FRIDAY DELUGE FOR ST MARYS *Jim Haas*

Well there's no doubt about it the East Coast of Tasmania and the township of St Marys experience some of the most extreme weather conditions in the country. From an unusually dry period in 2006 which contributed to one of Tasmania's worst bushfires, to rains in 2010 that saw record falls of over 200 millimetres in twenty four hours.

Whilst floods are almost an annual occurrence in St Marys, never before have we seen the main street turned into a raging river in the way it did last Friday evening. Homes and businesses were flooded with up to a metre of water going through Faulkner's garage, and Manna Farm was almost totally destroyed.

Cars and caravans floated and one car load of young people were lucky not to be swept away as their vehicle was washed off the road near Margison's Bridge. One can only wonder how many lucky stars they counted when they looked up and saw Craig Cox beside them in his bulldozer.

By seven o'clock there was a slight ease in the weather and the township of St Marys was a hive of activity. Travellers from far and wide had

landed in St Marys and had nowhere else to go, because all roads out of the town were closed. St Marys Pass closed mid-afternoon, followed soon after by the Elephant Pass, and the Esk Main Road closed towards nightfall.

By Saturday morning the town was almost back to normal, except for the few unfortunate victims who were left with a cleanup and damage bill totalling thousands of dollars.

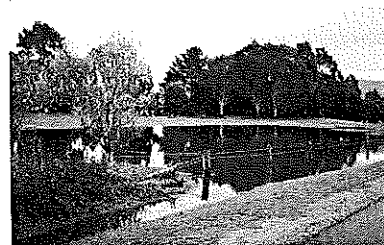

We have to go back to 1974, when sheets of bitumen were washed off the Esk Main Road near Cullenswood Church and the St Marys wood yard, to find a downfall of rain that would compare with Friday. Let us hope it's at least another 36 or more years before we see it again.

Just who was the lovely lady who was mortified to find herself on the street on Tuesday with odd shoes on?

Seems she had one of her own Blundstone boots on, but the other belonged to her husband!

My question is, how did her husband fit his foot into her smaller sized boot?

Last time I saw her, her odd sized boots were taking her as quickly as possible, red face and all, towards her home.

A LITTLE BIT OF HERITAGE: Jim Haas
"Do you want to Dance?"

Once upon a time there was no such thing as movies, televisions or computers. You don't remember you say? Well there aren't too many people left who do remember a time when we were not controlled by the electronic media.

For those of us who do, however, many fond memories come to mind of a time when we had to make our own fun. It was a time when we could let our kids roam free around the bush making cubby houses in the tee-tree, building dams in the creeks and in the May school holidays we would spend our days dragging gum bows to build a bon-fire for cracker night.

The only stipulation the parents put on the kids was to check in at meal time.

One of the main weekly events for the adults in those days was a dance on Friday or Saturday nights. Local musicians would get together and form an orchestra that could belt out a tune that would set toes tapping and every man racing to lead his favourite lady onto the dance floor.

The floor boards of the town halls would rattle as everyone involved themselves in Fox trots, waltzes, barn dances and the hocky-pokie until at the end of the night a mass of sweaty but fulfilled bodies would indulge in a home cooked supper.

Even before community halls were built, weekend get-togethers, which would incorporate dancing, were a big part of the entertainment of our early settlers. Back then it would simply be a gathering at someone's home and the music would be nothing more than a fiddle or two, with a wind jammer thrown in. But that would be more than enough to get everyone in the spirit to spend the night twirling in dance with their partner.

Early records show that many a dance was held at the larger properties in the area like "Cullenswood", "Killymoon" and "Malahide", with the "Benham Ball" at Avoca being famous for many years. To add to this, organisations like the Catholic and Anglican churches would hold an annual fund raising ball along with the hospital and school etc.

This year as part of the Grassy Bottom Regional Arts Winter Solstice they are bringing back the tradition of bush dancing in the hope that it may take off on a regular basis so we can all kick up our heels and enjoy an activity full of laughter, exercise and fellowship. At the end of the night, when you sit down with friends to enjoy a hearty supper, you will feel as if your day has been worthwhile.

