## EDITORIAL

### YOUTH!

The "you and the Law" column of the last edition of Valley Voice has prompted me to put pen to paper and air a few observations I have made since my arrival in St. Marys in January. I am not too clear on situations in Fingal and St. Helens and the other towns, but I would assume that this editorial will have interest to those people who live in these areas, as young people live there also.

It doesn't need me to point out to you, that Youth is perhaps the most vital stage of a person's life, the ages between 12 and 25 are normally the most important years of one's life. It is during this period that people face enormous physical and psychological changes to one's life. During early years of youth, commonly referred to as puberty, the physical changes are accepted, but are the psychological changes? The young person wants to be "someone" and be independent and do things his own way. This is a very trying time for parents as a young person is moving from the complete dependence of childhood through the heartless independence of puberty until an interdependence is achieved in young adulthood. It is during this middle stage where parents need to be the most tolerant, because when all else fails the teenager comes running to his parents. It is this middle section which I am concerned about. People seem to try to disregard the 13-18 year olds. They make a mistake, and the whole community is on their back. They have nowhere to go, only the street corners and milkbars, and even then people look on them as "cluttering up" the street.

What is needed is somewhere for young people to go, a place to call their own. I call upon parents and other people with any concern for youth at all to make their voice heard, either through this paper or vocally to community leaders. Also I invite young people to let their voices be heard.

### COMFREY CONTINUED from last edit.

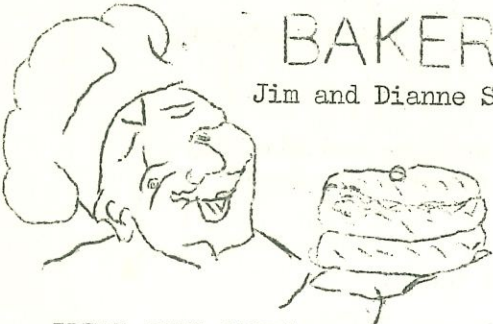

Because it is rich in vitamin C it is excellent for colds, relieving throat irritations and huskiness. Dried comfrey leaf tea is made in Tasmania by Seilverwood Herbs. It's recommended by the grower, Stella Farley for arthritis, and the demand has now outgrown the supply. Best used 50-50 with other herb teas. Comfrey ointment is obtainable in health stores and is effective in healing wounds, corns sprains, and bruises. We apply freshly bruised leaves to wounds and sprains and have been amazed at the rapid healing power of this fuzzy plant. Leaves can also be heated in water, allowed to stand until lukewarm, pulped and applied with bandages. The story is told in Comfrey report No. 5 edited by Laurence Hills of how Comfrey poultices cleared up an advanced case of cancer of the breast. As a vegetable Comfrey can be used in a salad mixed with lettuce and nasturtium leaves with a lemon and honey dressing; steamed like spinach, used as sandwich filling; roots can be grated and mixed with cheese. Flour has been made from Comfrey and there are many recipes for marmalade, chutney and wine. It contains protein, calcium, phosphorous, potash, cobalt, and manganese and is considered to be the only land plant able to extract vitamin B.12 from the soil, making it particularly beneficial to vegetarians.

Mr Theo Thomas for bringing us home to Bichenor, Mr Roger Gamble, Mr. & Mrs. George Bullock, Mrs Venie Jackson, Mrs Hannah Hughes Mr. & Mrs Jack Deal, Mr. Widdicombe, Mrs Gordon Robinson for her kindness for looking after my husband, also the ambulance driver.

yours in appreciation

Marie and Fred Bailey,  
Bichenor.

## TOUCHE'

What would you do with \$100 worth of milk? A Cameron Street resident nearly had this problem to deal with last week. Being in the habit of putting his money in strange places - this time in a saucepan which was later placed on the doorstep for the local milkman to fill.

