### A Community or Boxes?

Do you live in a community or is it separate families each in their little boxes? We seem to have lost the sense of belonging to a community. But now, with everyone trying so hard to be independant and separate from their neighbours, and frightened of what the neighbours will think if they do anything different, we have masses of lonely frightened people hiding in their little boxes. They take to drugs and drink and other queer ideas to help them live, while all they need to do is to be a friend. This is hard when you are not used to it, you have to find out what other people like. People are not meant to be isolated from each other, we are meant to live in a community where we can help each other when needed. Well, sometimes one gets the busy-body who cant keep their fingers out of other peoples pies, but there is a cure for this, give them more to do as lots of people ache for jobs that help others, and they dont know how to go about it. It's like race horses and cart horses, both good at their jobs, but the jobs are different. To live in a community one must learn what is needed by ones neighbours. You cant sit at home expecting someone to come in and talk to you because you are a good person, goodness is no good to you unless its used for someone else, so even if you wish the earth to open and swallow you make an effort and get out into your neighbourhood and do something for someone in need. Perhaps their is a girl with a new baby and is terrified of hurting it if she has to change and bath it. Someone who has been through this mill, could show how to handle to the mite, also how to get wind up and not to stick pins in the wrong place. Perhaps some children want to make kites. Lots of men made kites in their youth, they could get to work and show how it is done. There are lots of ways we can help our neighbours, and thus live a fuller life ourselves. Lots of people dont want to be involved with other people at all, this is a sort of living death. We are all involved in living so we have to put out a hand to our neighbour, we cant depend on the Government to do everything for us, they cannot be good friends to

all, they are only people too. Anyway we only have 24 hours in a day even Governments so there is a limit to what they can do. Much more can be done by people getting together to work for something they really believe in.. Our children are our best assets for the future, bring them up to help, and we will have a future to plan for, but some people dont think that kids are any good, well they have not set a very good example have they? The community that thinks its young people are the future that we all dream about, is going to do something about that future coming true by helping its young people to grow up into good neighbours and friends who will not mind being involved in doing something for their own communities. Well it's up to you now, no one else.

## LETTERS

Dear Sir,

On going into the Church of the Good Shepherd last Sunday to take Sunday School I was horrified and very upset to find that someone or some persons have flipped mud on the windows - not one but right around the Church, so the deed was deliberate.

This act so upset me, that if I ever find out who was the culprit it will give me much pleasure to register a few hard smacks where it hurts most.

U. Camplin.

## ELECTORS OF ST. MARYS WARD

I am standing as a candidate to represent you at the election to be held on Saturday 26th March, 1977.

Particular promises are easy to make but hard to keep, but one promise and guarantee I can make is that I will give your ward my FULLTIME ATTENTION. I will help with your problems and be a councillor interested enough to listen and take notice of your point of view.

I ask you to put new life into your council representation; put someone in who has the time and the interest to put into the job. I know I have both and ask you to vote

Senior Citizens Welfare Annual Meeting.

About 50 people attended the Annual Meeting of Fingal Valley Welfare Committee for Senior Citizens at Cornwall Hall.

Mr. Eric Reece addressed the meeting and afterward mingled with the people attending where there were several old friends of his from earlier days. Among them were former football team mates Mr. Percy Llewellyn and Mr. Harry Legro.

The meeting was chaired by the Warden of Fingal Mr. C. Haas and reports were read from Senior Citizen Clubs: Fingal - Mrs. A. Legro, St. Marys - Mr. W. Stone, and Cornwall - Mrs. U. Camplin.

Rev. Father Jarrett gave a display of slides on the South West Tasmania and of English Cathedrals. There was also a display of "Do you remember articles" prepared by Mrs. Camplin and the Golden Years Club of Cornwall.

The election of Officers resulted in: Messrs. J. Napier, P. Llewellyn, R. Mc Gee, S. Lowe, J. Miller, Rev. Father Jarrett, Mesdames, U. Camplin, L. Spilsbury, K. Cooper. During his address, Mr. Reece urged retiring people to refrain from going-it-on-their-own and to get out and mingle with other people. He said some people believe the end of the world has come for them after 65 but for himself it is the very best part of his life, as he found he could involve himself in so many activities. He advised ageing people to be "among people who are active together. See your doctor once a year, exercise and have plenty of mental activity.

ANNUAL EASTER ART EXHIBITION.

St. Helens Fine Art Gallery are pleased to announce that all is in readiness for their second Easter Exhibition. If you are looking for that special painting to hang or an ideal gift for a special friend do call in the the Portland Memorial Hall, St. Helens Saturday, Sunday and Monday April 9, 10, 11 between 10.00am and 5.00pm. An expected 350 paintings will be on display by invited artists from all over Tasmania. If you have visitors over Easter what a pleasant way to spend an afternoon with them viewing some of the fine examples of Tasmanian scenery by many and varied artists both professional and amateur. Admission will be 20 cents and local professional artist Leo Cook in conjunction with the Gallery has donated a Sepia painting to be raffled the proceeds of which will benefit the Media Park Assoc. helping the elderly of the district. This painting will be on displays from March 26th in Viney's Chemist shop window tickets will also be available there.

See you at the Portland Memorial Hall during Easter.

May Cook.

Gardening Notes.

