROLLING

Currently at the Post Office there are two very impressive displays on show.

One is by the children of St Marys District High School Grade 5/6 on 'Disasters' and the other is the Break O'Day Council display of the proposed street theme for St Marys.

The display by the children covers different disasters that have occurred worldwide.

It is well worth a look at the hard work that has gone into this project by the students.

Last week Australia brought out a set of stamps depicting all the good old seventies Rock 'n Rollers that Australia has produced.

Not only stamps are for sale but a CD with songs by greats such as Russell Morris, Johnnie O'Keefe and Renee Geyer.

So why not come to the St Marys Post Office and Rock On with Chubby Checker and Meatloaf !!.

St Marys Hotel getting spruced up.

Probably one of the most prominent and grandest buildings in St Marys is having much work done to improve appearance and also bring the accommodation up to tourist standard.

Painting has already started on the exterior and the cream and green is certainly looking good. A picket fence has been erected on the bridge side of the hotel and Licensee Greg Seward said the roof is to be painted Heritage red. Wood heaters have been installed and the Bar is now much warmer.

The work to this landmark in our town, along with the other properties that have been recently painted and the proposed Street Theme, will give the town a boost.

Jeff's Jottings

from Crossing Falls WA.

6am May 22nd and Jeff describes what's happening at his "ranch" up North.

"Three feral sows, 2 white and 1 black, and six small slips were nosing up Perch Crescent (Jeff's street) from the Ord River. The only concerned resident was a young agile wallaby that seemed alarmed at these weird animals. They sniffed at the sugar mill trash that I have spread over my vegie garden plot, then they headed back to have a feed of lily roots at the river.

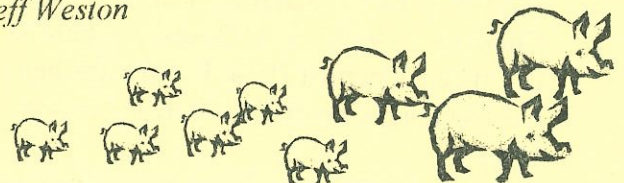

On my first exploring walk along the river bank early yesterday morning I came across an extremely professionally made marijuana cage but of course no plants. Then talking to my neighbours I learnt of my total ignorance — it's a feral pig trap, so they urged me to go to the melon farm and load up the trap with melons and bingo — pork in abundance. !!

Around the trees and wild sorgham grass, were about 6 to 8 Coucal Pheasant flapping about. They are very floppy fliers and quite large. One of the locals has one coming up to his verandah to feed on meat scraps. Likewise the agile wallabies are fed and are tame and some are fed on dog pellets. The dogs have given up trying to catch them as they are the size of our grey Bennets wallabies but slimmer and faster. They have lovely lush grass under the mango tree orchards which are watered every day.

All the locals have pumps just below me on the Ord River, mostly electric and water pressure watering system. My system is slightly primitive as I have to walk 200 yards and fire up my fire pump to water all my trees and get a little green grass around the place ready for the flood of Tasmanian Tourists who may make it. ??

Up the road is a huge paddock of zucchinis which is irrigated every night by a central pivot spray and every morning backpackers are out picking the tiny zucchinis with the flowers still on them to be flown direct to Perth on the afternoon Ansett flight. It's trendy to eat zucchini with the flowers, so they say, so get with it.!! "

Jeff Weston

Gary Dakin hoped that some readers may be able to help him with some of the names and dates that he has researched so far.

Since the last article, we have learnt that Murray Berwick was omitted as one of the Managers at the Cheese Factory in Gardiners Creek Road St Marys.

Murray first worked at the cheese factory when he left school in 1950 and stayed there for 3 years before going to work in the mines.

In 1962 Murray went back to the cheese factory when Horace Davern was Manager. When H. Davern retired Murray continued as Manager until the factory closed in 1969.

At that same time Bruce Nailer worked in the cheese factory and Geoff King drove the cheese truck, and you might well remember hearing Geoff whistling as he drove past, he always whistled when driving the cheese truck.

