Anzac Day Memorial Service 2010

As the solitary candle flickered its last glow of light as if in harmony with the breaking of dawn all heads were poised and ready to be bowed as the last post sounded through the respected stillness of our streets and Col Mackenzie's 'The Ode' still lingered in our thoughts. Everything was at peace. The Gunfire Breakfast which followed was enjoyed along with tales of mirth and bravery of those present and past.

The dawn service had ended to be followed by the quiet respected hum of the 11am Ceremony.

The Grassy Bottom Singers began proceedings with a song of tribute to our lost committee member and much respected friend the late Councillor David Clement. A sincere welcome was delivered by returned Veteran David Watkins. Following addresses were read with the same heartfelt honesty. The roll call of the fallen were individually named with sensitivity by Indi Douglas and Shannon Ross Kelly, as Brad Mitchell's drum beat and Jesse Young's assistance added to this poignant moment. All were accompanied by the light touch of Don Ives keyboard and the beautiful voices of Rita and Ian Summers. The Cenotaph was draped by the rich colour of flowers which added to its respected demeanour, as all wreaths were laid with reverent contemplation.

Thank you to Peter Mackie the president of the Vietnam Peacekeepers – Peacemakers Federation of Tasmania who understood what our committee was planning to achieve for St Marys and gave us a gratuitous cheque from his organisation to the value of two hundred dollars.

Peter, a returned Veteran also delivered one of the moving addresses, along with Councillor Reon Johns, Rod McGiverson, and Wendy Fowler who delivered the Anzac Hymn. Thank you to Sister Lorraine Groves and Envoy Melanie Norton who lead the gathering in prayer and to the Targett family for letting us keep with tradition by allowing us to play the recorded last post by the late Selby Targett.

To the St Marys Memorial Association Committee - Mary and Bill Targett; Mary your organisational skills are exemplary, Kim and David Watkins, Wendy Brennan, Reon Johns and Wendy Fowler who have all worked tirelessly to continue a revered tradition in St Marys.

Finally, to Police Officer Michael Spalding and to the community of St Marys whose numbers at both the dawn, at least 50 and the 11am, over 150, have shown their support by attending, and in doing so keeping the ANZAC spirit alive in St Marys.

A LITTLE BIT OF HERITAGE: Jim Haas "Van Diemens Land's first Germans"

Today Australia is one of the most multicultural countries in the world, mainly brought about by almost two hundred years of Government assisted immigration programs, which were first introduced by England around 1831 and then carried on by the Australian Government after Federation in 1901.

In the first twenty years or so of assisted immigration to Van Diemens land, immigrants predominately came from the British Isles. But when transportation of convicts ended in 1853, cheap labour was still desperately needed for Government projects, as well as working on the settler's farms. This prompted England to extend their recruiting program to Germany. At that time Germany and England were the best of friends and it was common knowledge that ordinary Germans were dissatisfied with economic, political, social and religious issues being forced upon them. To add to this, young men were taken from their families and sent to the front line of conflicts they knew nothing about. Most would never return.

Agents employed by a German company headed by Wilhelm Kirchner covered the length and breadth of Germany, publicising immigration to Van Diemens Land. All but £5 of their fair would be paid and the only condition was that they would have to work for a period of two years for a property owner, which would be designated by the Colonial Government.

Early in 1855, the first German assisted immigration recruitment was finalised and 858 Germans arrived in Van Diemens Land that year. The first ship to arrive in Hobart on the 24th May was the *Lewe Van Nysenstein*. The *America* followed on the 23rd July, the *Wilhelmsburg* on the 26th August and the *San Francisco* on the 2nd of November. Also on the 28th May the *Montmorency*, carrying 134 Germans, arrived in Launceston. It is interesting to note that both the *Montmorency* and the *America* sailed from Liverpool on the eastern side of England, while the remaining three ships sailed from German ports. The most significant of these ships for our Fingal Valley and East Coast was the *America*. After her arrival in Hobart, some twenty families were put on board a coastal trader and brought up to Falmouth where they were unloaded onto Mariposa Beach and sent to work on farms in the Fingal Valley and Falmouth area. Among those were the Lohrey, Haas, Rubenach, Lehner, Langdon, Wagner, Strochnetter and Schmidt (Smith) families. These names speak for themselves as to how important this particular influx of Germans was to the St Patricks Head District.

