Est. 1968

Volume 43 No. 2. Thursday June 17, 2010.

50 cents

Welcome afternoon tea for the new Director of Nursing.

On Monday 7th June, Hospital staff, members of the Auxiliary and guests from our own and neighboring communities welcomed our new Director of Nursing, Yvonne Webber, to her new position at the St Marys Community Health Centre.

Yvonne, with her appointment, brings a wealth of experience and knowledge from a dedicated career in nursing, associated health services and aged care and as said in her address, looks forward to implementing that to the benefit and advantage of our region.

Yvonne is keen to meet members of the community and welcomes contact both socially and professionally at any time.

Yvonne, we sincerely welcome you to the area and wish you a pleasant and gratifying stay.

Kevin.

Community spirit still working well in St Marys

Last Sunday morning (6th June 2010), around 20 volunteers got together for a working bee to help Jan Clement clean up the damage caused by the recent floods.

Jan put on soup and a light lunch with the help of the ladies. The photo is a section of the volunteers who finished the clean up operation with the burning of some of the debris. Photo: Courtesy Peter Troode.

A LITTLE BIT OF HERITAGE: Jim Haas "The Race that Stops a Nation"

A couple of issues ago I wrote about the St Marys Races and how they have become the biggest event on the St Marys calendar. Another important event in St Marys is the Lymphoedema Centre luncheon brought about by Australia's biggest race meet the Melbourne Cup, held on the first Tuesday in November. This year's celebrations for the race that stops a nation will be a little more significant because it is the 150th running of this most famous race.

It all started way back in 1861 with rather humble beginnings, but it soon cemented its position as a revered sporting, social and cultural event that has continued to play a vital role in defining Australia's national identity.

The first two mile (3,200 metres) Melbourne Cup was run on the 7th November 1861 with a field of seventeen horses, all racing for a modest prize of 710 gold sovereigns (£710) and a gold watch. This year's total prize money will be \$6 million plus trophies worth around \$125,000. The first ten past the post will receive prize money, with the winner collecting \$3.3 million, down to tenth who will receive \$115,000.

In order to attract a large crowd to the first Melbourne Cup meet the secretary of the Victorian Racing Club decided to issue members with two ladies tickets, calculating that where the ladies went the men would follow.. The crowd of 4,000, however, was still disappointing and it was put down to the fact that only a couple of days earlier Melbourne received news of the deaths of explorers Burke and Wills.

Still the inaugural Cup was an eventful affair with one horse bolting before the start and three of the starters falling during the race, two of which died. Archer, a 16.3 hands bay stallion from Sydney, who started a rank outsider, won the race from the Victorian champion and favourite Mormon. Archer and the New South Wales punters took a heap of money away from Melbourne that day, fuelling a Melbourne-Sydney rivalry that has become even stronger over the years. But Archer was not to be outdone, he came back to Melbourne the next year and won the Cup for a second time by a record margin of 8 lengths, writing his name in the history books with horses like Carbine (1890), Phar Lap (1930), Peter Pan (1932 – 1934), Rain Lover (1968 – 1969), Think Big (1974 – 1975) and Makybe Diva (2003 – 2004 – 2005).

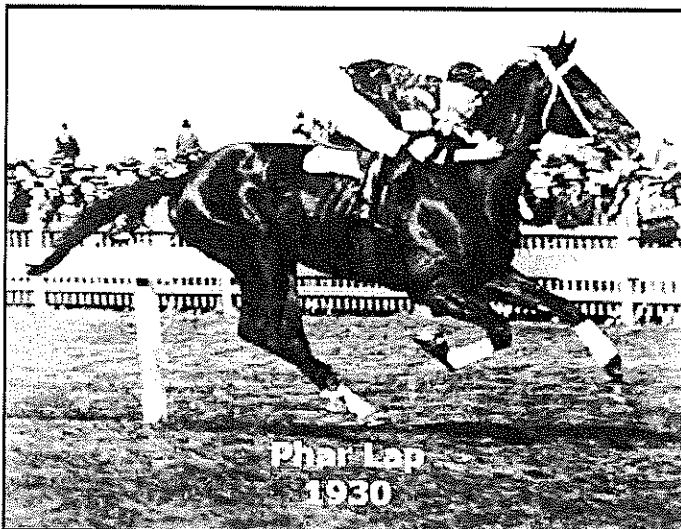

The Melbourne Cup has seen many milestones over the years, with one of the most memorable being 1985 when it became the first horse race in Australia to offer prize money of \$1million. The same year the event was attended by Prince Charles and Lady Diana who arrived by boat via the Maribyrnong River. The Cup was won that year by What a Nuisance.

