Our Valley — the big picture

It will not happen for another 100 years, so do not miss the Centenary of Federation Celebrations at St Marys on Thursday 22 November 2001

From 5.45 pm, a night of community stories, music, poems, sound and light, a night for families, friends and relations, residents past and present, to remember and celebrate the life and history of the Valley, from Fingal to Falmouth, from settlement to the millennium and into the future.

The evening is part of the Centenary of Federation, a project profiling 25 communities throughout Tasmania, to be recorded for posterity on video and CD for the State Archives.

The Big Picture

Children, oldies, past and present residents, new settlers, singles and families, anyone who lives or has lived from Fingal to Falmouth, all are invited to become part of history and start the evening by meeting outside the St Marys Hotel at 5.45 pm to be included in the Big Valley Picture, a mass community photograph to be taken as a historical record of our population in 2001, by Gary Richardson, from above in a cherry picker!

There will also be special group photographs, such as 'all the ladies', 'all the men', the 'over 50's', 'Valley children', 'new settlers', 'the old hands', etc. to provide a detailed photographic profile of our community for future generations to regard with awe and amazement.

Please be on time— you will need to register beforehand for your name to be recorded for posterity.

Sizzle to music

The Fingal Football Club will host a sausage sizzle after the photograph while 'in concert' music will play at the 'rotunda' from 6.30 pm.

Community Stories

A two hour concert of community stories, history, music, video, poem and interviews will be hosted by Kerry Finch at Todd's Hall, starting at 7 pm.

Presentations will cover the history of the region since settlement, the story of mining, community reminiscences, farming in the valley, sport and sport personalities. There will be interviews by Kerry throughout the evening with some of our older residents recalling life and people in the Valley over many years. There will be visual and audio effects enhanced by the Todd's Hall big screen and wrap around sound.

Entrance will be by gold coin donation.

Supper will be available after the concert and all arrangements are in the capable hands of the St Marys Football Club Ladies Committee.

Turned On

As a finale, new street lighting will

be turned on at the bridge over St Marys Rivulet on Main Street. Break O'Day Council is installing additional lights and floodlighting in the park at the Library, and the hydro pole at the bridge is being replaced by strip lighting along the bridge, to provide improved lighting in the park, for pedestrians and motorists and to enhance the town's nightscape — symbolically making a bright start to the next 100 years.

The night will celebrate our history and our community, and itself will become part of the continuing story of the valley - a night to remember for all who are there.

Vandalism of Lions Park Toilets

A recent spate of vandalism has been perpetrated, in particular, the female and the disabled toilets in the Lions Park behind the St Marys Library. This has included graffiti on the internal walls, done in permanent marker pen. This graffiti is in some cases lewd but generally just unsightly. Also the skylight in the roof of the ladies toilet has been damaged again.

This is obviously done by young male persons in the area. The main problem is that this action will likely result in a metal grill being attached across the area outside the toilet doors, with the toilets being locked at night, causing inconvenience to all.

The cost of repair and repainting will be in excess of \$500, born by the Council and ratepayers.

This damage effects the community as a whole and needs to be stopped. Police would appreciate any assistance in identifying the offenders.

Police report good road behaviour over November long weekend.

The long weekend that we have all just enjoyed was also an enjoyable one for local police, with no incidents of poor behaviour or reported crime in the St Marys area. Although there was considerable through traffic in the community, on the whole motorists were well behaved and extremely safe on our roads with only one single vehicle accident just east of Avoca on Monday afternoon, there were no injuries.

Volunteers recognised

A celebration of the work of volunteers was held in the St Marys Community Hall on Sunday 28 October.

'Local Heroes' from the Fingal Valley received awards that were a part of the Federal Government program to recognise the contribution made by local community volunteers.

The twenty-five recipients of these awards were, Gerald Aulich, Ian Bradbury, Pauline Berwick, Eric Bean, Jennifer Binns, Doris Bullock, Roxie Cowie, Ian Faulkner, Eo Greensticks, Keith Guy, Marlene Guy, Jim Haas, Heather Lodge, Polly McGee, Scott Marshall, Jack Miller, Andrew Russell, Judy Spilsbury, Ron Sumner, Ruth Saunders, Selby Targett, Carole Woods, Peter Wilson, Audrey Wright, Dale Wright, Vicki Woods and Bob Yates.

On presenting the awards, Mayor Stephen Salter spoke of the great value of work done by volunteers and the benefit to the community. The large contribution made by the people of the Fingal Valley was evident by the 300 or more certificates displayed around the hall. These were certificates of recognition for all volunteers as part of the Year of the Volunteer celebrations.