The Tasmanian Heritage Fiddle Ensemble, which is made up of a dozen or so musicians of all ages, will be here ready to kick off the dance at 7.30 pm on Saturday the 19th June. They will not only play some of the best heritage music you have ever heard, but call the dances and teach you the steps.

A display of photos from the dances of days gone by will be part of the night and of course the night will end with the traditional supper.

So come along and experience how our ancestors entertained themselves without the help of modern day gadgets. But just a word of warning, the experience could move you into pursuing a new way of life.

Letters to the Editor

Vol. 43 No 1, 2010

In the last issue of the this paper in 2009 I wrote a letter to the editor suggesting a St Mary's High School reunion commemorating 60 years of the high school, this year supposedly being the 61st year.

I thought this would be a another event for the community to get involved in as a means of attracting people and business back to St Mary's all be it for a short time, as it was for the very successful sesquicentenary celebrations.

I envisaged a three or four day event involving the school, businesses the entire community with sport, dance and art events etc., to promote interest and provide a financial fillip to the area.

Unfortunately the interest expressed to me was minimal but I do thank Beverley Rubenach for her enthusiasm and offer of assistance.

Living so far away in Darwin makes it difficult for me to do any more than make a suggestion and it is indeed a pity that unless other interested parties are keen to get involved then my idea will be postponed but hopefully not cancelled.

Regards to all,
John Schier, Darwin.

MEMORIAL PARK FOR DAVID

Thank you everyone for your kind response by conveying your interest and willingness through your signatures. Remember David Cement by asking the Break O'Day Council and relevant authorities to donate or release the small block of land, corner Groom Street & Story Street. We would love to see a kind and unbiased gesture from those in question and from the locals. David always had a long wish to create a public park on this spot.

George Keri - Scamander.

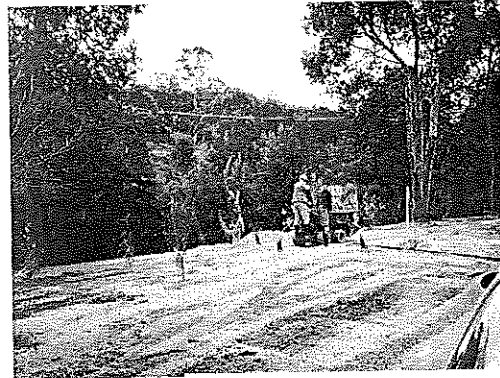

Thank you Judy for this opportunity to say thank you from our hearts to the lovely friends who arrived in great numbers to help Russell & I rebuild, clean up and give moral support at Manna Farm today.

At the time of the event and at first light on Friday morning we were feeling great despair & disbelief that so much of our lives of the past four years had been swept away so easily.

Today restored our faith in the human race. The kindness and love was very humbling and the wonderful food was very comforting. The human spirit in times of need is truly amazing.

Thank you one and all, as there were far too many to mention by name. Blessings be to you all from the both of us, for being so wonderful.

THANK YOU

We wish to thank everyone for their support by way of phone calls, cards and the many visitors Eric had while in the St Marys and Launceston General Hospitals, during his recent illness.

The doctors and nurses in both of these were fabulous. Also to the Volunteer Ambulance personnel and to the Paramedic, who came to our home and transported me to Launceston. A truly wonderful crew.

Special thanks to our wonderful family who were always ready to help in any way possible.

Thanks to Jim Haas for his article in the Valley Voice. It was quite a surprise and cheered me up quite a bit. Also to neighbour John for looking after our home.

We must never lose our local hospital again, no matter what.

Thank you one and all.
Claire and Eric Bean.

St.Marys V Sorrell

The St Marys Tigers Masters Football Team travelled to Campbelltown on Sunday the 30th May to compete in the Tasmanian Masters Prostate Cancer Awareness "Gala Day". The highly publicised event consisted of four football matches on the day and included teams from Lindisfarne, Triabunna, Kingborough, Launceston Football Club, Central Coast, Sorell and St.Marys. Our game V Sorell was the last on the programme and commenced at 2:30pm. The Ground was in excellent order and the game was played in fine and sunny conditions in front of a big and very supportive vocal crowd.

The Tigers were hard hit before the game with a few players not being available due to the recent flooding in the town and work commitments and we also lost key players in Paul Barnes, Darcy Williams and Mike Graham due to injury in the week before the game.