Since the gold watch was awarded as a trophy in 1861 a variety of trophies followed, including model horses and silver bowls. From 1919 a three handled cup has been awarded to the owner and since 1973 the practice has been to award the jockey and trainer with a miniature replica of the cup. As well, the strapper is awarded the Tommy Woodcock trophy, named after the strapper of Phar Lap.

Over the years the value of the trophies has increased dramatically with the present cup worth in excess of \$100,000. It is made from 34 pieces of gold, hand beaten for over 200 hours to form its shape and contains 1.65 kg of 18-carat gold. Close inspection of the inside of the cup will reveal small hammer imprints.

Although the Cup field is capped at 24 these days, the largest field ever was in 1890 when 39 horses took part. Carbine won that race carrying a record weight of 10.5 stone (65.5 kg) and run in the remarkable time of 3.28 minutes. The fastest time for a Melbourne Cup is 3.16 minutes, run by Kingston Rule in 1990.

In 1861 when the first Melbourne Cup was run, St Marys was only 4 years old and the few people who lived here would have had no idea of such a race taking place until they read it in a newspaper weeks later. How different it will be in 2010 when, I'm sure, the Community Hall will be packed to the rafters and the people of St Marys can stop with the rest of the nation and watch the race live, in colour, on a big screen television.

Letters to the Editor

Vol. 43 No 2, 2010

Letter to the editor

Ian and I would like to say a very heartfelt "thank you" for the support and help we received after the gallery was flooded out during our recent deluge. We particularly want to thank Rod (a whiz with a mop and bucket), Liz (who kept a clear head when we felt overwhelmed), Heather (who introduced us to the absorbent qualities of newspapers), and all those who were concerned and offered to help.

We also want to thank Dave, Susie, Seth and Ben who insisted on helping even though they had experienced their own dramas the day before (Mariella is too young to help, but she brought love and light with her!). Many thanks also to Isobel who gave us a delicious homemade pie, and Marilyn who brought goodies to Rustic Ragamuffins so Rita didn't have to cook.

To everyone whose home or business was inundated, we send you our love and best wishes. We hope that life will soon return to normal for you, and that you can rebuild from what was lost or damaged. St. Marys is a wonderful, caring and supportive community, and the way everyone worked together during and after the flood has confirmed this. What a great place to live, and what great people live here!

Warm regards to all, and sincere appreciation
from Rita and Ian Summers

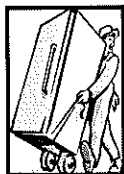

Gone Rustic Studio & Gallery, St. Marys.

Letter to the editor

My name is Eric Hutchinson; I am the endorsed Federal Liberal Candidate for Lyons. I grew up in Launceston, my wife Amanda, (a pharmacist and small business owner) and I have been married for 14 years and we have two young sons, David and John. Health and education are both of real importance to me.

I have been the marketing manager with Roberts Wool for the past 12 years having previously worked in Melbourne for 11 years as a trader and exporter of wool. My current position has provided me with the opportunity to work closely with the local agricultural industry and the rural communities which support them across Lyons.

Environmental stewardship is increasingly demanded by customers of our agricultural products. Helping Tasmanian farmers to meet customers' requirements is important to me as highlighted by my recent involvement in developing an environmental accreditation system for Agriculture in Tasmania. Planning for the future and looking at old problems in different ways is sometimes needed.

Lyons has enormous opportunities. For a long time now, I've been listening to the people that live and work within the 13 different local government jurisdictions that make up the electorate about the issues that are important for them. "Under-employment" means that people living in Lyons are struggling to get ahead and reach their full potential.

My vision for Lyons will be guided by what Lyons' businesses, communities, industries, non-government organisations and residents want it to be. Regional planning, community building, and better investment into implementing Lyons' needs and wants is vital. Lyons has so much to offer.

Lyons has been represented by the same person for 17 years. It is time for a fresh perspective, someone with new energy to represent the people of Lyons in Canberra. Please consider voting for me. I will listen to you. I will be a strong voice for the communities in Lyons. Please, contact me at any time by mobile: 0447 777 251 or email, eric.hutchinson@tas.liberal.org.au at anytime to discuss issues concerning you, or to arrange a time for me to meet in your community.

Letter to the Editor

Congratulations to the Council staff and the new General Manager.

