The Say Cagerattler

After a few very serious subjects of late, I decided due mainly to a few unrelated incidences that turn out to be a lot more related later on, I'd add comment and ask for input on a much more potentially enjoyable matter.

What about a Valley and East Coast Hobby Group? Over recent times I've been finding so many of our community members who partake in a diverse range of different hobbies, crafts and pastimes, but in so many cases people enjoying that pastime are unaware of either others doing it or would like to try it.

It could be- Modelling of cars, aircraft, ships, railway, photography, drawing, painting (not houses), woodcraft, metal fabricating, knitting, crocheting, rug making, bushwalking, any fishing, astronomy, car club, videography, archery, gun club, ornithology, cake making, cycling, orienteering, writing... the list goes on and on. How long is a piece of string... so many great things to try.

Wouldn't it be good to investigate a kind of data base, for the 5500 people who live or visit regularly this municipality so that one day we could create an avenue for people to link up who enjoy that hobby or would like to contact someone who could help with advice on how to get started in that hobby.

Who knows, maybe one day if and when our proposed new Cultural Arts Centre is a reality, and according to one of our most respected, local Cranks and Tinkerers who knows a thing or two on modelling cars and lots, lots more, things are progressing, we might be able to hold a Craft Fair regularly at such a venue.

Recently I contacted a chap on the North West Coast who runs a club involving my passion, American Railroad modeling, and he gave me a heads up on what is required.

Last Saturday I was invited along to the Swansea Model Yacht Club Annual Regatta at Milton Estate and it was great to see a small group of enthusiastic people enjoy a great sport... despite the freezing conditions.

If anyone is interested in talking about getting a group and/or data base together over the next few months please feel free to contact me on 6372 2215 or email me on rodneymcgiveron@bigpond.com and we'll see what transpires.

You can't work all the time and there's some fabulous things to do.

What do you think? Article by Rod McGiveron.

Raie McGeachie **1912 - 2012**

During a conversation with Len Miles back in January of this year, I learnt that Mrs Raie McGeachie was turning 100 in a couple of weeks. As 100 years in anyone's life is a tremendous feat I set about designing a special card with two purposes in mind. One was to congratulate Mrs McGeachie on her achievement; the second was to let her know that the people of Cornwall and, indeed, the Fingal Valley had not forgotten the contribution the McGeachie family made to our humble community.

John (Ding) McGeachie and his lovely young wife Raie arrived at Cornwall from New South Wales in 1941. John had recently been appointed Cornwall Coal Co. Mine Manager, after the sudden death of Mr C. S. F. Hood in late 1940. Mr Hood had been Mine Manager since 1918, but it would seem the long strikes of 1937 and 1940 took a toll on his health.

John McGeachie stabilized the industry on his arrival, but did come under some criticism for immediately working towards mechanising the mines. In 1950 he brought the first Joy continuous miner into Cornwall mine and although the Union at the time worried it would do away with jobs, the coal mines would never have been competitive into the future without mechanisation. By the time John McGeachie left Cornwall in 1959 and Jim Brennan took over as Manager, Cornwall Coal Co. mines were almost totally mechanised.

In the 18 years the McGeachies spent in the Valley they were much more than miners. Although Raie was a young mother and had three children (Helen, Duncan and Robert) while she was here she was very much involved in the community. She was a tireless worker for many community organisations, including the St Marys Players, who staged the famous, Japanese comic opera, "The Mikado" in 1954. The opera, which was held in the St Marys School Hall, ran over several nights to a packed audience of people from all over the State.

Both John and Raie had a keen interest in sport too, particularly golf at the old Killymoon course and tennis at their own private court in front of the old Manager's house at Cornwall. As well, John organised a community tennis court and playground, complete with play equipment, to be built at Cornwall for all to enjoy.

All the kids growing up at Cornwall and Mt Nicholas in the 1940s and 50s would have wonderful memories of the Christmas parties the McGeachies organized for the kids of the two towns. They would be the event of the year, complete with goodies, presents and of course Santa, played expertly by the late Keith Bullock.

Whilst John McGeachie died some years ago, Raie continued on and has never forgotten her time at Cornwall. Indeed, along with her children Helen, Duncan and Robert, she was one of the first to turn up to the Back to Cornwall Day in February 2006. A day, she said, was one of the best she had ever had.