Despite these setbacks the Tigers got off to a great start against a professional and well drilled Sorell masters team and we were only a goal down at quarter time. The team continued to battle hard in a good standard game; inaccurate kicking ultimately cost us dearly in an exciting last quarter comeback before finally going down by 19 points, despite having one more scoring shot than Sorell. There were some great signs though, and many good players on the day. Billy Reece continued to impress with his running ability and his bag of four goals for the day was a good individual effort. Cookie's coaching was excellent and he deserves a lot of thanks for the effort in getting the team together (phone calls and follow up) for this game. Considering this was our first serious "hit out" for the season the future looks bright for the senior Tigers.

Final Score: Sorell - 11. 4. 70 defeated St.Marys 7. 9. 51

Goalkickers:

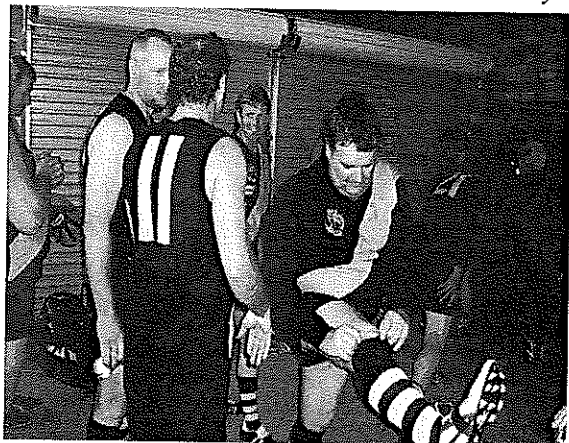

Billy Reece 4, Errin Carr 1, Kent Ritchie 1, Ray Squires 1

Best St.Marys:

Roger Salter, Andrew (Skeeter) Webb, Billy Reece, Errin Carr, Zippy, Mike Symons, Michael Cooke

Next Training Run will be Sunday 6th June Commencing at 9:30am (meet at the St.Marys Recreation Ground)

So come on if you are over 30 years of age and would like to get fit and play for the resurgent Tigers call Cookie on 0429 307 264, Rick Lohrey 0418 564 710 or see Harry at the Post Office.

The Say Cagerattler

What an extraordinary day we had last Friday May 28th. Little did we know when the rain started earlier that it would lead to what it did. Just shows you what can happen.

At about 2.45 pm we had that massive deluge that flooded drains, overflowed gutters and saturated anyone with the misfortune to be caught out in it. Then it backed off for the best part of an hour before the really heavy stuff hit again. Then, as they say, all hell broke loose over the next few hours. This then led to damage all over town.

The most amazing thing about all this though, and genuinely not overstating the fact, is how lucky it was that nobody died or were seriously injured. THANKFULLY. Can you imagine how incredibly lucky the young group from Trevallyn were who could so easily have all been drowned when they were caught on Margison's Bridge with water gushing in around the windscreen. A massive effort by Coxy and one of the local police officers who amazingly had the presence of mind to get through with Coxy's dozer to help out. Truly fantastic effort.

I met the group on Saturday at Gone Rustic. When you consider a five month old went through this too, you can understand why the young mother and father were so pleased to be able to talk to the media about it all.

Not only this happened of course. We had near misses on the Passes, a similarly lucky women at Bicheno whose car was washed off the road, with her in it, and one of my friends who works at the school who somehow managed to get through the Harefield Road intersection flooding with water coming over the bonnet of her car. All she was trying to do was to bring necessary items through, but so quickly did the water rise that she was literally floating, briefly.

A few minutes later when she made it through to the school she was still in shock as to what had happened. I'd passed that same point 15 minutes earlier and there was no water over the road until I started going up the school drive. That's how quickly a metre high wall of water can arrive. Both of us spent the next 45 minutes contemplating how to get home. A well known local got through with his four wheel drive to help out. I ended up waiting for a while and brought my car back through nervously around 7pm but...

It wasn't until Saturday morning that the heartbreak of damage to businesses, private properties and some infrastructure was to be seen. All from a relatively brief flash flood, when it's all said and done. To anyone who has been impacted we must try to help out somehow especially if insurance cannot be accessed. I know we will because that is what makes this town special. We always do.