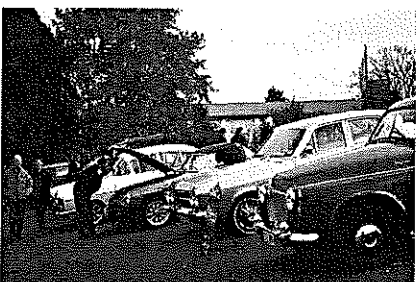

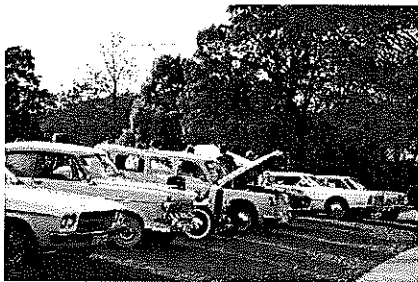

Recently the township of St Marys was hit by an extreme storm event. This event was the result of a huge dump of rain in a short period of time, and the Main Street was flooded, in addition several homes were damaged as well as some businesses.

I would like to thank the people who came out and assisted in clearing the street and towing stranded cars to safety. After I made a phone call to the General Manager, Des Jennings, he promptly organised the Council staff into action and opened the tips, with the fee waived.

The Council staff did a wonderful job and there were no jobs too small that they did not attend to. Thank you for going beyond the call of duty and doing yourselves proud.

Cllr Reon Johns

Cranks & Tinkerers St Marys Car Show 2010

Well the green was alive with nostalgia thanks to the many entries in what only can be considered a successful day. As one spectator said to me "this is getting better and better".

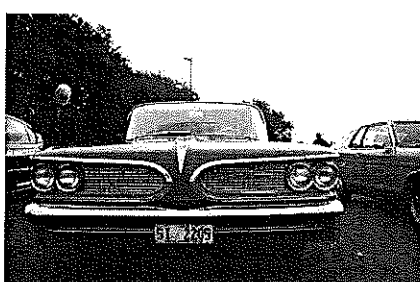

What a delight to see some of the youth of the town in wonderment at the simple mechanics that got us from place to place or to hear, "I remember my dad drove one of those cars when I was a child. I cannot believe that one still exists".

I believe the eyes told the story with looks of "I wish".

Congratulations to our winners who were all selected by the number of votes received.

First went to Scott Round with his 1972 Monaro LF, second went to Duncan McKendrick for his 1962 Cadillac. And here's one for the girls!! Wendy Brennan's Suzuki 1250 won 3rd prize in the People's Choice.

Thank you to all participants who made the journey to our delightful town and to the hard working committee: Grant Faulkner, Bill Targett, Ian Summers, Reon Johns & Jeff Springer. And finally, thanks to the people of St Marys who show their support each year.

Friendly bus trip to Swansea

Friends of the History room in St Helens had a "day off" recently. Instead of raising funds we had an historical fun day out.

A small bus load of us went to Swansea, where we were met by Maureen Ferris, curator of Swansea Museum, who escorted us to Rocky Hills Probation Station. The current owners kindly opened the property up for us to see where they are gradually uncovering (literally) the history of the settlement. In doing this they are also slowly restoring the buildings, and what a veritable treasure it is proving to be.

Only occupied for 8 years, wear and tear was at a minimum, and despite much of the stone being salvaged for Swansea, a lot remains.

From there we went to Mayfield camping area for our lunch and to wander along the sands, then back to Swansea to view the renovations of the Museum and sample a super spread provided by The Historical Society, where we could view Louisa Meredith's sketches and bibliography. A day of excellent weather, friendship and hospitality from our neighbours made it a superb day for all.

Kay.

WHAT HAS THE ST MARYS DAY CENTRE BEEN DOING?

Story & photos: Hayley Gilbert

Australia's Biggest Morning Tea

On Wednesday 26th May 2010 the St Marys Day Centre was host to one of the many 'Australia's Biggest Morning Teas' that are held throughout Australia during the month of May to raise funds for the Cancer Council.

The kitchen staff at the Centre put on the biggest selection of scones for our guest to try. There was something for all tastes from the traditional raspberry jam and cream to savoury cheese and onion and date scones. Approximately 30 people attended and the raffle was won by Betty Sumner. Thank you to everyone who attended or made donations.

Township Morning Tea

On Wednesday 9th June 2010, the St Marys Day Centre set off to various venues around St Marys for a morning tea. The Purple Possum, Escape Café and The Coach House Restaurant all played host to the Day Centre group. All venues provided the most *wonderful* hospitality and selection of food and drinks.

There was a lot of competition between the venues with each group firm on the fact that 'they had the BEST morning tea compared to the other groups'. It had been hoped to utilise all of the venues round St Marys that offer a cuppa and something to eat but time and stomach sizes unfortunately didn't allow us to access every venue. So if we missed you don't despair we will be back for round two!

The standard of service is a great credit to this town (including the flexibility of the staff for special needs) and the quality of food and drinks that is available in one town.

