## EDITORIAL

Are you an Adult yet ? I don't mean are you over 21, but have you grown up mentally to be a rounded mature person ?

This is quite hard to define, as some people at the age of 80 are still adolescence. One's physical age is really immaterial; it's the mental age which governs our actions. One who thinks school is the only time one learns, and if you kick up enough fuss, some one will give you what you want or you can take it; is still very young, they have a lot of growing up to do. Living is a time for learning new skills, a time for laughing at one's self and one's mistakes, helping one's neighbours less fortunate than oneself, for none of us can live entirely to oneself. We all need the oil of kindness to make our world go better. Can you do something this year, that you couldn't last year ? This is fun to try, and helps your health, makes new friends, wriggles those brain cells which may have been laying idle, in fact uses you in a way you didn't know before, so round out your personality a bit more.

A fully matured person keeps up these activities until they depart this life here. Anyway this world is where we all go to school so that when we move on we may go into a higher grade.

One may tell an adult by his attitude to people around ; he is interested, and helps, he reads and listens, he doesn't get up

tight over something unpleasant but works to make it better, in fact he has time to be friendly as he belongs to the human race and doesn't think he is in a layer above or below it. We are all in this world together, so we are all brothers.

## GARBAGE IS GOLD. Compost is beautiful.

Anything can be made into compost which once grew so that means nearly every thing which goes into garbage cans. Dust from the vacuum cleaner tea leaves, lawn mowings weeds, peelings, torn up paper, in fact any thing but tins glass, plastic. If you have a spot which can be used as a compost heap out of the way but near the Kitchen, this is a gold mine for the garden. Clean a patch of ground from grass and weeds, put a frame up and put your weeds and rubbish there.

# CHURCH NEWS

Everybody knows the Lord's Prayer and you may think there is nothing more to learn about it. But maybe this will challenge you.

You cannot pray the Lord's Prayer and even once say "I"

You cannot pray the Lord's Prayer and even once say "My"

You cannot pray the Lord's Prayer and not pray for another.

For when you ask for daily bread you can't miss out your brother.

Though others are included in each and every plea,

From beginning to the end of it, it does not once say "Me".

## FISHING NOTES.

Last Sunday, gale force Westerly winds deterred all but a handful of anglers from Scamander Angling Club contest held at four Mile Beach. In fact, fishing conditions were good in all respects except for lack of fish. However, some good catches were made with four blackback over 2½ lb. Junior visitor, Warren Emery from Scamander did not land a fish but he did land a dollar note in good condition, so his day was not wasted. The Oldham family arrived at the beach with only one hour left to fish but at the end of that time they had first and third prizes in their hands. Heaviest fish was a 2 lb 12oz. blackback, caught by Vaughan Oldham, a close second was Wesley Stone & third was Tom Oldham. Ladies trophy was won by Ira Stone with a blackback which fell off the hook at the last moment but smart work by Wes saved the day. Next event will be held at Wrinklers on 16th April (Good Friday) from 3pm to 9pm. These times will give the shark men an opportunity to show their skill. In the game fishing world, Maurice Brooker of Scottsdale, fishing from his boat "Verona May", created a Club record last Sunday by landing an 87lb. Yellowfin tuna on 30lb. line off Elephant Rock. St. Helens game Fishing Club has a Rally Day next Sunday (28th). Charter boats will leave the main wharf at St. Helens at 8 am. There will be another Rally Day on 11th April.

PARENTS & FRIENDS ASSOCIATION

The Annual General Meeting of the St. Marys District School P. & F. Association was held on 16th March 1976 in the school library. The President of the Association, Mr. R. Legge read his report of the previous years activities the financial statement being presented by Mrs. Audrey Wright.

The election of office bearers for the year 1976 was conducted. Those elected being:

|             |                    |

| Secretary   | Mr. K. Crowden     |
| Treasurer   | Mrs. J. Schier     |

An oversight in the constitution was rectified in the reforming of a ladies committee. The meeting expressed concern with lack of interest shown by the majority of parents for the P. & F. Association as on two occasions in 1975, meetings could not be held through lack of numbers.

A monthly meeting concluded the evening.

R.S.L.A. MEMBERSHIP

At the Annual Meeting, members of the St. Marys Sub-Branch R.S.L.A. expressed their concern at the number of eligible Ex-Servicemen who were not financial members.

The League needs every possible support for its continuing task of looking after the interests of Ex-Servicemen. There are many tasks as yet unfinished and the number in need of assistance is increasing. This appeal is directed to those who for one reason or another have not joined the League or who have allowed their membership to lapse.

The total membership in Australia still exceeds 250,000, but that figure represents less than 50% of those eligible. Think of the increase in our influence on your behalf if this number were to double. Try to imagine what our pension benefits would be if there were no R.S.L.A. Even if you do not need assistance at the present time, there are those who do and your membership will help them (your old mates)

If you have some particular reason for not joining which might be resolved by a friendly discussion, I should be pleased if you could contact me, A.R.M. Jackson, Deputy State President, Falmouth.

Are you interested in raising money for your community?? A public meeting will be held in Todds Hall (upstairs) on Wednesday 31st March 8pm. All welcome. We will discuss the possibility of Bingo for St. Marys.