A big request in particular for Manna Farm. They've lost their livelihood entirely it seems, through no fault of their own and due to the nature of the plant /supplies business it can't be fully insured. IS THERE A WAY WE CAN HELP OUT SOMEHOW UNTIL THEY CAN GET BACK ON THEIR FEET? I have no doubt there is, if these fellows want to continue. Let's hope they do.

To all those who suffered property loss, face replacements, insurance claims and inconvenience, so sorry to hear and to our S.E.S., Police, Firey's, Ambo's, Council and DIER Road crews and Aurora. Thanks. Blood's worth bottling. Thanks again too, to Coxy and the dozer. How great was that?

Finally, even though I am a keen supporter of the memorial park idea, may I state that I am **NOT** the instigator of the petition currently in circulation.

What do you think ?

Local Artist's Work Selected

Fibre and textile as an art medium are recognised more and more these days by galleries and publishers in Australia and globally. It has been a long road to recognition. The view that painting and sculpture are the only valid materials for art is changing after much work by fibre and textile (and mixed media) artists to challenge the status quo.

Local fibre and textile artist Rita Summers has for the 3rd year in a row had her work selected for a global juried online exhibit and published (hardcopy) book called *Somewhere in My World*, compiled by Myra Woods. Entitled "Flying Free", the work is accompanied by Rita's original poem of the same name. Materials include cotton,

bone buttons, wooden beads and perle cotton, and it is hand stitched, hand crocheted and hand-dyed.

In addition, a work Rita submitted to the Wangaratta Exhibitions Gallery in Victoria, under the theme *Petite Miniature Textiles*, has been juried into its exhibition to be held from 12th June – 11th July, 2010. It was selected from numerous fibre and textile art works submitted from all over Australia.

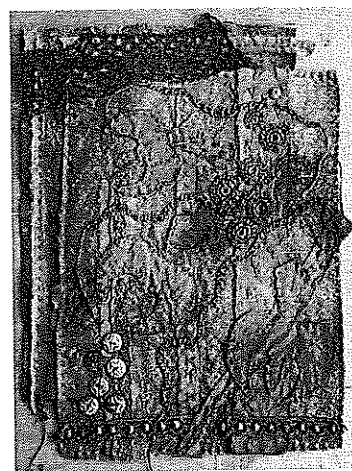

The selected piece, entitled "Journey of Life – Growth", features a variety of machine and hand stitching techniques, and includes thread snippets from other projects, fabric scraps, wooden beads and recycled fabric from clothing purchased in the St. Marys Op Shop.

St. Marys might be a small town, in a rural corner of Australia's island state, but it is exciting that our local artists have the opportunity for recognition for their work, AND for their town.

DOING THE ROUNDS Cllr Reon Johns.

Like to raise an issue? Feel free to contact me on mobile 0429 722 091 or Fax 63722098

Cllr Johns moved a motion to investigate the possibility of Council providing the amount of \$2800-00 to the Fingal Neighbourhood House. In order to stage a staggered project aimed at the disadvantaged families/youth. This will allow this group of people the opportunity to visit and enjoy activities outside of the Valley.
Moved Cllr Johns, seconded Cllr Schmerl. Carried unanimously.

Deputy Mayor Osborne moved a motion that Council contribute the amount of \$6000 towards the building of a grandstand for the netball., citing a "Duty of Care" in the support of the motion. This "Duty of Care" was disputed as who provided the duty. Cllr Osborne withdrew this and the motion was carried unanimously.

Deputy Mayor Osborne moved a motion that Council replace Community Lifestyle Budget with Sport and Recreational Budget. Moved Cllr Osborne, seconded Cllr McGiveron. Cllr Nicholls stated that there would be no need to change from the Community Lifestyle Budget as this incorporates the Sport and Recreation.
For Cllr Osborne, Cllr McGiveron. Against Rest. Motion lost.

Question on Notice Outreach Worker, Fingal Valley – Cllr R Johns

To the Community Development Officer Council passed a Motion to investigate the possibility of funding, through grant or budget, a full time permanent position of an Outreach Worker for the Fingal Valley.