We have *so much* to offer in this town so help support our local businesses and see what they have to offer you? You might be pleasantly surprised at what you find!

Mathinna Field Trip

The next Field trip for the Society is planned for Sunday June 20th 2010 and will be a walk around the old gold mines at Mathinna.

**Meeting time will be 10.30 am
at the Mathinna Recreation Ground.**

Come along and learn the history of the town that was once the third largest in Tasmania

For more information contact: Barry 6372 5752, Darlene 6372 2416, or Jim 6372 2127.

OUT OF THE WOODWORK

Wendy Brennan Secretary

0408 656 014

Thank you to **Jurgen Jacobi (Jug)** for the kind donation of coffee to the club. Col Mackenzie and Reon Johns were given a pleasant surprise when a package arrived from Western Australia. A month or so ago we had a visit from a **Mr Jim Horton** who asked if he could utilise the club's knowledge on matching stain as he had mended a wooden sculpture that had been damaged in transit and it needed to have stain reapplied. Reon and Col concocted a colour as close as they could muster to the original. Mr Horton is a wood collector and was most appreciative of the club's readiness to help. The package that arrived courtesy of Mr Horton contained two beautifully turned personalised pens for Reon and Col and a selection of exotic timbers for the Guild. Thank you Mr Horton for your thoughtful gesture it was a delightful unexpected gift which will be put to good use.

Keep a lookout for the Guild's Sausage King with his **most hated but most eaten snags** at the next **St Marys Markets on the 2nd July**. All monies raised are put back into the club.

Congratulations to **Sue, Colin and Kathy** for another **successful market day** last month and all members look forward to the next.

Many newcomers to our town have often questioned members about the seat (right) which is featured in this picture. It was carved by our local clever artist John McColl from a tree salvaged from the 2006 fires. It is a symbol and reminder of the camaraderie that the community experienced through adversity when St Marys experienced the 2006 fires.

The Guild meets on the last Saturday of the month at the Old Railway Goods Shed at **2.00 pm**. The Guild is open Monday, Wednesday, Friday and Saturday. Any other times by appointment.

Pure Tassie honey for not much money.

Pop into Purple Possum for 100% natural Tasmanian honey – local or Leatherwood – for only \$9.90 a kilo. This is pure, raw, unprocessed honey so it's full of natural goodness. Choose from any quantity from a half a cupful upwards, in your own container or one we provide. We've been supplying some folk with honey for 15 years. They think it's the bee's knees – we hope that you will too!

**Special prices on Dried Apricots and
Dried Figs – until the end of June!**

AFL Masters Gala Day

St Marys – Sunday 11 July 2010

St. Marys Tigers Football Club Inc.

After an awful lot of frustration, hard work and a couple of successful trial games, it is our absolute pleasure to announce that a St Marys team in St Marys colours will be playing a competitive match at the St Marys Football Ground on Sunday 11 July. A total of four AFL Masters teams will participate in the Gala Day with St Marys playing at approximately 12.15pm. The Gala Day will follow Auskick and we hope that families involved with Auskick will stay on to watch the games.

Entry to the ground (for the senior games) will be by gold coin donation and there will be a great selection of food and refreshments available.

This is a landmark day for the St Marys Tigers Football Club. We have been thrown a lifeline by the Tasmanian AFL Masters Association and the Club is integral to plans by this association to develop a viable AFL Masters competition in the north of the state. We expect that there will be a number of Gala Days over the balance of this season with the objective of establishing a formal competition in the not too distant future.

Michael Cooke has assembled an enthusiastic team of mature footballers who have demonstrated that they retain many skills and they have been extremely competitive in trial games so far. There is still room for additional players so if you are over 33 and looking for a game of footy give me a call at the PO or speak to Cookie, Rick Lohrey or 'Speed' Maher.

So we are on our way to bringing a football team back to St Marys and providing the opportunity for all people in our community to watch their team run around in St Marys on a weekend afternoon as well as all the associated social activities.

Additional details for the Gala Day will be announced as they come to hand and keep a watch out for posters around the town. Most importantly we need your support – we will be looking for volunteers to perform a variety of tasks but most importantly we need the support of our local community to just turn up and barrack for our team. It should be a great day and we look forward to seeing you there.

Harry Veldums.

The Say Cagerattler

I must state that I really do care what people think of this subject matter. It may upset a few people but I believe it needs to be written. I was quite mystified to say the least when I noticed a petition floating around a local business the other day. The topic of this petition was that of lack of policing in St Marys. This particularly in regard to a mini crime outcome of late it seems. I cannot agree with that suggestion at all.

I'd be more inclined to say that if a few parents around here were to take full responsibility of the vandals, troublemakers and possibly thieves that have perpetrated most of these 'crimes' then this would not be such an issue.