100 Years St Marys Businesses 1860 — 1960

Recalling more of the businesses as they once were:

The current Post Office covers the site of two houses both of which were used for business, the first was the Sweet Shop of Mrs M.Lutwyche which she organised from her front room. The second was the Fruit Shop of Mrs Rilal 1930, A Lucadou-Wells had a Dental Surgery there in 1931, R.C.Studt Electrical Repairs 1947, L.Tapp Bootmaker 1949.

The Supermarket has been a store since J.S.Cramp's General Store in 1882, H.C.Dawborn took over in 1928, records show M.E.Watts in control in 1946 with Dawborn back in 1951.

The Bank building next door has the new branch of The Launceston Bank for Savings built in 1954. Then the Health and Beauty shop site has an interesting history. The earliest I can substantiate was A.V.Doyle, Baker in 1893, J.Madden, Baker 1905, H.G.Williams, Baker 1913, Mrs E.Cooke, Fruitier 1918, E.Chapman, Baker 1923, R.Warren, Chemist 1929, C.P.Roots, Chemist 1929, G.Dineen, Chemist 1934, E.J.West, Chemist 1936, E.J.Hocking, Chemist 1939, K.R.Forsyth, Chemist 1948.

The two story building next door has always been

a Bootmaker with Jim Smith Snr. in 1892, Jack Smith in 1924, the senior boosted earnings by cutting hair and shaving, the junior Mr Smith, by operating a Taxi Service. Next door was Book-maker shop of Jim Smith Junior. The corner shop was Butcher Shop of Jim Smith Junior 1927, A.Dawson 1941.

Around the corner in Story Street on right hand side was the Cake Shop of the Miss Bullock's in 1934, prior to that it was Bullock and Aulicks Butcher 1925, J.Smith Butcher 1930, Hayes Bros Butcher 1932.

The Service Station site (now Auto Electrical) was possibly a Blacksmith Shop G.Mitchell, a Garage Hindle & Co 1930, Kalbfel 1932, J.Sweet 1948, J.McGee 1956.

Next was a Fish and Chip shop of T.Lohrey. Then we have a Blacksmith Shop site. The Blacksmiths were A.Thomas 1920, before they moved out to Gray Road where he was followed in the business by his son H.E.Thomas.

W.Eade 1925, then G.Conella traded on this site. Then a private home site next, then a Saddler J.Clarke 1881, J.Cramp 1883, L.G.Schier 1885, R.Breadon 1933.

Somewhere in the last few sites as recorded in the 'Examiner' to be opposite the Methodist Church in Dec.1893 was a J.De Fries Jeweller and Russell who had a Drapery business.

As I said, the Thomas's Blacksmith was in Gray Road on the left past the school. A little further on the right hand side C.W.Royle conducted his Undertaking business.

Now back to Story Street. Around the corner turning left into Groom Street on the left nearly to the corner was one of the very earliest business sites, W.Lade started business here in 1864 with a General Store. At this point I will attempt to explain a General Store as they operated in the early days, they sold all manner of goods, eg. food, clothing, footwear, hardware, drapery, agriculture requisites, stock food, bicycles, firearms, tools and many other lines plus they always traded by buying agricultural products, animal skins etc. Some transactions were cash, some were traded for goods, some towards monies owed. In lots of cases shopkeepers had liens on customers properties which in some cases they needed to exercise to obtain satisfaction.

All for now, more next time.

The Editor
Valley and East Coast Voice

Dear Editor

Changing times

Since April 1997 the larger part of the Fingal Valley and East Coast south to the Denison River has been absorbed into the Legislative Council Division of South Esk while the Division of Macquarie now encompasses an area south to Pontville and west to Deloraine. The Hon. Colin Rattray is the Member for South Esk; he was elected on May 23rd. It was my special privilege to represent the Fingal Valley and East Coast from the Scamander Bridge to the Denison River from May 25 1968 to April 1997.

During those 29 years I maintained a close affinity with the Valley and East Coast people for whom I developed a great respect. I have real admiration for all the volunteer organisations which are formed by individuals to prosper a worthy cause, as they are the life blood of and represent the very essence of the wider community.