Do you grow so called rubbish along your fences? This protects the soil from wind and in Tasmania we are in the Roaring Forties so we get a lot of wind also if animals have a bit of shelter they do better and its a home for birds who eat an awful lot of bugs which will eat your crops etc. and pesticides are not really much good. They are so poisonous they destroy more than one reslises. Do you mulch at all? This provides a cover for the earth worms so they can work your gardens for you and save you a lot of digging. Also this builds up the soil so vegetables are healthy and alive (At least until a mad cook gets hold of them) the worms make nice holes which the rain runs into and the roots go down. The soil is turned over much better than we can do it and mulching and compost are so easy.

COUNCIL VOTING ON SATURDAY.

Don't forget Saturday 26th is voting day. If you don't vote, don't complain about the councillor who gets in.

HERBS WILL HELP YOUR NATURAL BEAUTY.

Tired feet Nothing is worse than aching feet, they bring aging lines to any face so help your feet with herbs. Pick elderberry leaves, dry them and crush to a powder, add a little fuller earth to make a powder and dust the feet.

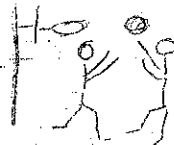

An old feceips is to put fern in your shoes of you have a long way to go, also fill your pockets with them.

Lemon or cider vinegar bath or rub is very helpfull, this will relieve fatigue and restore vigour to your feet, a few drops of lavenderoil in a tepid foot bath is also good.

Corns can be helped by using the juice of leeks in a foot bath every day and at night bind the corn up with the skin of the leek or tie a slice of onion or garlic onto the corn at night, this has great healing powers.

## FISHING NEWS

Forthcoming events:- ST. HELENS GAME FISHING CABARET at Bay Side Inn tomorrow (Saturday) which will be followed by Club Rally Day on Sunday. SCAMANDER ANGLING CLUB-surf contest at Four Mile on 8th April (Good Friday) from 11 am to 4pm with a casting contest from 10am to 11 am. All members of the Game Fishing Club are asked to pray for a safe passage over the barway on Sunday as three previous contests have been cancelled this season. Many members now believe that to get a days fishing, it is necessary to be unemployed, retired or on sudden sick leave so that a week-day trip can be organised. There are no reports of any catches off the surf so the present trend of poor fishing is continuing. One interesting report was the landing of a seven gilled shark in the Tamar River recently. It was caught on a long line which could be an illegal method in a river. Several well-known anglers are leaving rods and lines at home tomorrow and will spend the time in search of mutton birds. The crew of one charter boat will have to put up with the smell of cooking birds on Sunday. This is a fair test for seasickness. The members of the Game Fishing Club of Northern Tasmania held a Rally last Sunday. They all disappeared so rapidly at the conclusion that we believe that the catch must have been small.

## SNOOKER CLUB

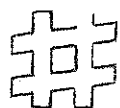

The first organised tournament of the snooker club has been completed. The winner of the tournament being Kerry Davern with the highest break being won by Mike Barnes. Many thanks to those who made the tournament a success with a special thanks to Mrs. Barnes who donated a trophy.

The next tournament will commence next Friday night the 1st April. This will be a doubles tournament with drawn partners. Once again there will be good trophies. Keep your club going....nominate for the event by notifying Rod Maher, Peter Krstic or Peter Lohrey....Nomination fee 50 cents per player. Members remember there is a challenge ladder operating at the club now and challenges can be made any time. Each Friday night is a snooker night.

## ROWING

The 45th Henley-on-Tamar Regatta was held last Saturday. This was the final regatta of the 1976/77 club rowing season. The crews in which David Schier rowed achieved four wins from 4 starts.

He won the Senior Sculls - and rowed in the 2nd seat of the winning University Junior-Senior and Senior eight oared crews, as well as stroking the junior pair to a convincing 3 length win. Last week David, who is a fingal year Law Student was selected to represent Tasmania in the sculls at the National Rowing Championships in Perth W.A. during Easter but he withdrew for study reasons.

ANNUAL REPORT PARENTS' & FRIENDS ASS. for year ending 15-3-77.

Ladies & Gentlemen,

It is my pleasure to present the annual report for the last year.

Throughout the year there were 7 meetings held with reasonably good attendances by parents.

I would like to point out that the more interest parents take in our school the better the conditions will be. There are numerous items that the Education Dept. will not find and over the years this Ass. has given considerably to the advantage of our children. Involvement of parents also helps and encourages teachers in their work.

If the Ass. can speak with the backing of parents we can expect far more help from the Dept.

The canteen again was the only means of raising money for the Ass. It must be realized that the profit comes from the cordials and chips etc. not the food side. I must thank Mrs. Aulich for her work last year and Mrs. Britton who has taken over this year. Also I would like to thank all parents who have helped at the canteen over the last 12 months and ask that parents who would like to help, to get in contact with Mrs. Britton. The more helpers, the less number of times each person has to help throughout the year.

The two big items that the Ass. purchased, were a swimming pool cover for \$580. tents for camping \$880. Numerous small items were purchased throughout the year.

I would like to suggest that sometime throughout the year a function for parents could be held as a social evening rather than meeting for formal business once a month.

One big problem that could face this school in the future is the possibility of a High School being established at St. Helens. We have the facilities here at St. Marys. We also have the staff to teach all High School students that could come from the St. Helens area. To have a comparable school at St. Helens would mean a down grading of our school. We should at all times voice the need to maintain the standard we have and improve it each year.

I take this opportunity to extend a welcome to new members of the staff and wish them a happy stay at our school.

I would like to thank all members of the Executive of the Ass., especially the Secretary and Treasurer for their untiring work throughout the year.

Finally I would like to express the desire that all parents take advantage of the Parents' & Friends meetings to discuss problems that are relevant to the Ass. This is your Ass. and no one knows the day to day problems better than parents.

  
(R. W. Legge)