The large gathering enjoyed afternoon tea then later a BBQ and appreciated the music of Gypsy Rose. Throughout the afternoon, two bewildered swallows circled the hall, dropping the occasional message. Deputy Mayor Margaret Osborne was one of those on the receiving end!

A truly enjoyable day despite the inclement weather! Lots of food, fun, laughter, congenial company, music and even dancing. Must not forget to mention the crab and frog races, although frogs were scarce the crabs played their role well, urged on by much cheering and laughter.

Several people went home with prizes from the Chocolate wheel. Raffle winners were Father Bill, a Basket of groceries, and Dawn Lodge won wine and chocolates.

A very sincere thank you to all who helped make this day so successful, an amazing \$1,420 was raised. *Wendy*

Presentation of Tourism Development Plan

Through the assistance of the Department of State Development, Break O'Day Council, the BOD Tourism Association and the St Marys Townscape Committee, funding was provided to research tourism opportunities in the Fingal Valley and the East Coast regions. A feasibility report has been compiled by consultant Ken Dorsey of Pardoe Pty Ltd. This report will be presented in a powerpoint presentation on a large screen at Todd's Hall in St Marys on Thursday 15 November commencing at 6.30 pm.

This comprehensive report has been compiled with a 'holistic' approach to improve visitation and yield in the Valley and East Coast regions. The presentation will include a number of recommendations and funding avenues.

All tourism operators and business owners should be at this presentation as it offers potential investment opportunities.

A winning day

What a wonderful day it turned out to be, the return of the Melbourne Cup Luncheon in St Marys, and the success of the day can be contributed to the support and generosity of so many people. Over forty people attended despite the rather wet day, but perhaps that added to the atmosphere and matched the weather at Flemington. Ladies and gents all turned up in their best gear, wonderful hats and some with ingenious decorations on top of them.

Deciding to have the luncheon in the St Marys Sports Centre was a good choice, and we thank them for the use of their facilities, we do hope that the day was also of financial benefit to them as well as for the TLC (Tasmania Lymphoedema Centre Inc.) at St Marys.

Thank you Denby's Restaurant at Queechy Cottages St Helens for generously donating 'Dinner for two' which was won by Ruth Spencer as the lucky door prize.

The Judges reported that it was not an easy task to select the Cup fashions as there were many possible winners. Cup Lady was won by Diane Johnson who was dressed in a smart black suit and hat with yellow flowers, Cup Gent won by Bob Hersey, Cup Hat by Dot Quin and Darlene Wright the Novelty Cup Hat. Harmony Hairdressing Launceston (Gift Voucher), Scamander Beach Resort (Bottle of Wine), Addlestone House and St Marys Newsagency (Chocolates), are sincerely thanked for their generous donation of prizes for these Cup awards.

Judy Waller was the lucky winner of the Meat tray, kindly offered and donated by St Marys Butchery, thank you.

Still so many people to thank, Dot White for giving her time to serve at the bar, Raz for coming in early to set up the bar, John Cox for loaning and setting up the TV's and Bob Hersey for help to set up tables etc, a very special thank you to Rosanne at St Marys Take Away for her extra generous help and also that of her helpers.

What would we have done without Ron and John, our two 'Sweep' men who paid out over \$300 in winnings, thank you both.

Appreciation to Bob and Jean Legge for their loan of extra items we needed, to the many cooks who came up with dips, salads and sweets, thank you so much for your willingness to help, also to those who helped in the kitchen, and to Julie and Laura for such lovely flowers and blowing up balloons. Another thank you, to Eric Bean for the loan of the colourful racing silks. Apologies if anyone has been missed and if so, thank you too.

Most importantly thank you to all who came along to the luncheon, we were thrilled with the attendance, and do hope you all enjoyed your day even if you did not get a winner. At this stage we plan to do it all again next year and would love to see you all again too.

St Marys Association for Community Development Inc.

Thanks for the feedback from the last update.

So much has happened over the past few weeks. Our negotiations to move onto the main street went very well, however it was deemed that SMACD could not afford the move, so therefore negotiations ended. I would like to thank all involved for their professional approach.

The Mobile Online Access Centre was at Mathinna from 24 to 26 of October and was a great success. With an average of five people per day using the facility. We hope to hear soon about the revamp of the caravan, so then we will be totally mobile.

We have been meeting with Mr Nick Fittner from the Rural Transaction Centre program, in reference to expanding the Rural Transaction Centre facility here in St Marys.

Our proposal is to purchase and renovate main road frontage premises to house services and facilities that will enhance the current RTC in St Marys.

The services that we will be encouraging to use the facility, will be Local, State, Federal, and private sector services that St Marys requires, such as a permanent Centrelink visiting officer, more legal services, taxation agency, Business Incubation and Mentoring service, Secretariat service, conference and meeting room facility, Telstra Shop and many other that will arise as the project progresses. The Online Access Centre will also be relocated into the facility.