The Fingal Council, Church organisations, Schools and their P. & F. Associations, Sports Clubs - football, cricket, golf, bowls, rifle and turf, the Hospital Auxiliary, Red Cross and Ambulance, Golden Years Clubs, Meals on Wheels, R.S.L., Chamber of Commerce, Lions, Fingal Festival, S.M.A.C.D., the St Marys Hospital Support Association, Landcare and the Valley and East Coast Voice. These I recall with fond memories.

I especially note the significance of the "Valley Voice" formed in May 1968, and for the 30 years I have been the MLC for Macquarie it has provided a local communication facility which has been and continues to be a valuable forum for ideas, information and advertising needs of the whole community.

The role of the now "Valley and East Coast Voice" should not be underestimated. It is a single body that enables both the individual and groups to communicate on a regular

As from 23 May I am now retired from representative public life. The Hon. Russell Anderson is the new MLC for Macquarie.

I wish to sincerely thank the many people with whom I have liaised and worked to serve your community, endeavouring to diminish your fears and achieve your aspirations.

During 30 years there has developed a mutual trust in a strong and committed relationship which I have greatly appreciated.

Joyce and I send our best wishes to the Valley and East Coast people and especially all the volunteer staff of the Valley and East Coast Voice.

Yours sincerely,
George Shaw.

LABOR MEDIA STATEMENT

Petition shows "majority" not happy with St Marys health services

The Labor Party has presented proof to Parliament that St Marys residents are not happy with their new health centre.

Labor Member for Lyons, David Llewellyn said despite claims by the Government that it was only a "small minority group" that was unhappy with the new health service, a petition reflecting community attitudes tells a different story.

Mr Llewellyn presented the petition to Parliament this week.

"1154 people signed the petition saying they were not pleased with the new service. 1156 were approached to sign it. Only 2 refused."

"You can hardly call that a "small minority group."

It's more like a "large majority group" of St Marys residents who don't support the health changes."

"I hope members of Parliament, especially the Government, will take notice of this petition because it does clearly show that people are unhappy about their hospital being replaced."

"It also shows that the new community health centre is not fulfilling the health needs of residents of the Fingal Valley."

Mr Llewellyn said the new health centre was a poor substitute for what had been lost.

"One doctor has already been lost. A second doctor will leave in the next couple of months. The situation is unacceptable and this document is proof of that."

"The St Marys community are not happy. The Government has a responsibility to listen to the will of the people."

"I'm calling on Liberal Members of Lyons, who represent the Fingal Valley, to publicly state what they will do about listening to the concerns of their electorate."

Stars: Anne Bancroft, Anthony Hopkins,
Judy Dench. Director - David Jones.

* The film opens in 1949 as an American
woman, Helene Hanff, is making her first trip
to London. She is a collector of rare books
and has carried on a twenty year correspon-
dence with an antiquarian, bookseller in Lon-
don, his colleagues and family. Structured in
flashbacks around the letters which form
the basis of Hanff's memoirs, the film is
touchingly sentimental, humorously obser-
vant and obviously literary in conception.
The austerity of post-war London is con-
trasted with the relative affluence of New
York. There is considerable strength in one
performance of
Bancroft as the headstrong bibliophile, Hop-
kins as the book seller a shy staid family man
and Judy Dench as the wife.

"Secondly, in regard to the
independence of advice by the
consultants looking at the sale of part
of the Hydro. The Bain and Solomon
consultants report didn't present an
accurate comparison of the
maximised value of retaining the
Hydro in public ownership against
privatisation."

"When a proper comparison is done,
it shows that Tasmania is more than
\$40m better off by maintaining the
Hydro in public hands and that the
\$40m grows each year as the existing
debt is paid."

"By maintaining the Hydro in public
hands, Labor can achieve an ultimate
balanced budget situation and provide
extra money for computers and relief
of some government charges, just as
the Liberals says they will do but
without having to sell our most
important asset."

MEDIA RELEASE

Breast cancer is a major challenge for those with a diagnosis, their families and friends, the medical profession and researchers, all are required to deal with specific needs.