One of our local garage proprietors whose establishment is situated near St. Marys Rivulet was testing a tube for leaks and using the rivulet for the purpose and fell in. We don't know if there was enough air in the tube to support him or not but we believe that what there was became very warm.

To the male resident of Storey St. with the habit of forgetting dates may we remind him that his 50th birthday is on Sunday 31st. I believe he has been receiving some interesting mail lately!

Did I really see two retired ladies from Gray Road bidding for rabbit traps at last weeks sale? Do you know if they are taking orders?

Did you here of the St. Marys identity who dropped his gloves into a hot frying pan. (Was he trying to compete with the Colonel or did he really think they would be finger licking good.)

In a North Queensland Red Cross Blood Bank sat two men who had just given blood donations. One was a tourist, the other an Aboriginal. After several quick stares the tourist could contain his curiosity no longer. "I say are you really a full blooded aboriginal? he asked. "Well no, not exactly," the other said thoughtfully. "I'm one pint short."

**EXPLANATION**  
of "THE SIGN OF THE FISH"  
Next to the Cross, the fish is our most Authentic Christian Symbol. Dating from the time of the Roman Persecutions, it can still be found carved on the walls of the atacombs and over door lintels. It was a means of secret identification between Christians. The Greek letters were added in a later century and are pronounced ICHTHUS - meaning "fish" in Greek. It is an acronym with the letters standing for: Jesus Christ, Gods son, Saviour; plus the dual designation of Jesus Christ as the "Fishes of Men!"

Life is a lively process of becoming. If you haven't added to your interest during the past year; if you are thinking the same thoughts, relating the same personal experiences, having the same predictable reactions - rigor mortis of the personality has set in.

# YOU & THE LAW FISHING NOTES

I want to touch on the subject of "ownership, registration and change of address" of motor vehicles for I have noticed that some owners, especially new owners, are not quite clear on the procedure as regards the requirements of the Law.

Where the owner of a motor vehicle or trailer, sells or otherwise disposes of the motor vehicle or trailer, or changes his name other than by marriage, or some person repossesses the motor vehicle or trailer, the owner or the other person, as the case may be, shall within three days of the sale or disposal, change of name or repossession, as the case may be, notify the Registrar of Motor Vehicles in writing of the changes or ownership and the necessary forms can be obtained from any police station.

Where a motor vehicle is sold or otherwise disposed of, the purchaser or the person to whom it has been disposed to, shall apply to the Registrar of Motor Vehicles to have the registration transferred to his name within fourteen days. Each transfer application shall be accompanied by:-

- (a) transfer fee
- (b) additional tax fees if applicable
- (c) the certificate of registration and third party Insurance Policy (both current)
- (d) notice of change of ownership application

You can now see that both the seller and the purchaser has an obligation to notify the Transport Department with all changes of ownership of motor vehicles or trailers and this includes all forms of vehicles which are required to be registered.

Too frequently we find that new owners of second hand vehicles fail to obtain from the registered owner at the time of purchase, the registration and insurance papers along with a change of ownership form signed by the previous owner. Without these papers a transfer of registration cannot be carried out unless the new owner is prepared to pay additional fees in respect of the unproduced papers.

Scamander Angling Club held a surf contest at Four Mile Creek on Sunday 17th Aug. Conditions were poor with a sand bar too close in for any deep water and just too broad to ease over. However, the twenty eight entrants tried hard and some fish were caught. First prize went to a junior angler, Stephen Lapham who beat his father Roy, into second place. Athol Newman was third. The weights will not be reported for the sake of the reputations of the winners. Junior prize was won by Michael Spilsbury who produced a nice flathead at the last minute. Highlight of the day was provided by Mrs. Ira Stone who won the ladies prize at her first attempt in a contest. She said that it was better than seeing Scamander winning the eight-ball shield. Next contest will be held at Wrinklers on Sunday 28th September from 12 noon to 4pm.