Small numbers of Germans continued to arrive in Tasmania after 1855, with another influx arriving in Hobart on the ships *Victoria* and *Figaro* in 1870. On board the *Figaro* was a young man by the name of Julius Aulich, who made his way up the East Coast to eventually settle at Irish Town and build the first mechanical sawmill at Mill Ridge in the foothills of St Patricks Head in 1884.

The majority on the 1870 German arrivals settled in an area called Sorell Creek some 18 kilometres north-west of Hobart. There they established berry farms and sawmills, and a German community developed to the extent that when a town was proclaimed in 1881, it was given the German name of Bismarck. A similar situation happened in 1855 with the Germans who arrived on the *Montmorency* in Launceston. They moved to an area some 26 kilometre north-east of Launceston which became known as German Town.

For many years the Germans were looked upon as hard working, respected members of their communities. World War One however, changed the thinking of many people and quite a lot of detestation was levelled at German born citizens. This caused the changing of surnames to the English spelling or punctuation. Also the names of towns were changed; German Town became Lilydale and Bismarck, in the south, was changed to Collinsvale, after the nearby mountain Collins Cap.

To look back now, one can only wonder at what turmoil must have existed in Germany in the 1800s to force families to uproot and travel to the other side of the world to start a new life with virtually nothing. Most made the best of the situation, however, and developed industries and a way of life that enhanced the general well-being of their new country. Their contribution to the Fingal Valley, and indeed the Tasmanian community as a whole, should always hold a special place in our heritage.

Letters to the Editor

Vol. 42 No 21, 2010

To the residents and traders of St. Mary's Tasmania.
This letter is intended to convey to the people of St. Mary's my deep appreciation and thanks for the most kind treatment which I received whilst encamped for a no. of weeks at your recreation area.

This was necessitated by an injury sustained prior to travelling to Tasmania, which deteriorated during the first couple of weeks in the state. My Husband and I were travelling towards the east coast on or about the 27th Feb when we happened quite by chance upon the campground, the facilities of which we found very agreeable and well above the average. The genuine smiles and the welcoming signs in a number of stores inviting visitors to stay and take advantage of the area and what it has to offer was truly heartwarming.

My injury forced me to seek daily treatment at the local hospital and the service I received from that establishment was nothing short of wonderful, not only was my treatment of the highest professional standard but it was delivered in the most friendly and compassionate manner. Nothing was too much trouble and the availability of a Laser treatment to assist healing was a bonus. I am sure that the treatment I received during my stay in St. Mary's has been the reason that my injury is healing as well as it is.

The same considerate and caring attitude was also directed to my husband and I at all the businesses which we patronized during our stay, that is at least 99%. The friendly faces we encountered every day from the residents of your town also made us feel most welcome even though we were strangers.

You can be assured that we will sing your praises to all we meet and that as someone once said "we shall return".

Janet Arscott. Motorhome "JANGE0".

Letter to the Editor

What a fantastic idea Cagerattler has suggested in naming the land by the old police station as "The David Clement Park".

I had the pleasure in discussing this idea with David, of using said land as a park, many times. In his unique way David worked on the seed of an idea feeding it into the community and accepting feedback. Even to the extent of draft plans for a Sculpture Park being professionally drawn up and the idea being nurtured and networked slowly through our community.

Those big lumps of stone sitting idly on the grass are in fact priceless pieces of the Valley's history containing fossilized life forms waiting to be highlighted by polishing and set in the Park as pictorial picnic tables for one and all. A small idea I spoke to David about whilst the upgrading of the Valley Highway was happening. Somehow he arranged for delivery – Advanced Thinking!

Anyway the idea of that land as a Park has my full support and it would be a jewel in St Mary's Crown in my humble opinion. A link to the new camping facilities. A Park as a mark of respect to a man who did much for St Mary's and will be missed

The Say Cagerattler

For a while since last Sunday I contemplated not making the comments I'm about to, but I hope they are more constructive, rather than destructive because that's my intention.

Firstly the good stuff. It was an absolute pleasure and honour to be asked to contribute to our Anzac Day 11 a.m. service. To the committee, a really hard working group of fantastic people from all around our area, I truly believe your efforts in the past two or three years has saved ANZAC Day services in this town. This is a big deal.