On June 20 & 21 1998 the National Breast Cancer Centre and the Cancer Council of Tasmania will host a State Consumer Conference at Archer's Manor, 17 Alanvale Rd Launceston.

The Cancer Council's National Breast Cancer Centre Co-ordinator, Maureen Ramsden said the conference "Making the Difference", will offer the opportunity to discuss and identify needs and highlight specific issues through learning, sharing and caring.

Keynote speakers will address the psychological aspects of breast cancer and discuss the new trend of breast cancer advocacy.

Mrs Ramsden said workshops include subjects such as complimentary therapies, genetics, advanced breast cancer and support groups.

It is envisaged that breast cancer awareness and education will be boosted by the development of consumer networks for the promotion of breast cancer control within our state.

Attendance at the Conference lectures and workshops will be FREE with some assistance for travel and accommodation to those who require it. For information call Maureen Ramsden 62332030 or 63362030 or Sandra Oliver St Marys Community Health Centre 6237722111

MEDIA RELEASE LOW TURNOUT TO HYDRO FORUMS BECAUSE TASMANIANS NOT INTERESTED IN SELLING.

The government was getting low turnouts to it's Hydro Forums around the state because Tasmanians are not interested in selling off the state's most important asset.

Shadow Minister for Energy, David Llewellyn said the Government had been getting disappointing turnouts because the Tasmanian people had already made up their mind that they don't want the Hydro sold. "The Government is simply wasting taxpayers money"

with this forum exercise, because Tasmanian voters haven't given the Government a mandate to sell the Hydro. "At the last election, the Government said it wouldn't sell it. The only course of action the Government can take is to go to an election and seek that mandate."

"The Labor Party will fight to the bitter end to ensure the Hydro is not sold."

"The Government is not only wasting money with this forum exercise, but it is also misusing the role of state public servants."

"Impartial public servants are being asked to push the Government's policy line with the use to Treasury officials conducting these forums. This is not their role." Mr Llewellyn said after spending the past 2 years studying the detail and complex nature of the power industry in his position as Shadow Minister for Energy, he was convinced that any sale of either part or whole of the Hydro would be financially disastrous for Tasmania.

"If maintained as a Government business, by next year the Hydro will return to Government over \$100m each year, by 2007 over \$200m each year and when relatively debt free over \$300m each year." Mr Llewellyn said through the Hydro Forums, the Liberals were pursuing an agenda of presenting a one sided view to people. Advice given in the forums tends to mislead people in 2 ways.

Tulips and other spring bulbs should just about all be planted by now to get the benefit of a good display in Spring.

There is such a huge range of bulbs available and many of the very old fashioned varieties have become popular again.

Lilliums have become much sort after and their colours are many.

Some people prefer to leave their tulips in the ground after flowering but it is often recommended to lift bulbs after their leaves have died down.

Litterbugs, are you one?

Why do some people litter?

Is it that they are just lazy or is it that they just do not know any better?

We do know that it creates an enormous and unsightly problem in the community.

Sports Centre News by Kackhander

What a top night the Annual Bowls Dinner was. Many thanks to all who attended and a huge thanks to the Football Ladies Catering Committee for the meal. It was superb.

To our President Rod Spilsbury for being a gracious host and to Glen McDonald for his entertaining attitude all night. Even the "videos" went over quite well.

Another very big thanks to Mr Michael Polley MHA who over many many years has been a great supporter to the club as Patron. Michael always manages to find time to come along and speak to us and still donates trophies each year.

Another recent thanks goes to Peter "Wombat" Wilson who organised the Oatlands visit.

I understand that all who attended had a great day. Some like myself who couldn't make it must have missed out on a good fun day.

The Pennant golf is having a two week spell at the moment. It is great to report that A Grade has all but made certain of their 20th flag since 1950.

Even now I understand that it is almost mathematically impossible for Freycinet to catch us.

A Reserve is going down to the wire and our side has fought back brilliantly to be around about level with Bicheno with two weeks to go.

It could still go to as many as four teams depending on the final two games results.