Reply: A Steering Committee was formed with Cllrs Rubenach, Osborne and Bleaney making up the committee with the Community Development Officer. Cllr Rubenach has called two meetings and the President of the Fingal Valley Neighbourhood House has also attended a meeting. Actions out of the meetings were that service providers be contacted to provide necessary information to assist the Steering Committee in collating evidence to support the need for an Outreach worker. At the time of answering this question on notice, only one response had been received from a service provider and they had no issues. The President of the Fingal Valley Neighbourhood House is looking at other avenues and will report back to the Steering Committee and another meeting will be called.

Grassy Bottom Regional Arts – Cllr R Johns

To the General Manager: In a recent motion the Grassy Bottoms Regional Arts applied for a fee waiver on all Council facilities. What Council facilities are involved in this waiver?

Reply: At this stage we are unable to provide a list of Council facilities that Grassy Bottom Regional Arts wish to utilise as Grassy Bottom Regional Arts book Council facilities when they have special events coming up. At present we have bookings for the St Marys Hall for the month of June for the winter solstice.

OFFICER'S RECOMMENDATION: That Council refuses a remission totalling \$12.57 being for the penalties and interest applied to the property located at 3 Byatt Court, Scamander. Carried unanimously

COMMUNITY DEVELOPMENT

Community Services Report

No discussion of significance took place

Waiver of Sports Complex, St Helens Hire Fees – Santosha Yoga

OFFICER'S RECOMMENDATION:

1. That Council support the Santosha Yoga Club by reducing the hire fee for the Sports Complex to \$5.00 per use instead of \$18.00.

2. That the fee reduction of \$13.00 be shown as a donation.

Moved Cllr Johns, seconded Cllr LeFevre. Carried unanimously.

Council Lease Proforma

OFFICER'S RECOMMENDATION:

To formalise Council's leasing arrangements with community and sporting groups for the use of Council owned/managed facilities

1. That Council adopt the draft Lease document as outlined in the Associated Reports and Documents; and

2. That Council enter into written correspondence with the relevant community/sporting organisations as to the change in the lease format and once correspondence has been received bring this matter back to a workshop for further discussion.

Moved Cllr Osborne Seconded Cllr Johns

That this item be moved to a workshop. Carried unanimously.

Reconciliation of Grants to Organisations, Groups and Individuals

OFFICER'S RECOMMENDATION:

1. All grants provided to organisations, groups or individuals by Council shall be subject to the condition that a full accounting of the expenditure of the grant be provided to Council in writing within a period not exceeding 60 days after the completion of the event(s) or project(s) for which the grant was provided.

2. If the reconciliation is not received within that period, the organisation, group or individual be refused any further grants until the reconciliation has been received by Council.

Moved Cllr Johns, seconded Cllr Osborne. Carried unanimously.

St Marys Sports Complex Maintenance Works

OFFICER'S RECOMMENDATION: That Council carry out remedial works to the St Marys Sports Centre including replacement of windows and repainting the outside of the Sports Centre at an estimated costs of \$20,000.00. Carried unanimously.

Appointment to NRM Special Committee

OFFICER'S RECOMMENDATION: That Council appoint Ms Elizabeth Znidersic to the NRM Special Committee as a community representative, Carried unanimously.

Change of Council Meeting Date – June 2010

Conference being held in Canberra from the 14 – 17 June 2010 the Mayor has recommended that the June Council Meeting date be brought forward to Friday 11 June 2010.

For Cllrs McGiveron, Schmerl, Rubenach, Osborne, Legge.
Against Cllrs Nichols, Johns, Bleaney.

DO YOU KNOW?

That there have been 3 separate motions to have the Councillors lunch at Council Meeting "in House" rather than at various restaurants in St Helens. All of these motions have failed to get the full support of Councillors.

That council has two meeting each month. One is the Council Meeting that is open to the public, held on the second Monday of the month where all decisions are made and on the fourth Monday Council has a workshop, closed to the public, where upcoming issues or referred items are discussed and **NO** decisions can be made.

This article is a condensed version of the Council Minutes and the full Minutes can be found on the Council website, or a cd can be obtained from the Council Office.

I would like to invite any other Councillor to share this article with me and help keep the Break O'Day informed.

Winter Solstice Celebration

Saturday 19th June 2010

4.30pm - 10.30pm

Featuring a Bush Dance with the
Tasmanian Heritage Fiddle Ensemble from
Hobart

4.30pm - children meet us at the hall to choose a lantern and get ready for the lantern parade. Or you can bring your own.