## BASKETBALL

## FOOTY FACTS

By Stabkick

August 13th saw the completion of the first round of the Basketball season. In the first match, the Bluebirds outplayed the Villians throughout the match, despite some good defensive play. Final score 30 pts to 15.

Points: Bluebirds D.Coleman 18, L. Richards and J. Clifford 4, C.Bailey and C.Spencer 2. Villians D.Jaffray 4, M.Treloggen, M.Lohrey, G. Andrews, D.Crosswell and L. Kohl 2, R.Coker-Williams 1.

BOMBERS V. ALL BLACKS proved a most exciting game throughout. At half time the scores were even, but the second half saw the All Blacks draw away to win by 5 pts. Final score 26 pts to 21.

Points; ALL BLACKS E.Krautz 14, M.Blair and M.Jaffray 6.

BOMBERS S.Richards 11, K.Blair 6, D.Coker-Williams and Ismet 2.

PACEMAKERS v REDS also proved to be a very exciting match with the lead changing through-out. The Pacemakers went on to victory by a very narrow margin of 1 pt. Final scores 15 pts to 14.

Points: PACEMAKERS C.Rowlings 4, M.Waldron C.Broadby, H.Richards, B.Riley, C.Tetlow 2. G.Gray 1.

WHITES v YELLOWS

Once again finished in a runaway victory to the Whites, the height of the Whites being no match for the other team. Final score 64 pts to 22.

Points: WHITES P.Davis 24, L.Blades 20, M.Gray and T.Crosswell 8, M.Bennett 4.

YELLOWS

K.Andrews 12, E.Parrish 8, M.Griffiths 2.

At the end of the first round, the point score is as follows:

Womens - Bluebirds 12, Reds, Pacemakers and Villians 4.

Mens Whites 12, All Blacks 8, Bombers 4 and Yellows 0.

AUGUST 20thVILLIANS v PACEMAKERS

The Villians played well to hold a three goal lead at half time and were able to maintain the lead throughout, despite an improvement in the Pacemakers shooting in the second half. Final score 22-16.

Points: VILLIANS L.Dakin, D.Crosswell and R. Coker-Williams 6, D.Jaffray and M.Treloggan 2.

PACEMAKERS C.Rowlings 8, B.Riley 4, G.Gray and C. Broadby 2.

ALL BLACKS V WHITES

This began as a very close game to half time with the difference between teams being only 1 goal but, once again the Whites dominated the play in the second half and went on to victory by 31 pts-22.

Points: WHITES T.Crosswell 19, M.Gray, P.Davis and L.Blades 4. ALL BLACKS W.Rowlings 7, E.Krautz 6, M.Barber 5, M.Blair and M.Jaffray 2.

BLUEBIRDS v REDS The Bluebirds continued on their winning way with a 7 goal victory over the Reds. Final score 24 pts to 10.

Points: BLUEBIRDS D.Coleman 14, D.Krushka,

Fingal should move into the grand final when they are expected to beat Campbell Town tomorrow.

Fingal are the form side and most supporters in the Valley believe it is a fore gone conclusion - but I disagree.

Campbell Town with all players back from injury, will fully extend the Blues if not upset them on the neutral Swansea ground. Johnny Smith's biggest opposition could be ridding his players of over confidence.

Fingal are a more evenly balanced team, thus giving it a more adaptable line-up. It does not rely on key position players as can be seen by its large list of goalkickers each match.

In contrast Campbell Town rely heavily upon Garry Upton, Brian Leedham, Brian Darke, and Robert Lowe's shoulders. The Blues should pull through- but I wouldn't put money on them.

In the reserves and the Juniors the same two clubs meet and I think Fingal's reserves will be two big and bulky whilst in the Juniors Campbell Town seems to have more talent.

I would like to congratulate the three winners of the Associations Best and Fairest awards. Terry Freeman (Fingal) Brian Kealey (Campbell Town) and Ian Wickham (Campbell Town) are worthy winners of the Seniors, Reserves and Juniors awards respectively.