Every one of you deserve great credit indeed. I find it quite disturbing that several of this Committee of volunteers, who give up so much time to let the rest of us still be able to pay our respects to family members or friends who fought, suffer criticism. Surely any differences can be forgotten on this most precious of days for so many.

The day MUST transcend any other issues. For the St Marys services to continue into the future we must start talking a lot more. This, I believe can happen but perhaps any other side issues, any personal issues, any personality clashes need to be given second or third consideration and not first as seems to be the case now.

REMEMBER WHAT'S AT STAKE. Imagine no ANZAC Day commemorations in St Marys. Doesn't bear thinking about does it?

Probably for the same reasons we seem to have ongoing issues and a perceived lack of support at an official level despite oral support being given. As a person not privy to detail, just an observer from a few steps back you might say, I'd like to think that all possible and practical assistance can and will be offered to the Committee of volunteers from next year onwards. Again I say, the day MUST transcend personal or procedural issues. How hard can it be to try to get on with each other so that as many of us as possible can remember our fallen.

It would be great to hear a bit of talking going on from all parties pretty soon.

What do you think ?

WARNING -NOT FOR THE FAINT HEARTED

I thought I'd better share with the rest of St Marys a hidden treasure I discovered. LIZ'S HOT CHOCOLATE. It's not just any Hot Chocolate - it's Chocolate that's Hot.

There's an act to drinking one because you need to stir it regularly, otherwise the HEAVY, DELICIOUS, MELTING CHOCOLATE all goes to the bottom. Did I mention the mountain of fresh whipped cream on top?!

Something this good should come with a warning label. Once you try one, you'll be back once (or twice) a week—like me.

LIZ—your secret is out.

Kelly.

P.S. If you don't know where I mean, I'm talking about Mt Elephant Fudge HQ & Ice Cream Shop.

Grassy Bottom Regional Arts Needs You!!

Are you **passionate** about the arts? Are you **interested** in helping to bring events to St Marys and the surrounding district, showcasing local & interstate talent in drama, music & art? GBRA is seeking motivated **community members** to help present workshops, concerts, theatre & other varied events to the Break O'Day municipality. Upcoming gigs include:

- a bush dance featuring the Tasmanian Heritage Fiddle Ensemble from Hobart for the Winter Solstice on Saturday 19th June
- the Harambee A Cappella choir from Melbourne who will perform on Monday 5th July and run a singing workshop the following day
- and a range of art exhibitions to be displayed at various venues around St Marys throughout the year.

GBRA **urgently** requires some positions on the committee filled – eg secretary, funding/grants co-ordinator, school liaison, media co-ordinator, etc.

Also, general helping hands are always welcome & very important! If you have a particular skill or interest for any of these roles, or would like to know more about them, we need **you** to continue the good work of GBRA for our community. Without a committee of local, enthusiastic people **GBRA will cease to exist!**

So join us for **wine and cheese** at the supper room at the rear of St Marys Town Hall **this Friday 7th May** from 6.30-7.30pm with a view to contributing to this vibrant arts group.

In particular we will be planning for the Winter Solstice and require someone with their RSA certificate and helpers for setting up, serving food and packing up.

Can't make it? Call Leissa on 6372 2686 or email at pl_elemental@hotmail.com to discuss how you may be able to help.

St Helens is getting a Child and Family Centre

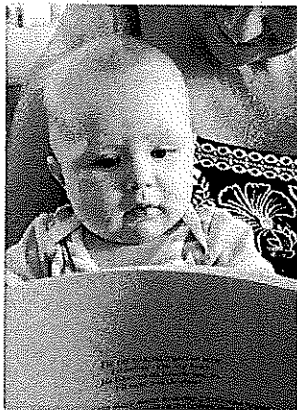

The first five years of a child's life are very important. During this time Mums, Dads and Carers need as much support as possible with the health and well being of their children, so that when they are old enough to attend school they get the best start. Giving very young children a good start will help them have the best future possible.

The **St Helens Child and Family Centre** will be built in **2010** and will offer a number of services for families.

The **St Helens Child and Family Centre** will be for our community so we all need to think about what services we want and need.

The **St Helens Child and Family Centre** will :

- Be a welcoming place for all.
- Provide local programs for every family with babies and children.
- Provide integrated services in the local community.
- Be within walking distance of all services.
- Meet the changing needs of our community.