Junior Footy by Kid Eager

Games for Sunday 24th of May were scheduled for Bicheno. Heavy showers in the morning deterred many people from travelling and it was decided to have a combined Grade 2 to Grade 6 match after the Prep / One game.

Again a good standard was evident in the Prep/Ones.

Best players were Emma Howe, Jos Williams, Lachy Rice and Christy Webster.

In the Grade 2 to 6 match, the Bombers started with the breeze but did not use it to full advantage having only a slight lead at quarter time. The Cats used the breeze much better in the second quarter to lead at half time.

Mark Webster was outstanding for the Cats. The Bombers brains trust moved Ben Miller on Webster in the third quarter and this did quieten him to some degree. The game became a more even tussle in the second half but the Cats held on to win.

Scores: Cats 7. 9 - 51 to Bombers 6. 5 - 41.

Best for the Cats were Mark Webster, Richard Howe, Johnathan Rockwell and Kase Miller.

Best for the Bombers: Daniel Cooke, Matt Spilsbury, Ben Miller and Marcus Taylor.

Last Sunday matches were played at Fingal.

Training was held for all age groups prior to matches and was a great success.

In the Grade 2/3 game the Bombers had an easy win over a depleted Cats team.

Best for the Bombers were Billy Singline, Todd Spilsbury Brody Stuart, Blake Faulkner, Marcus Taylor, Josh Woods, Luke Webb and Joe McGee.

The Cats were well served by Daniel Cooke, Kase Miller, Troy Howe, Cole Richards, Troy Street, Ryan Stuart, James Appleford and Lucas Bailey.

In the Grade 5/6 game no scores were recorded but both coaches were extremely pleased with the way the game was played.

Best for the Bombers were Luke McDonald and Daniel Rice.

Best for the Cats were Corey Bosworth and Ben Miller.

There is a break of two weeks before the next games versus St Helens Junior Association on 28th June '98.

St Marys Football Club News

by 'Acting' Old Tige.

After losing all three games against St Pats, St Marys met Evandale at home. The conditions for all three games were difficult because of a strong blustery cross wind.

The **Thirds** were up against a much bigger more skilful team in Evandale. Despite failing to score a goal they kept their opponents to their lowest score this season.

The final scores, Evandale 3.7 - 25 to St Marys 0.2 - 2.

Best for St Marys were Nigel Price, Damon Nehls, Kirk Bean, Bong Bong Louis, Luke Faulkner and Adam Gillies.

In the **Reserves** match St Marys looked like keeping Evandale scoreless until the Eels scored a goal late in the last quarter.

Scores: St Marys 4.9 - 33 defeated Evandale 1.0 - 6

Best St Marys: Leigh Spilsbury, Tim Mason, Tim Squires, Matthew Aulich and Lawrence Gilbert.

Goals :

Matthew Aulich 2, Jamie McKimmie 1, Adam Britton 1.

Seniors

A win was vital for the Seniors to keep final five hopes alive. After an even first quarter the Tigers had most of the play in the second quarter but could only manage 2.7 to lead by 9 points at half time.

Evandale came back hard in the third quarter but a goal on the siren by Keith Gillies saw the Tigers just two points in front at the final change. The Tigers added three more goals to Evandale's one to finish the game full of running.

Captain Steve Buchanan seemed to be everywhere picking up possessions and using the ball well. Adam Johnson was unstoppable at full back, continually driving the Tigers into attack. Adrian Bramich played his usual solid game and Shane Collier is starting to strike top form. Coach Roger Salter set a fine example all day and Keith Gillies and Ray

Squires were effective on the forward line.

Scores: St Marys 9.12 - 66 Evandale 7.11 - 53

Goals: Keith Gillies 3, Ray Squires 2, Steve Buchanan, Jamie Viney, "Skeeter" Webb, Shane Collier all 1 goal each.

St Marys appear to be improving each week but this week's clash against top team Campbell Town will determine how much the Tigers have progressed.

June 13 : St Marys v's Cressy.

In the absence of many members of the Club's Executive it was great to see so many people put their hands up to help out. This support is the Club's strength.