Unfortunately some of our local young people have seemingly been behind some of this going on and need to be sorted out for their own good by their own parents before they really do come under the law for real. How about disciplining these kids properly before we try to blame the lack of police presence. That would indeed be a great start.

I really don't know who all these kids are but I suspect some of their parents have an inkling that their treasures might have been up to a few things.

Personally I have been happy with what our local cops have done. Both on personal matters and with community emergencies, my own dealings have been more than adequate, so I feel suggestions that this is not the case maybe somewhat off the mark at present.

I know that some of the stuff that's occurred might only have been done for kicks or a thrill or two but the sad thing is that other people have to fix the mess they leave behind or indeed pay for the damage. This is just not good enough and the sooner these young people are corrected, hopefully by their parents before the police, then the better off everyone will be. Now to some really good news indeed.

Since the last Valley Voice, and since the diabolical Friday Flash Flood a couple of weeks ago, both the Community and Break O'Day Council deserve much commendation for a marvelous effort in the clean up and quick response to many who were directly affected. This is why this is such a great place to be. Well done to all who leant a hand, whether a volunteer or paid worker. It was greatly appreciated.

Another bit of good news is the recent return to our town of a much respected former community member as well as his wife. Not too much longer another addition as well. Even better is that they hope to be here a long time and one day will be adding a special service to this area which will be a wonderful thing to many. No doubt you'll all find out in the not too distant future. It's great to have them with us.

What do you think?

COUNCIL MEETING HELD ON THURSDAY 11 JUNE 2010

The following information is provided as a brief of matters that were discussed and decisions that were made at the Council Meeting held on Thursday 10 June 2010 at 5.00pm at the St Helens Council Chamber.

A Notice of Rescission was listed on the agenda as follows and was Lost.

That the Council Decision 05/08.8.12.163 be rescinded to allow an unlimited number of Councillors' "Notices of Motion" for meeting and an unlimited number of Councillors "Questions Without Notice" or "With Notice".

Councillors' "Questions Without Notice" together with the answers are printed in the meeting minutes.

The following Notices of Motion were submitted by Councillors for investigation and full reports to be provided to the July Meeting of Council.

That Council supports and requests an extension of broadband access to all settlements within the Break O'Day region. - CARRIED

That Council investigate the possibility of establishing a collection point(s) to collect donations for victims of the recent storm and floods in St Marys and surrounding areas. - CARRIED

That Council-operated waste transfer stations be open free of charge for the period of fourteen days (14) following the conclusion of a natural-related emergency event causing significant property damage (such as fire, storm, flood or hail) for residents whose properties are affected to enable the more effective and timely disposal of the damaged household and outdoor items, materials and green waste. - LOST

Other items listed for information and decisions by Council were as follows:

Council approves a rate remission for the general rate levied on the properties that are listed as discretionary remissions under the Rating Exemptions and Remissions Policy. - CARRIED

Council not support the funding, through the Lifestyle budget, the amount of \$2,800.00 for the Fingal Valley Neighbourhood House in order that this organisation can provide a staggered year round project aimed at disadvantaged families/young people to visit and enjoy recreational activities within the Northern Tasmania. - LOST

Council consents as land manager for a Development Application for a shower block to be built on a parcel of land which currently houses the Pyengana Hall, playground equipment, tennis court, wood chopping arena and outbuildings, PID number 6806259. - CARRIED

That Council adopt the draft Lease document in principle and that Council enter into written correspondence with the relevant community/sporting organisations as to the change in the lease format and arrange meetings to discuss the proposed lease document. - CARRIED

That Council enter into a lease arrangement with the St Helens Family History Group for use of the room located in the front of the Portland Hall as a shop front for genealogy. That any costs associated with the installation of telephone/internet access be at the St Helens Family History Group's expense. That a condition of the lease with Council be that when this facility is an evacuation/recovery centre, that the Group does not have access to the leased area for the duration of the emergency and that Council investigate the cost of the installation of a telephone line into Portland Hall. - CARRIED

Fire Abatement Inspection Fee - That Council lobbies the State Government for an amendment to Section 205 of the *Local Government Act 1993* which will allow Council to introduce a new Fire Abatement Inspection Fee. That Council writes to the Honourable Bryan Green, MP, Minister for Local Government, requesting an amendment to Section 205 of the *Local Government Act 1993* to allow for the introduction of a Fire Abatement Inspection Fee. - CARRIED

Council Workshop – Lower George River Flood Risk Project - Council convene a Workshop session to review findings on future flooding on the George River Floodplain and consider a risk management plan for its assets, services and responsibilities on the floodplain. - CARRIED

Meeting Procedures - Council adopt the Meeting Procedures with amendments as agreed. - CARRIED

Break O'Day Council OBO Crown – St Helens Point Road, Stieglitz – Demolition of Existing and Building of New Toilet Block – CARRIED

A full set of Council's minutes are available on the Council Website at www.bodc.tas.gov.au alternatively, hard copies are available at the St Marys and St Helens Libraries and the St Helens History Room. Copies can also be requested free of charge by contacting Council's Executive Officer on 6376 7900.