Sadly, however, only a few months after the amazing milestone of reaching the elusive 100, Raie McGeachie passed away at a home in Canberra.

Raie was touched back in January when she received the congratulation card from the people of Cornwall on her 100th Birthday. Equally, I was touched when a few weeks later I received a thank you note. It simply said: *"Dear People of Cornwall, no congratulations have I received that has given me such warm pleasure... Raie McGeachie"*.

Rest in peace Raie, you were a wonderful lady who was loved and respected by all who knew you. The contribution you and your family made to our community and the Fingal Valley Coal Mining Industry will always have a special place in our heritage.

Many thanks Ana

I had been looking forward to the opening of Ana's new salon for some time. I had watched with anticipation as she and her family put in many hours of work preparing the salon to be opened to the public.

We had chatted many times, and I said to Ana in the week prior to her opening, "Oh I would love to be your first customer, do you know how lucky first customers are?" Well Ana booked me in to her salon at 9am on her first Tuesday of operation. I arrived for my trim in plenty of time and admired the lovely details of the salon that made it so welcoming.

Well, little did I know quite how lucky I would be that day. Ana did a fantastic job on trimming my hair and it looked great as she used her mirror and stood back for the first time to check on her work, she laughed at having the space to step back. We smiled. I went to pay. And there in lie the lucky surprise, dear Ana said "NO Charge for first customer".

I stood there shocked and also thoroughly delighted by this wonderful surprise from Ana. I feel so fortunate and want to say a BIG thank you to Ana for her generosity, and to encourage you all to visit her delightful salon on the main street. We are so fortunate to have this fantastic new hairdressing facility in town, and I encourage you all to go and experience the warmth and friendliness of this GREAT hairdresser we now have in town ...

THANKS ANA I WISH YOU EVERY SUCCESS AND WILL NEVER FORGET MY LUCKY FIRST CUT AT YOUR SALON.
Janet Drummond.

OUT OF THE WOODWORK
Wendy Brennan, Secretary. 6372 2094

Many thanks to the Hon. Tim Morris and Brian Death who donated wood to the Guild, it was very much appreciated and will be put to good use.

A thank you also to Sister Lorraine who has donated more plants for our ever evolving garden.

Pat Wells finally found his pen. After autographing his picture for a fan he accidentally left it in the copy. Fortunately, his ardent admirer decided to hand it back. The lady said it was a hard call as she would have liked to have kept it as a memento!

On a more serious note, many may be aware that the Guild had an attempted breakin the day after our open day. We are at present in the process of installing a **closed circuit security camera**. In the event that this could happen again, we will be able to identify the perpetrators.

Look out for the Sizzler King at the monthly markets and try one of our haute cuisine snags... all monies raised are put back into our club to help our community and to cover costs associated with the purchase of our new protection system.

The Guild meets on the last Saturday of every month at 2pm in the old railway goods shed situated behind the Railway Station complex. New members are always welcome. We are open Monday, Wednesday and Friday. Other times by appointment.

Here are more pictures from our Open Day.

Old Cranks & Tinkerers Classic Vehicle Show

It's on again!, the 6th Annual St Marys Old Cranks and Tinkerers Classic Vehicle Show will be held Sunday, June 3rd at the village green in central St Marys.

In 2007 when almost everyone seemed to be getting into the spirit of our town's sesquicentenary, a couple of old cranks wondered if it would be a good idea if both a car show and a history of transport exhibition be organized as part of the celebrations.

We were most pleased when the transport exhibition, (which ran a month in the town hall), and the car show were a great success, so much so that we decided to make the show an annual event.

Some questioned the wisdom of holding an outdoor event during a St Marys winter but at the time there were limited gaps in both the sesquicentenary and statewide car event calendar so June it was. We are happy to report the show has been growing steadily since.

We started with a small but quality bunch of cranks consisting of Bill Targett, Ian Summers, Reon Johns, and myself, eventually joined by the five star company or Jeff Springer, Gehard Rist, Marty Hornibrook, Andrew Atherton and this year: rookie Glenn McDonald. Of course on show days we receive much help from other volunteers, especially Jim Watson and Dan Rice.

So please join us again this year as either a visitor, or exhibitor if you drive something interesting, and experience great cars, great people, surrounded by great food, great coffee, great village atmosphere, and mild east coast winter weather.

Cars to be in place by 10.00am and prizes drawn at 3.00.