5.30pm - Fire Sculptures by John McColl lit on Faulkner's Green

6pm - the lantern parade begins at the fire sculptures, ending at the front of the hall.

6pm onwards - dinner in the hall - there will be soups and bread rolls, curries with rice and accompaniments, and hot jacket potatoes. Mulled wine, beer, wine, and non-alcoholic drinks will be available. Listen to music by students of St Marys High School while you eat.

7.30pm - dance will start - come and kick up your heels dancing to the amazing sounds of the Tasmanian Heritage Fiddle Ensemble, a group of 12-15 players of all ages, complete with caller to teach you the steps. Or if you'd rather, just sit back and enjoy this unique opportunity to listen to some great music!

Supper will be available during the evening - lamingtons and scones, tea/coffee and hot chocolate.

There will be a display of photos going back to the days of the early dances held in the hall, activities for the children during supper and spot prizes throughout the night.

Dance - \$12 family (\$10 members)

\$7 adult (\$5 members), children under 5 free

Tasmanian Heritage Fiddle Ensemble – Playing at the St Marys' Winter Solstice on Saturday 19th June 2010

This group is a large, fiddle-based community orchestra. With up to 20 fiddles, and several mandolins, guitars, accordions and cellos the group can number as many as 25-30 players for some performances.

The Tasmanian Heritage Fiddle Ensemble is dedicated to reviving traditional Tasmanian country dance music and performing original contemporary Tasmanian folk music. The brief of this group is to revive a hoard of great lost and over-looked music, to teach Tasmanian musicians to love and revere their own local traditions and to contribute creatively to expanding these traditions.

Recent performances have featured music by the early Tasmanian fiddle player Alexander Laing, music from the apple-shed dances of the Huon Valley and recent Tasmanian compositions.

Approaching its first decade the ensemble has played throughout Tasmania; it has been a featured act at The National Folk Festival in Canberra and has performed at the National Museum in Canberra. It has performed at countless festivals, concerts, fairs, dances and public events throughout Tasmania.

It always wins the hearts of audiences with its powerful and joyful performances.

To come out of a Heritage fiddle concert is to leave with a greater sense of place and history all woven in through beautiful melodies and contagious rhythms.

Colour us in

St Marys Sports Centre Inc. news. Kackhander.

Once again we see St Marys Lakes Golf Course after the deluge the other day but it seems the course survived the flash flooding relatively unscathed. This is great news after all the volunteer workers hard work to get it so good.

It'll be a bit wet underfoot for a few days but that's okay.

Not a lot of luck yet in regard to the bowls AGM due to many not able to attend, so it has been decided to have the proper meeting in August. That should be good. A real positive is that there could be a few keen new bowlers who have suggested they might be joining up. That's good news.

Still on meetings. **DON'T FORGET THE ANNUAL GENERAL MEETING** on Friday 11th June at 7pm. Won't take long and it would be good to get a quorum first time round. We've struggled a bit in recent years.

Anyone interested in standing for committee can return the form to the Secretary or to the notice board by Sunday June 6th if possible. That would be terrific.

It's on the cards that we will be seeing some big improvements to the clubhouse soon. That would be fabulous.

All have said that it was really sad to see "Skippy" go. She was our iconic signature tree. Unfortunately though she was too dangerous to remain. Just the same it's the end of an era, as much as it annoyed us every time she grabbed a well hit recovery shot up the first or tenth or sixth and fifteenth. Maybe we can look at replanting a step son or daughter of Skippy sometime but maybe not a white gum that draws so much out of the ground. Any ideas on that?

Finally, thanks to all involved in the Annual Dinner last week. All those who attended had a great time and to all the volunteers, thanks for all your efforts. Very much appreciated.

Congratulations to all the trophy recipients in both golf and bowls too. A good night as always.

Indoor bowls night. Provided we don't have to reschedule the AGM to this night, we will hold a Pairs Tournament if we can get eight teams on Friday June 25th. Hopefully it will be own partner, knockout, winners take it all cash prize event. As soon as we get 8 teams at \$6 per team we can hold this night. Sheet available in clubhouse now.

Until next time, good hitting and rolling.