St Marys Floods

I would like to pass on my sincere thoughts to those who have had property damaged during the recent floods. Unfortunately I was away at the time, but have since visited many of those worst affected. For those I have missed or have not had the opportunity to talk to yet, please let me know if there is anything I can do to assist you.

Did you know the St Marys Tip was open free of charge for two weeks to assist affected residents with the cleanup process. If you still have flood damaged items and rubbish to take to the tip, you can obtain a tip fees reimbursement form by contacting Chris Hughes at the council (6376 7900) prior to disposing your items.

Jan Sparkes is considering compiling a book on the history of flooding in the St Marys/Fingal Valley area, so if you are interested in helping her or contributing your stories, photographs, etc, please contact Jan on 6372 2433.

Just a timely reminder that if you require assistance from the SES during a flood or storm, the number to call is 132500. The local volunteers are always prepared to assist.

A big thank you to the emergency service personnel and to the members of the public who freely gave of their time to assist their community in both the rescue and clean-up stages of the flood.

Tasmanian Heritage Fiddle Ensemble – Playing at the St Marys' Winter Solstice on Saturday 19th June 2010

This group is a large, fiddle-based community orchestra. With up to 20 fiddles, and several mandolins, guitars, accordions and cellos the group can number as many as 25-30 players for some performances.

The Tasmanian Heritage Fiddle Ensemble is dedicated to reviving traditional Tasmanian country dance music and performing original contemporary Tasmanian folk music. The brief of this group is to revive a hoard of great lost and over-looked music, to teach Tasmanian musicians to love and revere their own local traditions and to contribute creatively to expanding these traditions.

Recent performances have featured music by the early Tasmanian fiddle player Alexander Laing, music from the apple-shed dances of the Huon Valley and recent Tasmanian compositions.

Approaching its first decade the ensemble has played throughout Tasmania; it has been a featured act at The National Folk Festival in Canberra and has performed at the National Museum in Canberra. It has performed at countless festivals, concerts, fairs, dances and public events throughout Tasmania.

It always wins the hearts of audiences with its powerful and joyful performances. To come out of a Heritage fiddle concert is to leave with a greater sense of place and history all woven in through beautiful melodies and contagious rhythms.

The Kinders' spent a windy Autumn day at the park beside the town library.

Armed with plastic bags and a treasure hunt list they explored the area, collecting leaves, feathers and rocks.

Rubbings were made from the tiles on the Wombat Walk track and some impromptu dance moves on the stage were made.

Mrs Hibberd helped her group to compose a poem.

Autumn

*Crunch, crunch
We stomp on the leaves,
Swish, swish
We kick the leaves.*

*Crunchy ones, soft ones,
Curly ones,
Yellow and brown ones!*

*Long pointy ones,
Dry ones,
Wet ones.*

Autumn leaves are fun.

Student Leader Camp

13th - 14th March, 2010

On the 12th of March the Student Leaders left school at lunch time eager to get to Musselroe Bay. We decided to do our shopping at St. Marys before we left, we all went and gave Sally a helping hand. A few of us decided to throw in a few extra things, such as a limbo stick, pikelets and fizzy cordial everything except the pikelets got put back.

Stacey, Jessie and Caitlyn decided to travel with Sally, while Jacob, Indi, Josh and Bradley dubs to ride with Mr Shephard. I am sure we both had our excitement in the cars. After a long drive we arrived at our destination at about 3.30pm giving us enough time to unpack and set up. Caitlyn and Stacey had a job of setting up there tent, but somehow managed to beat the boys. Mr Shephard had some difficulties with his tent we all gave him a hand. While Sally and Indi's tents were already set up.

Everyone got settled in, we had a kick of the footy with Stacey and Josh demonstrating their awesome kicking skills (not).

Sally, Shep and Indi got sick of waiting, so we decided to take over the role and start tea, our menu was steak and jacket potatoes with the lot, they were yummy too.

After our delicious meal, we went down to the river Josh, Jacob, Indi and Bradley had a go at netting prawns while Mr Shephard was 'loving' the cold water in his shorts off course. We then walked along the edge of the river looking for flounder. Jacob caught one that Mr Shephard and Sally ate for dessert. Jacob had brought along his cards and we all enjoyed a game of cheater. Mr Shephard was getting bored with it all and got into the serious role of the dealer for our poker game.