Training at the Online Centre is still available and if you are interested in any computer based training, please contact Wendy or Keri at the Centre.

If you would like any further information, please feel free to contact me during daylight hours on 03 6372 1001 or mobile 0427 721 001

St Marys Spring Festival

Grassy Bottom Regional Arts will be holding their third Spring Festival this Saturday November 10th. There will be activities all day Saturday including an evening dance party.

The Festival starts at **9 am** with the Spring Markets. Todd's Hall should be full of stalls and if you have not booked your stand yet please phone Andrew (6372 20660).

Entries for the St Marys **Bake Off** and the **Flower Arrangement** competition should be at Todd's Hall by 10 am. The competition promises to be fierce again this year and that is just for places on the judging panel ! The markets close at noon. Following the markets the festival action moves over to Faulkner's Green, opposite the pub.

The festival highlight will be the traditional **Maypole Dance** (yes I know it's November but the Southern Hemisphere has Spring six months later than the Northern Hemisphere, or is it six months earlier ?) An auspicious Maypole dance ensures a good summer, bountiful harvest and an all round pleasant year. Join the Maypole dancers at Noon followed by a **BYO picnic**.

A **Buskers stage** will operate all afternoon. Any musicians, jugglers, breakdancers or any entertainers are very welcome to come along and seek their fame and fortune. A list of megastars who have previously appeared at a St Marys Spring Festival is available on the website.

Talking of fame and fortune, many a St Marys tycoon has started earning their first million at the **Peddlers Parade**. Any young entrepreneurs who hope to end up on millionaires row can bring along their yummy treats and hopefully earn a pocket full of money.

Peddlers meet at the Maypole at 1 pm.

There will be an opportunity to plant a tree between 2 pm and 4 pm.

At 2 pm story lovers can hear a rendition of Lielle's Spirit Bird (a story of a young Aboriginal girl's dreaming in NE Tasmania) and Brother Eagle Sister Sky (a story from the native American tradition).

Festival games will carry on through the afternoon. There will also be tippee painting, learn to juggle and make your own juggling balls, a chime display for aural delight, sand pit activities, face painting, a live animal farm, a sausage sizzle, fairy gloss and a chocolate wheel.

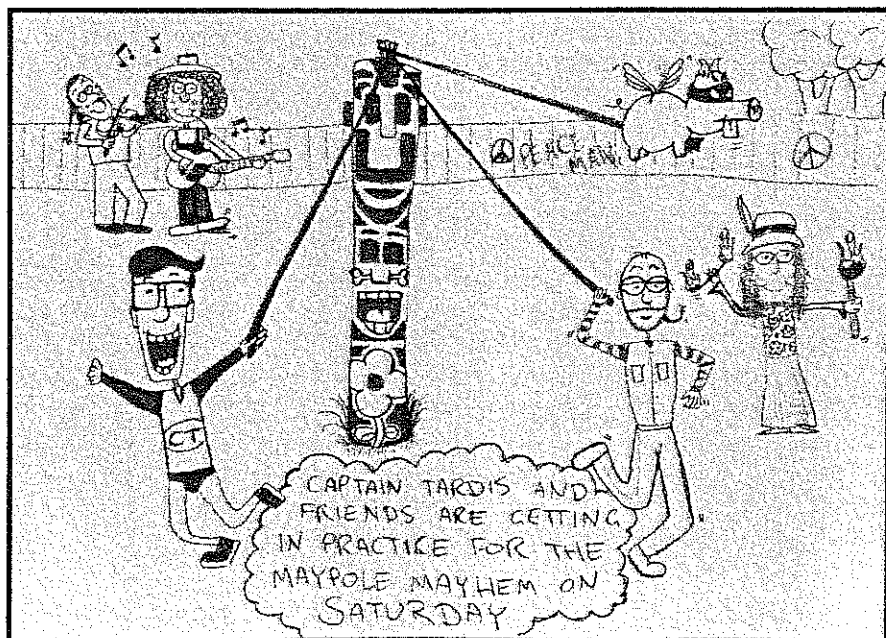

And must not forget the **sculpture exhibition** from local schools which will be on display all day at the Community Hall. 'Our Place', an exhibition on local amateur photography will be displayed at Todd's Hall. See the display of Dolls and Toys from around the world at the Toy and Doll Museum in Main Street.

Dancers from St Marys and beyond have a treat in store as Grassy Bottom and 'From Another Dimension' are throwing a dance party **7 pm to late** at Todd's Hall. Entry is only \$5 and please note this will be an **Alcohol Free event**. You could always stay home and watch the election results instead !!