MEDIA RELEASE

4 May 2012

Break O'Day Council Organisational Structure Announcement

Break O'Day Council is in the process of finalising a number of changes to the Organisational Structure, as a result of the organisational review which commenced in late 2011. The focus of the review has been to ensure Council has the appropriate skills and resources to meet the goals of the Break O'Day Council Strategic Plan 2011 - 2015.

By deciding to implement a number of changes, five (5) employees have been advised that their part time positions are redundant following a decision to outsource the position of Municipal Inspector and the operation of the four (4) Waste Transfer Stations at St Helens, St Marys, Scamander, and Fingal. A tender for the provision of the waste transfer service has been called with significant interest. Changes at the waste transfer sites will lead to improved site management and service provisions to the community.

Another seven (7) employees have been offered the option of redeployment within the organisation or the opportunity to accept voluntary redundancy, to date four (4) employees have taken up the offer of voluntary redundancy. This is to allow for the change in the nature of work required and the implementation of a structured planned approach to work throughout the Municipality. The Council Depot facilities at St Marys and Fingal will not close, the outcome of the reorganisation of the workforce is to enable Council to efficiently deliver quality services aimed at meeting community expectations.

NATIONAL VOLUNTEERS WEEK MAY 14 -20.

May 14th to 20th is National Volunteer Week and the people of Tasmania stand out as being truly incredible with their commitment to their communities.

There are around 131,000 volunteers in this small state – and these amazing people are often the backbone of services provided to give our residents a better quality of life.

Community Transport Services Tasmania would like to express our gratitude to the wonderful volunteers who give their time so willingly to help the residents of the St Marys district. These people come from all walks of life, and despite often having busy lives of their own, still make the time to help others less fortunate than themselves.

We humbly say "thank you" to our dedicated drivers who truly care about our people and our community:

Len Miles, Don Keith, Michael and Lorraine Scott,
Michael Neighbour, Michael Barrett, Elizabeth Rice,
Dave Mallett.

It goes without saying how much we appreciate your help!

- Opinions in any letters published are not necessarily the views held by the editor and voluntary workers.
- Our pages will remain open to fair and honest criticism, so that on all questions, both sides may be presented, but any letters containing personal attacks or hinting at libel or slander will not be accepted. Stick to the issue rather than making personal attacks.

- Keep letters short, simple and to the point. Letters are restricted to 300 words or less.
- The Editor reserves the right to edit your letter for grammar, spelling or reduction in size where necessary.

St Marys Sports Centre Inc. news. Kackhander.

WE WON A GAME... After a lot of persistence we won our match against St Helens last Sunday 6-1...The winners were Chris Davern (having a great season losing only one game out of 6 so far, Jack Viney, Rod McGiveron, Paul Davern, Mark Carrick and Barry Harrison. A special mention to Barry... He's played some really solid golf all season against much lower handicapped players and run some close results but this time he came in with his first win for the club. Thanks Baz.

It's great... The week before we played flag favourites Bicheno and the only winner was Chris Davern, a couple of close results though. The last two games for the season are at Malahide this week and Scamander the following one.

Hopefully another win would be a real possibility. THANKS MACCA, TREV and ROGER for the course, it's been brilliant. The greens are running beautifully at the moment. The fairways lush and neat and the fringes and approaches as they should be.

Any one whinging now, doesn't know what a golf course should be like.

The tucker's not bad either... After the season Macca is keen to organise a weekend trip to Hobart. Anyone interested contact Macca soon for numbers etc.

Now to bowls and at the recent AGM of Bowls for the East Coast it was decided to change the format for pennant bowls next season by running two divisions comprising mixed teams of 12 players in Division 1 and mixed teams of 8 players in division 2.

As they say the jury will be out 'til then deciding if this will work or not but all bowlers are asked to attend meetings in coming months to get the full picture on how it will work. The Dinner turned out to be successful afterwards and the presentations were made for all the titles. A huge thanks to our "Chefs" who showed the other East Coast clubs a great meal and a top night.

The Club AGM is tentatively set down for June 29th subject to approval and hopefully a good turn out will ensue. Sorry for the delay with Indoor Bowls but there has been a couple of date clashes that caused issues. Hopefully very soon. Watch this space as they say...

Card Night this coming Saturday night May 19th...Crib I think. Please feel welcome to enjoy another great night. Contact the club for details.

Until next time, good hitting and rolling.