Caitlyn and Stacey decided to go for a walk around, unknown to them Jacob and Josh gave them a fright with a delight and they came running back screaming.

The boys did the gentleman thing and got the fire going at 6.30 as it was a little bit cold, while Sally sussed the idea of letting Mr Shephard's tent down.

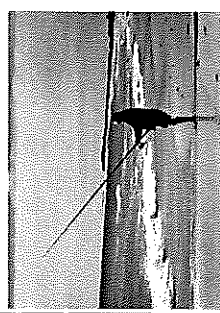

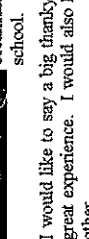

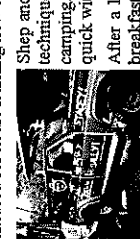

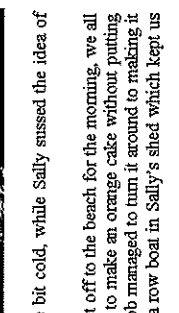

We had an awesome breakfast with eggs, bacon, sausages and the lot. Then we set off to the beach for the morning, we all enjoyed the water and body surfing the waves. Sally's activity for the camp was to make an orange cake without putting the orange in the actual cake. As difficult as it sounds we managed quite well Jacob managed to turn it around to making it into a grape cake and yes they were horrible Jacob. We found some kayaks and a row boat in Sally's shed which kept us amused for hours learning how to row.

Shep and Sally were so keen on catching a fish, but unfortunately they just did not have the right technique. We enjoyed a few hours of fishing and kayaking up the river a bit from where we were camping. Everyone was hungry for some of Sally's delicious casserole, thanks to the fun and quick witted Jessie Young we had an extremely awesome night telling some outrageous jokes.

After a late night lead by some of us we woke the next morning, packed up our stuff and had breakfast. Before leaving we decorated Sally's car with some masking tape then headed back to school.

I would like to say a big thankyou, to Sally Johnson and Mr Shephard for giving up your time to come along it was a great experience. I would also like to thank the Student Leaders for an awesome time, it was great to get to know each other.

By Indi Douglas and Stacey Bins

Surfing Comp.

The Tasmanian High Schools Surfing Championships were held at Clifton Beach on Monday the 19th April. The St Marys School team consisted of 9 competitors:

- Grade 7 Dakota Wise, Avalon Chippindale, Maya Ling
- Grade 8 Josh Glasser, Tom Kelly and Jye Pribil
- Grade 9 David Nickson
- Grade 10 Christin Heron and Indi Douglas

Some students and their families decided to travel to Hobart on Sunday afternoon and stay in Hobart to avoid the early start on Monday morning, the rest of the team woke early on Monday morning (4am!!) and travelled down the coast watching the sun rise to arrive at Clifton Beach on a chilly Autumn day.

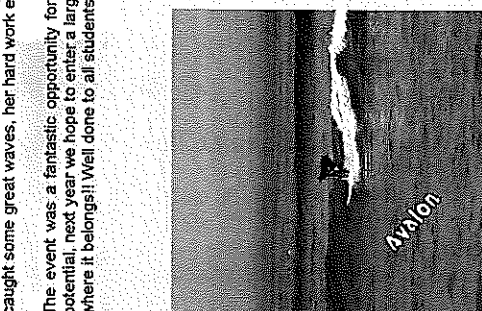

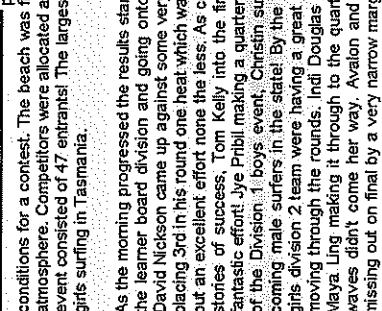

The team registered and moved off to their competition area, we were pleasantly surprised at the clean 2-3ft swell and the well formed banks, great conditions for a contest. The beach was filled with around 400 competitors, officials and spectators creating a wonderful atmosphere. Competitors were allocated a heat and a rash shirt and the competition began, the high school girls division 2 event consisted of 47 entrants! The largest group of competitors in any division demonstrating the popularity and depth of girls surfing in Tasmania.