Sunday's activities include the popular **Open Gardens** from 11 am to 4 pm or is native bush more your liking? There will be a **bush walk** to Grey Mares Tail Falls, meet at the St Marys Pass picnic area at 10.30 am. More details including maps are available at Todd's Hall.

We hope people will come and enjoy themselves over the weekend.

Best wishes to Grassy Bottom Regional Arts for a very successful and enjoyable Spring Festival this weekend.

Huge thumbs down to the person using the sunken turntable area at the St Marys railway as their personal rubbish tip. Garden waste, old silver beet, old carrots etc. and other rubbish is being dumped there. Dumping and littering is an offence.

Present were the Warden Mr Jacob Morey, Messrs T J A Fitzgerald, R Wardlaw, L J Steel, and H G Stieglitz.

1. The Rabbit Report was tabled, and considered 'satisfactory'.

Schools Expo and Community Forum

This expo is being held in St Helens on Thursday 22 November by the Tasmanian Institute of Sport.

The event, which is free thanks to the sponsorship support of B & E (Bass & Equitable), is the second of four forums to be held around the State by the TIS during this financial year. The first was in Wynyard.

The aim of the event is to take the expertise of the TIS into regional and rural areas of Tasmania, to provide an understanding of what the TIS is all about, what services it offers, and to share the expertise.

The major focus is the Community Forum, which is being held from 7 pm to 9 pm on Thursday November 22, at the St Helens Football Clubrooms. Speakers include champion young Tasmanian rower Scott Brennan, plus the head of the TIS Sports Science Unit, Tammie Ebert, and the Physical Preparation Coach Peter Culhane. Scott will talk about being an elite athlete and his personal experiences and coaching. Tammie will talk about the testing side of sport, and Peter will demonstrate exercises on the 'fit ball' or 'Swiss ball', that help in strength and conditioning.

It will be an informal and very informative night, and of course, it is free and open and suitable to people of all ages.

During the day leading up to the Community Forum, the coaches and staff of the TIS will be conducting an exercise program with primary and high school students from the surrounding area at St Helens District High School gymnasium; 9.30 am to 11.30 am will be primary school students from Fingal, Avoca and Bicheno,

Now to Bowls and a big reminder to all that the next two or three weeks are very busy for the club with two home pennant matches and November 18 and 25 the East Coast Triples followed by the East Coast Fours on December 2nd and 9th.

On November 11th the majority of the Club Singles matches will be played as the singles have to be decided fairly early. The teams for the Pairs Championships need to be up soon so they can commence. This Thursday is the first Chicken Run night and all interested players must be at the club by 6.30 pm. A draw for partners will be conducted immediately for 3 games of 5 ends under a points system.

Darts has been a great success so far this year and it is excellent to report that the Valley Darts Singles Championship will be held at St Marys on Friday 16th November. Sounds like all the best players will be there to see if they can win the title. Ley's hope there will be a good roll up.

The new golf sub committee will soon have a Captain and two Vice Captains which will be great to help coordinate next years rather busy calendar.

Sunday November 11th at 10 am there will be a meeting of members of both golf sub committee and general committee on the course to help decide a works project for the keen members.

We are sure everyone will be helping to make the club even better in the coming months.

Anyway until next time,

- good hitting and rolling.

To golf and a big thanks to Aurora Energy for sponsoring a very successful golf day on 4th November. Fourteen teams took part and visitors from as far away as Queenstown was great to see.

A special thanks to Helen and Di who were the chefs at the BBQ. Aurora provided about 20 trophies and some excellent scores were forthcoming in the Ambrose format. The previous week Dale Ridgers won the monthly trophy. Not often an A Grader on 4 handicap achieves that as it is a nett event. Just a reminder that in the near future, mainly through the efforts of John Miles, we have two more major sponsored days coming up. Firstly on 24th November we have the Boags Day with A, B and C Grade events for both men and women which sounds great. We believe Boags will be putting on some excellent trophies and a good field from all over is anticipated. A couple of weeks later is the Roberts Ltd sponsored day, again open to all golfers.

Preceding these two days on Saturday November 17 we are conducting the 2001 Barbeque, 9 hole golf comp and Trophy Presentation night which should be a good night.

Golf commences at around 5.30 pm, with tea immediately following and then the presentation of annual trophies.

Maybe also if enough interest, a darts comp will round off the night. For catering purposes it would be great if everyone could have their names on the sheet by November 13th and it would be good if all trophy recipients could be present. Tea, comp etc. will be \$10 Adults and \$5 children.

Lets also remember to keep Saturday December 8th free for the Club Christmas Hungi prepared by chef extraordinaire Umesh Pratap. If you've never tried one of Umesh's Hungis, here's your big chance. Bookings will soon be taken so please get your name up as soon as possible. We are all looking forward to that one.