## "Way above the problem"

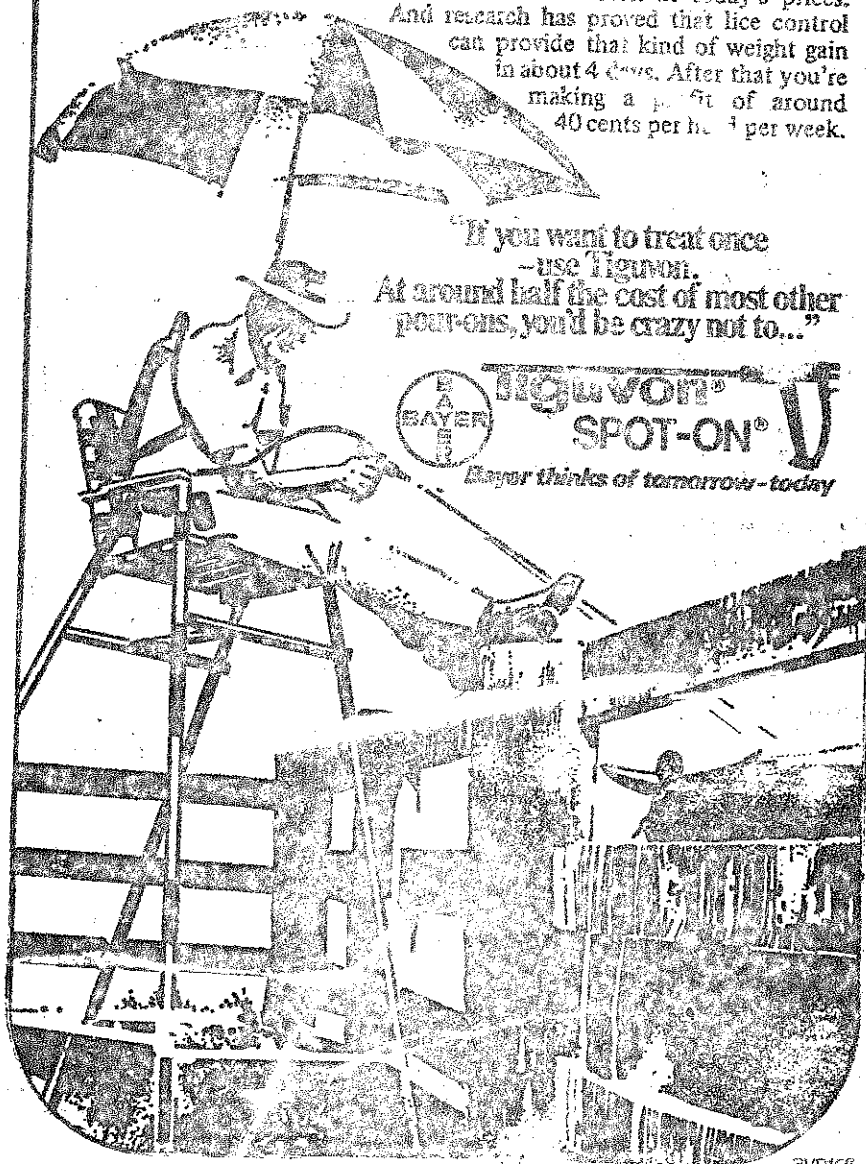

Lice control is more than just relaxing in a comfortable chair and squeezing a trigger. It's a form of investment. A shot of Tiguvon for a grown beast still costs as little as 20 cents. A weight gain of 1 kilo (2.2 lbs) will repay that investment — even at today's prices. And research has proved that lice control can provide that kind of weight gain in about 4 days. After that you're making a profit of around 40 cents per head per week.

"If you want to treat once  
— use Tiguvon.  
At around half the cost of most other  
pour-ons, you'd be crazy not to..."