A man is recovering from surgery when the nurse appears and asks him how he is feeling.

"I'm O.K. but I didn't like the four-letter word the doctor used in surgery," he answered.

"What did he say," asked the nurse. "OOPS".

A blonde calls Delta Airlines and asks, "Can you tell me how long it'll take to fly from San Francisco to New York City?"

The agent replies, "Just a minute.."

"Thank you," the blonde says, and hangs up.

While shopping for holiday clothes, my husband and I passed a display of bathing suits. It had been at least ten years and twenty pounds since I had even considered buying a bathing suit, so sought my husband's advice.

"What do you think?" I asked. "Should I get a bikini or an all-in-one?"

"Better get a bikini," he replied. "You'd never get it all in one."

He's still in intensive care.

If you would like to have input into any ideas then please discuss with any of the committee members or come along to a meeting – remember all families with children attending the school are automatically members of the School Association.

SWIMMING CARNIVALS

Inter High Swimming Carnival 2010

On Wednesday the 31st March, an eager group of students from St Marys travelled to Launceston to participate in the Division 1 Interhigh Swimming carnival. St Marys were competing against schools such as Riverside, Prospect, Exeter, Scottsdale and Queechy.

Everyone was keen to get into the new pool at the Launceston Aquatic centre and to sit comfortably in the warm and cosy environment...compared to the other years!!

The medley and freestyle relays were first. The grade 10 girls did a fantastic job and came 3rd while the boys came 4th.

Some major highlights of the day included;

- Jacob Spillbury coming 2nd in the 50m backstroke,
- Shari Donald and Josh Male coming 2nd in the 50m butterfly,
- Kai Glaser receiving 2nd place in the 50m freestyle,

The most amusing highlight was Holly Stephens diving into the pool and starting freestyle instead of breast stroke.

At the end of the day, the junior team came 3rd while the senior team came 4th. Overall, St Marys came 4th missing out on 3rd by only 2 points!! Our goal for the day was to finish 5th in order to remain in division one. Our small school exceeded all expectations for the day by achieving these outstanding results. Well done to all the participants who swam in extra events (ie. butterfly) for the good of the team.

After an exhausting day, with some students completing in 6 or more racing events, they were rewarded with a healthy meal of Macca's or KFC. Darren Calow (the bus driver) was so impressed with the achievement that he bought everyone an ice cream.

The annual award (Elizabeth Death award for tenacity) for the best swimmer/s of the meet went to Shari Donald and Josh Male. The trophy will be presented by Mrs Death in the next assembly.

ENE combined swimming carnival

Scottsdale pool - Monday 29th March 2010

On Monday 29th March 2010, an East North East representative team travelled to Scottsdale swimming pool to compete in the combined swimming carnival for 2010. The team included swimmers from St Marys, Fingal, Bickeno and St Helens schools and were chosen to represent the East Coast based on their performances in the ENE carnival held at St Marys pool on the 23rd March.

Swimmers from grades 3,4,5 and 6 swam in freestyle, backstroke, breaststroke and relay events against competitors from the North East association. Outstanding performances came from:

Jeffrey Marland (Gr 3 boys), Chloe McCann (Gr 3 girls), Paris Pribil (Gr 3 girls), Ned Napier (Gr 3 boys), Henry Napier (Gr 4 boys), Lachlan Gee (Gr 4 boys), Georgia Hodge (Gr 4 girls), Larra Wright (Gr 5 girls) and Monique Polden (Gr 5 girls).

St Marys Sports Centre Inc. news Kackhander.

Over the past couple of weeks golf has been steadily rolling on. Haven't got any scores this time around but I know the last two Saturdays have seen okay fields taking part, which is good news.

Next Saturday is an Ambrose event and the weekend after that is the Harold and Tom Newman Memorial Trophy. Hope there's a few there for both of these events.

Col Payne and the crew have organised a very interesting set of events for 2010 but there is still plenty of room for more. A couple of pretty exciting sponsored days are in the wind too. These are great money spinners for the club.

Don't forget that the Bowls AGM is coming up on May 14th and the Annual Club Dinner is set down for the 22nd of May. Will be a great night for those attending. Please RSVP as soon as possible.

We will be trialing an Indoor Bowls comp fairly soon too so keep a look out for that. Should be fun.

Any way, until next time, good hitting and rolling.