As the morning progressed the results started coming in, Josh Glasser into the final of the learner board division and going onto take out the competition! fantastic result. David Nickson came up against some very strong competition in the boys long board, placing 3rd in his round one heat which was not enough to progress to the next round, but an excellent effort none the less. As competitors moved through the rounds more stories of success, Tom Kelly into the final and placing 3rd in the Division 2 boys fantastic effort! Jye Pribil making a quarter final and Christin Heron into the 3rd Round of the Division 1 boys event, Christin surfing against the most competitive up and coming male surfers in the state! By the afternoon it was clear that our high school girls division 2 team were having a great day! All girls won their round one heat and moving through the rounds. Indi Douglas just missing out on a third round heat and Maya Ling making it through to the quarter final but unlucky to progress further as waves didn't come her way. Avalon and Dakota fought it out in the Semi, Avalon missing out on final by a very narrow margin, Dakota made it through to the final and caught some great waves, her hard work earned her a 2nd place!

The event was a fantastic opportunity for all involved. The St Marys team was small in numbers but big in talent and potential, next year we hope to enter a larger team and maximise our chances of bringing back the High Schools Shield to where it belongs!! Well done to all students for your excellent efforts!

Learner Board:	Josh Glasser 1st place
Long Board:	David Nickson 2nd Round
High School Girls Division 2:	Dakota Wise 2nd Place Avalon Chippindale Semi Final Maya Ling Quarter Final Indi Douglas Quarter Final
High School Boys:	Christin Heron 3rd Round
High School Boys Division 2:	Tom Kelly 3rd Place Jye Pribil Quarter Final

St Marys Sports Centre Inc. news. Kackhander

Wonders never cease. Over the past few years it's been a real struggle to get our Annual General Meeting done at the first attempt. Guess what. We did last Friday night. Thanks to all who attended and made it a productive night.

Some things to come from the meeting were very important to our future. The overriding issue apart from the traditional AGM matters was to have a red hot go this year in encouraging a lot more members to use the ever improving facility. On all fronts we are truly struggling for numbers. **WE NEED MORE MEMBERS and WE NEED THEM SOON.** This club has so much to offer but so few currently partake of the essential service the club provides to the area. At one time we had almost 200 members. At present it's something like 80-90 or so.

We need to investigate the reasons and also the solutions before it's too late. Can you imagine if we couldn't continue?

We may well be within 12 months of that point of no return despite a fantastic golf course being provided and a similarly impressive bowls facility. This is unique to pretty much anywhere else, particularly at the ridiculous fees being offered up. When you compare to anywhere else our visitors are amazed and envious to say the least.

It's already been decided by us all to invite our former members, who for a great variety of reasons have ceased membership in recent years and newcomers to our area, maybe never having been a member of a similar club before to come and join us.

WE GUARANTEE YOU WON'T REGRET IT. If you are at all interested or you know someone who might be, just point them this way so they can become a part of a great little club. Let's make it really work this time.

Jim Turner has returned as club President, Barry Harrison as Treasurer and with much thanks to Drew Adam, he will add his administrative skills to the Secretary role this year in a couple of months or so. Thanks Drew, much appreciated.

Bobbie Harwood and Rod McGiveron will continue on the committee and the other two posts will be confirmed soon.

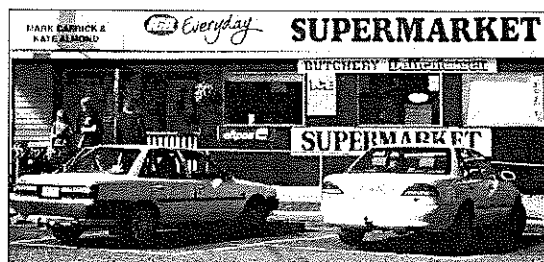

A big thanks goes to all our volunteers, namely Bob Hersey, Roger Donald, Trevor Viney and Col Payne who have done an amazing job for the club. Col was also Club Captain but due to business responsibilities on Saturdays he has needed to relinquish that role. Hopefully a new person can take over soon. Thanks Col, a thankless task extremely well done.

Especially good news at the AGM was this. Firstly it was unanimous and graciously accepted by him that Mr Trevor Viney be awarded Life Membership for more than 20 years of voluntary service to the club. Well deserved Trev. Congratulations. Also thanks to Mr Kevin Faulkner who has accepted the role of Patron this year. Thank you Kev.

Subscriptions are to stay the same again and will be due and payable by October 1st. Invoices will be forwarded within a few weeks.

As soon as we get 8 teams (16) players any configuration you like, we will hold a Winner takes all Friday night Indoor Bowls comp. Heaps of fun. Get your names on the board soon. First come first served. Another winter fun and fundraising night is to be run by a couple of our members who are fantastic at such things. Will be a ripper if it goes to plan. Plenty of golf to come, much to do. It's up to us all.

Until next time, good hitting and rolling.
